Pleas Guilty To Charge Of Making Threats

HARTFORD (AP) — John O'Tool, 30, former manager of the Fenway Theatre in Boston, Mass., pleaded guilty Wednesday to a charge that he threatened a Wallingford rock and roll music promoter in an attempt to collect an alleged \$2,000 debt.

O'Tool, who entered his plea before U.S. District Court Judge Thomas F. Murphy Wednesday, was released on \$25,000 bond pending sentencing.

O'Tool began his threatening behavior in March, said Asst. U.S. Atty. Barry J. Cutler, adding that the Massachusetts man first let a threatening note with the baby sitter and four children of Wallingford promoter James McGuire.

A threatening phone call from O'Tool to McGuire was next, in which O'Tool said he was sending his men from New York to insure the debt was paid, said Cutler.

The federal attorney said McGuire, the day after the threatening phone call, was in the middle of phoning a complaint to the FBI about O'Tool when a black limousine pulled up in front of his office in Prospect, Conn.

McGuire ended his conversation with the FBI with the exclamation, "Help," tripped a silent alarm and fled to a rest room, according to Cutler. He explained that state police responding to the silent alarm intercepted the two men who exited from the black limousine and the case was terminated after they admitted being sent by O'Tool to collect the money.

Cutler said the threat apparently grew out of a contract dispute with McGuire about the appearance of certain rock and roll bands at the Fenway Theatre in Boston.

Vernon Teachers Union Seeks Election

The Vernon Federation of Teachers (VFT) has filed a petition with the State Board of Education. The action officially challenges the Vernon Education Association (VEA) for designation as representative of the town teachers in contract negotiations.

The VFT which is affiliated with the AFL-CIO has about 100 local members. The VEA has about 200 members and the total number of teachers in the system is close to 455. While the VFT does not accept membership from the administrative staff of the system, the VEA does.

Officers of the VFT besides Miss Lambert are: Lou Haddad, executive vice president, Richard Renick and Peter Klein, first and second vice presidents, Suzie Meslier, recording secretary, Robert Denshick, corresponding secretary and Harry Chapman, treasurer.

Schaffer Grand Jury Finds Five Witnesses

Five missing witnesses have been found in the grand jury investigation into the charge of murder against Kenneth Schaffer, 28, of Hartford and the investigation is continuing today in Tolland County Superior Court.

The body of Schaffer's 18-year-old wife, Mildred, was found July 4 in Ellington and he was subsequently arrested. The grand jury will decide whether or not there is probable cause for an indictment of murder against him.

At first, two missing jurors caused a 50-minute delay in the beginning of the proceedings yesterday. However, one appeared and the other was replaced by Charles Weber of Ellington.

Limited Peace Plan Opposed By Saigon

SAIGON (AP) — A Saigon newspaper controlled by the presidential palace reported today that President Nguyen Van Thieu and his national security council have rejected any interim Indochina agreement for a limited truce.

The newspaper said that after three meetings with Henry A. Kissinger, the South Vietnamese president's chief of staff, during the afternoon, the council decided to reject the offer.

The newspaper said that the council decided to reject the offer because it would not allow for a complete withdrawal of North Vietnamese forces from the South.

Few Attend Hearing On School Wing

The role and requirements for the \$1.9 million high school addition by the architectural firm of Kane, Farrell and White were presented at a public hearing of the Public Building Commission Thursday night.

The hearing failed to bring out the residents who will be voting on the question in the Nov. 7 election. Some 40 persons attended, but most were members of the Board of Education, the administration, the PBC, Concerned Citizens for Responsive and Responsible Government and the newly formed Nonpartisan Addition Referendum Support group (NARS).

Architect Harvey White explained his firm was charged with the responsibility to design a new wing to be added to the existing 1,500 pupil high school building which would help in accommodating 1,650 students by 1975.

Included in the preliminary plans are 25 classrooms, nine of them located on the first level which does not connect to the north side of the building but can be entered through a drive going into the courtyard. Nine other levels will be placed on the second level with a "split level" library swerving upwards into another portion of the library (resource center) by a ramp and continues upward into a third level with five classrooms.

White said the plan calls for "wood circulation" of students and this would be achieved with the new wing. He also said the firm would be responsible for utilizing existing space and equipment and would eliminate rooms in the old building, making them larger in order to keep special classrooms together.

The six-foot wide corridors coming in from 10 old corridors from the old building was questioned by Mrs. Allen Coffey. She asked if the safety of the student was being compromised in more room as would be swinging out into the narrow corridors and students would be stopping for drinks from custodians if any are placed in the wing.

White said the doors were not of any major consequence but, because of the preliminary state of the plans he had not gone into the "refining" of the plans. He said if drinking fountains were placed in the wing, they would be placed in strategic areas in the building.

Also questioned was the reduction of the original \$2.2 million dollar building cost to the \$1.9 million proposal and what was affected by the change.

White said he would have preferred to go to bid for the \$2.2 million figure and have prices come in lower than that for the \$1.9 million. He indicated however that he was instructed to meet a certain figure and this was done.

The breakdown of the cost for general construction, \$95,000 for site work; \$95,000 for fixed equipment; \$128,000 architects fees; \$18,400 for movable equipment; \$83,700 renovations and replacement equipment; \$29,300 for mechanical costs and \$9,000 site work.

Also, \$4,000 bond and legal fees; \$10,000 for a clerk of works; \$2,000 PBC use, and \$3,000 for reports, total \$1,899,400.

White said the cost of the high school with state reimbursement of 50 per cent could be handled this way. The town would borrow \$95,000 when the building is part-way into construction at four per cent interest on a short term note to pay the 50 per cent construction cost. The town will pay interest only on the short term note at this time.

Under the \$300,000 of the capital gains money the town year bond at 5.5 per cent, a 15-cent sell at the conclusion of construction and pay back the note.

Mrs. Fran Winkless felt the students were in an overcrowded facility right now and the town should not wait any longer as there is an "excessive amount" of students in the school already," she said.

Gerald Baxter added the town cannot afford to do without the addition at this time.

Palos Verdes, Calif. (AP) — Tuna fishermen are being encouraged to use new methods and equipment in a move by the federal government to curb deaths of porpoises stranded in tuna nets.

"I was seven years old and had a lot of other things on my mind," she said.

When her sister Reatha was crowned queen at the fall event in 1967, Connie took more interest.

And when her sister Marvinly was crowned in 1968, Connie really sat up and took notice.

In a recent football game here, the inevitable happened and Connie, a Lyons' cheerleader, was crowned homecoming queen.

She'll be the last Chapel on the royal roster, at least for several years. She's the youngest daughter of Mr. and Mrs. Marvin Chapel.

Few Attend Hearing On School Wing

The role and requirements for the \$1.9 million high school addition by the architectural firm of Kane, Farrell and White were presented at a public hearing of the Public Building Commission Thursday night.

The hearing failed to bring out the residents who will be voting on the question in the Nov. 7 election. Some 40 persons attended, but most were members of the Board of Education, the administration, the PBC, Concerned Citizens for Responsive and Responsible Government and the newly formed Nonpartisan Addition Referendum Support group (NARS).

Architect Harvey White explained his firm was charged with the responsibility to design a new wing to be added to the existing 1,500 pupil high school building which would help in accommodating 1,650 students by 1975.

Included in the preliminary plans are 25 classrooms, nine of them located on the first level which does not connect to the north side of the building but can be entered through a drive going into the courtyard. Nine other levels will be placed on the second level with a "split level" library swerving upwards into another portion of the library (resource center) by a ramp and continues upward into a third level with five classrooms.

White said the plan calls for "wood circulation" of students and this would be achieved with the new wing. He also said the firm would be responsible for utilizing existing space and equipment and would eliminate rooms in the old building, making them larger in order to keep special classrooms together.

The six-foot wide corridors coming in from 10 old corridors from the old building was questioned by Mrs. Allen Coffey. She asked if the safety of the student was being compromised in more room as would be swinging out into the narrow corridors and students would be stopping for drinks from custodians if any are placed in the wing.

White said the doors were not of any major consequence but, because of the preliminary state of the plans he had not gone into the "refining" of the plans. He said if drinking fountains were placed in the wing, they would be placed in strategic areas in the building.

Also questioned was the reduction of the original \$2.2 million dollar building cost to the \$1.9 million proposal and what was affected by the change.

White said he would have preferred to go to bid for the \$2.2 million figure and have prices come in lower than that for the \$1.9 million. He indicated however that he was instructed to meet a certain figure and this was done.

The breakdown of the cost for general construction, \$95,000 for site work; \$95,000 for fixed equipment; \$128,000 architects fees; \$18,400 for movable equipment; \$83,700 renovations and replacement equipment; \$29,300 for mechanical costs and \$9,000 site work.

Also, \$4,000 bond and legal fees; \$10,000 for a clerk of works; \$2,000 PBC use, and \$3,000 for reports, total \$1,899,400.

White said the cost of the high school with state reimbursement of 50 per cent could be handled this way. The town would borrow \$95,000 when the building is part-way into construction at four per cent interest on a short term note to pay the 50 per cent construction cost. The town will pay interest only on the short term note at this time.

Under the \$300,000 of the capital gains money the town year bond at 5.5 per cent, a 15-cent sell at the conclusion of construction and pay back the note.

Mrs. Fran Winkless felt the students were in an overcrowded facility right now and the town should not wait any longer as there is an "excessive amount" of students in the school already," she said.

Gerald Baxter added the town cannot afford to do without the addition at this time.

The Rev. Joseph C. Gengas, director of Aleluia House in Bloomfield, will be guest speaker at the Combined Catholic Mothers Circles annual banquet Wednesday at 7 p.m. at Flano's Restaurant, Bolton.

Today's Thought

"Our Father" Don't recite the same prayer over and over, as the heathen do, who think prayers are answered only by repeating them again and again. Remember, your Father knows exactly what you need even before you ask Him! Pray along these lines: "Our Father in heaven, we honor Your holy name. We ask that Your kingdom will come here on earth. Just as it is in heaven. Give us our food again today, as usual. And forgive us our sins, just as we have forgiven those who have sinned against us. Don't bring us into temptation, but deliver us from the Evil One. Amen."

Bright Sunshine Woke Up Tolan and Rest of Reds

CINCINNATI (AP) — A baseball game in bright sunshine can really open your eyes. Look what it did for Bobby Tolan and the rest of the Cincinnati Reds.

Tolan drove in two runs to help the Reds beat the Oakland A's 5-4 in the fifth game of the World Series Friday at Oakland.

The Reds, who had trouble hitting in the twilight in two previous games at Oakland, cut the A's margin in the series to 3-2. Today it's game No. 6 at Cincinnati.

Friday, the Reds' Pete Rose hit Jim "Catfish" Hunter's first pitch for a home run and Denis Menke drilled another one into the seats three innings later.

The homers were the first for Cincinnati in this series. Hunter had a 4-2 lead going into the fifth inning, but had to leave after Tolan knocked in the Reds' third run with a single. Rolfe Fingers, who has pitched in every series game thus far, again in the eighth when he walked, stole the score and roared into the contest 4-0 on Tolan's base hit.

After Rose knocked in the winning run in the ninth inning, it was Morgan's arm—not his legbat that saved the game for Cincinnati.

The A's had runners on first and third with one out on a Morgan hit. The Reds appeared on the brink of elimination after Gene Tenace's three-run homer in the second inning gave the A's a 3-1 lead.

The capacity crowd of 49,410 gave Tenace a standing ovation in the cross-hatched home plate, courtesy of Cincinnati starter Jim McGlothlin. Mike Epstein walked and George Hendrick singled prior to the wallop. Tenace's fourth of the series.

Only four other players in history have belted four in a World Series—Babe Ruth, Lou Gehrig, Duke Snider and Hank Bauer. No player has hit five homers in a series.

The Reds' dugout came to life again—and the partisan crowd quieted down—when the National League champions cut the Oakland lead to 3-2 on Menke's home run down the left field line.

Gonzalo Marquez, who tied a World Series record for pinch hits with three, gave the home team a 4-2 edge with a run-scoring single in the fourth.

Joe Morgan, Tolan and Rose—three players who hadn't done much in this series—then proved the undoing of the American League champions.

Morgan walked with two out in the fifth inning and came all the way home after getting a big jump when Tolan drilled a line-drive single to right-center. Morgan's speed also paid off in the eighth when he walked, stole the score and roared into the contest 4-0 on Tolan's base hit.

After Rose knocked in the winning run in the ninth inning, it was Morgan's arm—not his legbat that saved the game for Cincinnati.

The A's had runners on first and third with one out on a Morgan hit. The Reds appeared on the brink of elimination after Gene Tenace's three-run homer in the second inning gave the A's a 3-1 lead.

Oranges, Apples, Tomatoes, Eggs Tossed Rose Answered With His Bat

CINCINNATI (AP) — Pete Rose was pelted with oranges, apples, tomatoes and eggs by Oakland baseball fans. He answered them with a home run, game winning single, and two fine defensive plays.

"There must be a guy out there (left field stands) who owns a vegetable store," said Rose after his hitting and fielding keyed a 5-4 Cincinnati victory over the Oakland Athletics in the fifth game of the World Series Friday.

Rose became the target of Oakland fans after he said that the A's 21-game winner, Jim "Catfish" Hunter was "a super pitcher" who was described in print as arrogant, a boor, and "one of those Cincinnati crew-cut creeps."

The 31-year-old Rose, a native of Cincinnati, who has hit 300 or better eight straight seasons, said of the vegetable, fruit and egg throwing, "fortunately the guys throwing that stuff as bad as mine. I wasn't hit. The field was so soft that I picked up one egg unbroken and handed it to Ted Kluszewski (Reds' coach)."

Rose had one final word on his personal conflict with the spectators. "It wasn't as bad today (Friday) because during batting practice I tossed five new balls into the stands. It cost me fifteen bucks, but it mollified them. They tossed tomatoes and eggs instead of oranges and apples."

Baltimore State's Attorney Wants to Meet with Kuhn

TOWSON, Md. (AP) — Samuel Green, the Baltimore County state's attorney, says he wants to meet with baseball Commissioner Bowie Kuhn next week to discuss possible connections between a gambling suspect and major league umpires.

Authorities confirmed Friday they had found the names of 11 American and National League umpires in three personal address books seized by federal agents and police during a gambling raid Sept. 26.

The raid was carried out at the suburban Baltimore home of Albert C. Isella, a 57-year-old matter of at Sabatino's, a "Little Italy" restaurant that has attracted widespread attention because it is a favorite dining spot of Vice President Spiro T. Agnew.

Isella was released on his own recognizance to face charges of bookmaking, lottery, maintaining a gambling establishment and conspiracy.

The raid was one of a series arising from a joint federal-state local undercover probe of gambling and stolen goods fencing originating on The Block, Baltimore's striptease and peep-show row.

Smith reported that in each case the umpire's address was listed and that in two instances their telephone numbers were written in the books. Nothing "indicative" was found, he said.

The names of the umpires have not been revealed.

Bucks File Suit Against Atlanta

MILWAUKEE (AP) — The Milwaukee Bucks said Friday they have filed suit against the Atlanta Hawks in Atlanta Federal Court, seeking \$3 million in punitive damages and an injunction to prevent the Hawks from playing brilliant forward Julius Erving.

Erving signed a \$1 million contract with Atlanta last spring after jumping the American Basketball Association's Virginia Squires. The Hawks signed Erving before announcing it and before the Bucks chose him in the NBA draft.

Bennet Gridders Roll to Third Win

Bennet Junior High's football team won its third game of the season defeating East Catholic High freshman yesterday, 42-12.

Bennet showed a potent running attack scoring all six touchdowns on the ground. Benny Gridders, quarterback, scored the first two, one a keeper and one on a sneak up the middle from the five.

Fran Mollet tallied Bennet's third touchdowns on a 35-yard run. Demko hit Steve Pryor for the end zone with a pass for the conversion.

Demko scored again on another keeper as he rambled 43 yards to paydirt. Again he hit Pryor for the two point conversion.

Bennet's next score came when Fran Mollet returned a punt 61 yards for six points. The conversion attempt was no good.

Bennet's last score was a 30-yard run by Ken Henry. When Bennet tried for the conversion, he fumbled, by Tom Chisolm fell on the ball in the end zone for two points.

East Catholic scored twice in the fourth quarter on runs of five and 40 yards.

Bennet won the game but lost quarterback, Demko for the rest of the season because of a neck injury received in the third quarter.

The winners' defense was impressive. Outstanding were Steve Mason, Ken Norden, John Quinn and Ralph Baker.

Bennet's next game is Thursday against Glastonbury.

Celts Easy Winners But Braves on Spree

NEW YORK (AP) — The Boston Celtics won three quarters and they won the game, but the Buffalo Braves won the final period in record fashion.

The Celtics, 5-0 in the young National Basketball Association season, nearly ran the Braves off the court for three quarters, running up a lead of 43 points.

The Braves came back, however, in the fourth period to score 58 points and established a league record for points in a single period.

At the buzzer the Celtics were top 124 and all the Braves' shogun scoring had accomplished was to make the final score respectable.

Dave Cowens led the Celtics with 24 points and 15 rebounds while forward Paul Silas had 17 points and 17 rebounds for the Cavaliers.

Bob Dandridge led Milwaukee with 27 points and Dick Cunningham, substiting for ailing Kareem Abdul-Jabbar, hit a career-high 19. Oscar Robertson tallied 22 points for the Bucks while Vurtis Rowe had 21 for the Pistons.

Booster Club Membership Grows

Lloyd Odell reports the Manchester High Boosters Club now numbers 122 regular members and 10 charter memberships. Vern Cox, the ex-pro basketball star out with Hartford entries, and long-time cross country coach at Springfield College, reports Charlie Duggan is the best distance runner the college ever had. Duggan, a product of Loring Remington at Hartford Public, would be the man to watch in this year's Five Mile Road Race Thanksgiving morning. Duggan's the brightest young college cross country runner in New England. East Side Reunion tonight will honor Hip Correnti and Ed Savino, two fine athletes in their youth. Correnti, one of the most versatile athletes ever to come out of Manchester, for years ranked with the best duckpin bowlers in the country. He was also a better than average softball fast-pitch player, a fine tennis, baseball and basketball player and now a crack golfer and horseback rider. Savino starred in football as a rugged tackle. Chet Kosak, secretary of the Army & Navy Club Golf League points out that Wayne McKinney and Jim Woodcock are the league champions and will be feted at a forthcoming banquet. Defenseman Al Beaulieu has been named captain of the Springfield Kings in the American Hockey League.

Struggling Colts Move Against Jets

NEW YORK (AP) — John Sandusky couldn't have chosen a more opportune—or, perhaps, inopportune—time to make his debut as the head coach of Baltimore's staggering Colts.

The Bengals-Rams game features another battle of divisional leaders. Cincinnati, with a 41 mark, leads the American Conference's Central loop while Los Angeles, at 3-1-1, is atop the NFC West. And each squad is going for its third victory in a row.

The reawakening Bills, who shook up Oakland last Sunday before the Raiders came on to win with the Colts, will give Miami's Earl Morrill his first full game test. Morrill, who was so successful in taking over for Dan Marino when he was at Baltimore, hopes to have the same kind of success in place of Bob Griese, who may miss the rest of the season with a fractured leg and dislocated ankle. If Morrill can do the job, the unbeat Dolphins will extend their winning streak to six games.

The Packers is definitely back—and stop the NFC's Central Division. But to stay where they are, they'll have to knock off an Atlanta squad with the conference's No. 2 passer in Bob Berry and its No. 3 and 4 rushers in Art Malone and Dave Hampton.

The cellar of the AFC Central Division is at stake in Houston, where the Oilers hope to haul themselves even with Cleveland's slumping Browns.

The same goes for the NFC Central Division, where the Minnesota Vikings are in danger of falling into the basement. They just did manage to beat the Broncos a week ago while the Bears, scoring their first victory, did it handily against the Browns as Bobby Douglas passed 41 yards for one touchdown and ran 57 yards for the other one.

Penney High Turns Back High, 21-34

It was Manchester High's last regular scheduled cross country meet this season, but also it was the third consecutive time the opposition, Penney High, beat the school on the ball in the end zone for two points.

East Catholic scored twice in the fourth quarter on runs of five and 40 yards.

Bennet won the game but lost quarterback, Demko for the rest of the season because of a neck injury received in the third quarter.

Bennet's next game is Thursday against Glastonbury.

Stimac, Sullivan Victory Standouts

Sophomore goalie Ray Sullivan posted a fifth shutout of the season yesterday afternoon at Memorial Field as Manchester High's soccer squad defeated Hill High of West Hartford, 3-0. In O.C.I.L. competition, Manchester sports an 8-0-1 record. Hill is 6-4. Conrad High, the Tribes' only threat to take over first place, beat Platt to up its tally to 8-1-1.

"It was a very sloppy play game in which our defense seemed to be out to lunch most of the afternoon," stated Tribe Coach Dick Danielson. "Only an inept Hill team and a fine offensive display by Blaz Stimac enabled us to post a win so easily. On offense, Scott Wiggin, Stimac and Peter Casace powered occasional goals while not playing well for himself, Connie Murray played his position more than adequately for his opposition."

Stimac netted all three Manchester goals to raise his season total to 18, one shy of Roland Glat's 18-year record of 19.

The first Manchester goal came at 13:18 of the first period when Stimac took the ball away from the Hill goalie and booted it into the net.

Stimac took a beautiful lead pass from Wiggi to register the second goal. The third goal set up Stimac final period by

Cheney Booters Lose Rough Tilt

In a rough contest at Cheney Tech yesterday afternoon, Avon High won both the game and the consolation by a 5-1 score.

Mark Manville netted Tech's lone goal on a penalty kick in the fourth minute of the fourth period.

Avon's Skip Gerwin booted in two goals with Miller, Gronin, and Dwyer each adding one goal apiece. The winners' cupped their net to 6-2-1 while Cheney sports a 2-4 record.

Cheney goalie Steve Wekhoven was injured when an Avon forward crashed from play forward was ejected from play and Wekhoven was forced from action when his glasses broke. Once again Cheney played shorthanded due to players leaving the club.

Midget Lead To Patriots

The Manchester Midget Football League has a new leader today as the Patriots (4-0-1) won their fourth game of the year, 6-0 over a tough Giant (2-3) team last night at Mt. Nebo. The Giants are now tied for third place with the Eagles (2-3) who defeated the Jets (0-4-1), 24-15 in the second game of the twinnbill. The second place Chargers were idle.

The opener saw a great defensive battle between two hard-hitting clubs. Along with the hitting, the hand-defending could cause nervous fumbles in the 1st team fought up and down the field. Defensive standouts for the Patriots were Scott Linsinger, John Orrelli, John Makulis, Dan Hanson, Chris Godreau and Chris Everett. Performing well on defense for the Patriots were Tom Dumond, Bob Generia, Bob Swanson and Ken London.

The Patriots scored a defensive safety in the third quarter when B team player Dan Pagan, Jim Pleasant hit right side on 24 yards out. This score was set up by a blocked punt just before the Patriots attempted a field goal.

The second game looked like an Eagle runaway at the beginning of the game. The Patriots led the Jets 25-0 at the end of the first quarter.

On the third play from scrimmage after kickoff, halfback Mike Presti sped around his right end for 60 yards to score the Eagles first TD. The extra point attempt failed and the Jets controlled the ball for seven plays before giving it up on a fourth down. Presti scored again around the 10 yard line after being sprung by a fine block by Greg Flannery. An attempted drop kick by Presti was blocked by the Jets.

The Eagles B team came out in the second quarter and quarterback Joe Lovell and halfback Craig Matre, Craig Madsen and Durward Miller.

The Eagles took over on their own 21 and with some fine running by Dan Pagan, Jim Pleasant and a great reception of a Flegent pass by Rick Linnard, the Jets moved the one before Presti went up the middle for his third touchdown of the night. An attempted drop kick by Presti was blocked by the Jets.

Next week the Jets play the Giants in the first game and the Chargers return to action against the Eagles.

Southwest Conference Title Will Be on Line

By The Associated Press

It won't have quite the same effect on the national rankings as some of the recent shootouts, but tonight's nationally televised (ABC-TV, 9 p.m., EDT) game between No. 14 Texas and No. 17 Arkansas still will go a long way towards deciding the Southwest Conference championship and the SWC's representative in the Cotton Bowl.

"We've got an entirely different defensive problem this week; it's almost like we switched from slow pitch to hard pitch," says Darrell Royal, whose fired-up Texas defense limited Oklahoma's explosive Wildcat to 273 yards in last week's 27-0 loss and now is faced with rifle-armed Joe Ferguson, who prefers to do his Arkansas traveling through the air.

The only other night contest involving a member of The Associated Press Top Twenty finds seventh-ranked Louisiana State at home against Kentucky. In the afternoon, however, three sparkling matchups send top-ranked Southern California against No. 18 Washington at Los Angeles, runner-up Oklahoma against No. 9 Colorado at Boulder, Colo., and third-ranked Alabama against No. 10 Tennessee at Knoxville.

Elsewhere, fourth-ranked Ohio State hosts Indiana, No. 5 Nebraska visits Kansas, No. 6 Michigan is at Illinois and eighth-ranked Notre Dame enlists Missouri.

At Los Angeles, the two teams rated most likely to succeed in the preseason Pacific-8 polls face each other. A Southern Cal triumph would virtually eliminate Washington and keep the Trojans at the head of the standings.

Other games involving members of The Associated Press Top Ten find Syracuse at No. 12 Penn State, No. 13 Stanford at Oregon, Georgia Tech at No. 15 Auburn, Navy at No. 16 Air Force, No. 19 Arizona State at Brigham Young and Kansas State at No. 20 Iowa State.

The rest of the night schedule has Richmond at Furman, Houston at Miami of Florida, East Carolina at North Carolina State, Miami of Ohio at South Carolina, Drake at Tampa, Louisville at Wichita State, Texas Christian at Texas A&M, Texas-Arlington at New Mexico State, Bowling Green at San Diego State and New Mexico at Texas-El Paso.

It won't have quite the same effect on the national rankings as some of the recent shootouts, but tonight's nationally televised (ABC-TV, 9 p.m., EDT) game between No. 14 Texas and No. 17 Arkansas still will go a long way towards deciding the Southwest Conference championship and the SWC's representative in the Cotton Bowl.

"We've got an entirely different defensive problem this week; it's almost like we switched from slow pitch to hard pitch," says Darrell Royal, whose fired-up Texas defense limited Oklahoma's explosive Wildcat to 273 yards in last week's 27-0 loss and now is faced with rifle-armed Joe Ferguson, who prefers to do his Arkansas traveling through the air.

The only other night contest involving a member of The Associated Press Top Twenty finds seventh-ranked Louisiana State at home against Kentucky. In the afternoon, however, three sparkling matchups send top-ranked Southern California against No. 18 Washington at Los Angeles, runner-up Oklahoma against No. 9 Colorado at Boulder, Colo., and third-ranked Alabama against No. 10 Tennessee at Knoxville.

Elsewhere, fourth-ranked Ohio State hosts Indiana, No. 5 Nebraska visits Kansas, No. 6 Michigan is at Illinois and eighth-ranked Notre Dame enlists Missouri.

At Los Angeles, the two teams rated most likely to succeed in the preseason Pacific-8 polls face each other. A Southern Cal triumph would virtually eliminate Washington and keep the Trojans at the head of the standings.

Other games involving members of The Associated Press Top Ten find Syracuse at No. 12 Penn State, No. 13 Stanford at Oregon, Georgia Tech at No. 15 Auburn, Navy at No. 16 Air Force, No. 19 Arizona State at Brigham Young and Kansas State at No. 20 Iowa State.

The rest of the night schedule has Richmond at Furman, Houston at Miami of Florida, East Carolina at North Carolina State, Miami of Ohio at South Carolina, Drake at Tampa, Louisville at Wichita State, Texas Christian at Texas A&M, Texas-Arlington at New Mexico State, Bowling Green at San Diego State and New Mexico at Texas-El Paso.

Pollution Case Laxity Charged

HARTFORD (AP) — State Atty. Gen. Robert K. Killian was accused by a Republican legislator Friday of failing to prosecute polluters.

There are 80 water pollution cases "lying around" in the attorney general's office, some of them dating back to 1968, said Sen. George L. Gunther of Stratford.

"The attorney general allows some of these orders to sit for four years, dragging his feet, while he spends plenty of time running around making political speeches, running for his next office," said Gunther. He was apparently referring to Killian's unannounced availability for the Democratic nomination for governor in 1974.

Killian said he would have no comment on Gunther's statement until he had a chance to study the list of 80 cases provided by the senator from Stratford.

Ironsides' 175 Years Old Today

BOSTON (AP) — The USS Constitution, one of the first three warships authorized by Congress, and put together with bolts and spikes made by Paul Revere, celebrates her 175th birthday today.

Known as "Old Ironsides" since the War of 1812, the Constitution is still a commissioned ship-of-the-line and serves as the flagship of the commandant of the First Naval District.

She now is moored in Boston Harbor and is visited by some 700,000 tourists annually.

She is due to be in drydock for a year or two for a series of repairs. There is speculation the Constitution will travel down the East Coast in 1976 as part of the nation's 200th birthday celebration.

Public To Have Say On Burning of Leaves

Town Manager Robert Weiss wants to know how the public feels about the open burning of leaves in Manchester and, in order to be guided toward a decision, has scheduled a public hearing on the proposal. It will be Friday at 7:30 p.m. in the Municipal Building Hearing Room.

State Environmental Commissioner Dan Lufkin has given the towns and cities authority to lift the ban against the burning of leaves. "That decision," he said in an Oct. 12 letter to town officials, "should be a matter of local discretion."

A change in state policy on open burning, he explained this week, is a step away from bureaucracy and not a step backward in enforcement.

The state placed a ban on open burning on Nov. 2, 1968. The ban was strengthened June 1 of this year, when the state's clean air act went into effect.

Weiss, in scheduling the public hearing, said he has heard comment for and against lifting the ban. He said those persons wishing to comment but unable to attend the hearing may express their positions in letters to him.

Whatever the decision on open burning, the town will conduct its leaf-sweeping program as usual. The program will start Tuesday morning and, weather permitting, will continue until all streets are swept.

Law Analysis Proposed

HARTFORD (AP) — Sen. Lowell P. Weicker Jr., R-Conn., Friday called for legislation giving expert personnel and computers to congressional committees to aid in cost analysis.

"Every piece of major legislation that goes through Congress must be subjected to competent and thorough 'cost versus benefit' analysis," Weicker said at the University of Hartford's Tax Institute.

Schaffer Indicted In Murder

An indictment against Kenneth Schaffer on the charge of murder, was brought yesterday by an 18-member jury in Tolland County Superior Court.

The decision charges Schaffer with the murder of his wife. He has yet to make his plea, and stand trial if he pleads innocent.

The formal charge was announced after a hearing that lasted 8 hours over a period of two days which included the questioning, in Schaffer's presence, of an undisclosed number of witnesses.

When it recessed on Thursday at 5 p.m. there were still 12 persons to be questioned.

The body of Mildred Schaffer, 18, was found on Snipsic Lake Rd. in Ellington on July 4. Schaffer, 28, of 63 May St., Hartford, was arrested Aug. 25 and is being held under a \$125,000 bond. The case was continued to Nov. 22 for a plea, or, as is usually the case, the introduction of motions by his counsel, public defender Lawrence Klaczak.

Dobkin Lauds Revenue Share

Manchester GOP Chairman M. Adler Dobkin today applauded President Richard Nixon for signing the federal revenue-sharing bill — a measure which will bring about \$677,000 to Manchester.

"The bill," said Dobkin, "is in keeping with the Republican philosophy of allowing local communities as much control over their tax dollars as possible."

He said, "From my partisan position, it is gratifying to have the benefit of these funds, together with a state surplus brought about by Governor Meskill, and joined with a town surplus emanating from a Republican-instituted budget."

Dobkin concluded, "All our financial problems are not solved but, hopefully, an economic pattern is developing on the local, state and national levels that will be beneficial to all taxpayers in the future."

Hartford Man Dies In Crash

Dennis J. Dumas, 32, of Hartford, was killed early today when the car he was riding in struck a tractor-trailer truck on Interstate 86 at Tolland, State Police reported.

Dumas was pronounced dead at the accident scene by Dr. Francis Burke, Tolland County medical examiner.

Dumas was a passenger in a car driven by Reynold Desjardins, 37, of Plainville. The car, police said, struck the rear of a tractor-trailer truck at about 12:10 a.m. Both vehicles were westbound on I-86.

Desjardins suffered head and chest injuries, and was listed in "fair" condition at Rockville General Hospital this morning.

The truck driver, Edward J. McManus, 42, of West Sutton, Mass., was not injured, police said.

Milko Sparembek (center) is both performer and choreographer for a French production of the ballet "Phedre," Thursday at 9.

INTERNATIONAL PERFORMANCE

"INTERNATIONAL PERFORMANCE is a magnificent, wide-ranging collection. Some of the world's most entertaining and exciting shows — that's what they are really, shows. This is the first time I can recall that Americans will be able to see such quality each week on television.

"These are the kinds of productions that can make People who say, 'I don't like ballet,' begin to like ballet ... or opera ... or concerts. And at the same time please the people who are already fans, with a top-quality performance.

"One of the many things that impressed me about this series was the color. Not only the reds and greens and blues, but, more importantly, the color of the performances ... their electricity.

"And you can tell they were done especially for television. You don't just sit in the balcony and watch a ballet dancer. The camera takes you right up on stage. You see close-ups. The players' faces, emotions. The leading male dancer in 'Phedre' took acting lessons for a year just to prepare for his role.

The INTERNATIONAL PERFORMANCE cameras also take you on location. 'Salome' (the drama set to music and dance) gets much of its bizarre atmosphere from its barren location in Spain. 'The Splendors of Versailles' gives you a complete musical walking tour of the Palace of Versailles and its gardens.

"Each of these productions has something unique. From Tchaikovsky's little known 'unfinished' symphony to Offenbach's light opera 'Orpheus in Hell,' which featured the first can-can music.

"Maybe if I had that sweet, innocent look that's so in vogue," she says, "I'd get the parts I'd really like to do. As it is, nobody ever sees me as the girl next door. Nipsey Russell Is Kept Busy By His Friends

If Nipsey Russell had any more friends, he would never get a vacation.

Back in the '60s, Nipsey, who had been on the nightclub circuit for ten years, received a call from longtime buddy Sammy Davis Jr. to emcee a benefit at Carnegie Hall. Nipsey accepted, was an outstanding success, and was brought to the attention of top producers, agents, and others. Offers poured in for months.

Another friend, Orson Bean, asked Nipsey to be his guest on the "Tonight Show," which he was hosting for vacationing Jack Paar. It was another smash and led to numerous other guest appearances.

Nipsey now appears as a regular on NBC's "Dean Martin Show," Thursdays at 10 p.m.

NEW THEME

After 20 years, NBC's "Today" program has taken on a new musical theme. The song is called, appropriately, "This Is Today." Ray Ellis was composer and arranger.

The previous theme song, "Today," served the program from its debut Jan. 14, 1952, until Sept. 1, 1972.

THURSDAY, OCTOBER 26

William Shatner guest-stars in ABC's "Owen Marshall, Counselor at Law," Thursday, Oct. 26, at 10 p.m.

Arkin in Drama

Alan Arkin has joined the all-star cast of "The Trouble With People," an original comedy written for TV by playwright Neil Simon. It will be presented as a "Bell System Family Theatre" special on NBC during the 1972-1973 season.
