Paul J. Anderson (Continued from Page One)

Commenting on the coalition of the three sponsoring organizations, she said, "Pollution makes strange bedfellows."

State Comptroller Nathan Agostinelli, who was moderator for the forum, said that when the proposal for purchasing Laurel Lake was made in 1967, he was a graduate of South Manchester High School and a 1929 graduate of Tufts College.

Before he retired in 1962, he was employed as an insurance underwriter at the Aetna Life and Casualty Co., Hartford.

He was a member of Emanuel Lutheran Church and served for 12 years on the church council. He was financial secretary and was a member of the church's Old Guard Club.

He also belonged to Manchester Lodge of Masons, Knights of Pythias, the Connecticut Tufts Club and the Farmington Historical Society. Survivors are his wife, Mrs. Johanna Simons Anderson; and his daughter, Mrs. C. Alan Anderson of Quincy, Mass.

Funeral services will be held at 1:30 p.m. at Emanuel Lutheran Church. The Rev. C. Henry Anderson will officiate. Burial will be in East Cemetery.

Friends may call at the Watkins Funeral Home, 142 E. Center St., until 7 p.m. The family suggests that any memorial contributions may be made to the Memorial Fund of Emanuel Lutheran Church.

Charles Kurke and Dr. David R. Miller.

At 83 per solid waste ton and at a saving of \$300,000 a year when compared to other towns and other methods, makes sense. Kurke said he would like to see the purchase and improvements. # Annual Moose-Car Duels Start

ANCHORAGE, Alaska (AP) — The moose are starting to wander into the streets and gardens of Anchorage as they usually do every winter, and this city of 150,000 again is taking on the appearance of a zoo.

The big beasts, weighing up to nearly a ton, are simply hungry. The open spaces in and around Anchorage have an abundant supply of the food moose like best — such as willow and birch scrub.

Residents of Anchorage are used to the annual visit of some 800 to 1,200 moose, but they've learned to avoid being bludgeoned by them.

"My daughter demolished a four-door sedan," one city official explained. "The hit a moose who kicked the car to pieces trying to get off the hood."

To help out the moose-automobile duel, the state schedules special off-season hunts in urban and highway areas, and a special bow and arrow hunt at Anchorage International Airport was started three years ago to head off airplane-moose collisions.

Game Biologist Carl Schneider said the main fear is that a moose may cross a last strip while a plane is landing or taking off.

"There have been accidents of this type in the past," he said.

In about a month, the snow will melt some and the moose can find their natural food supplies out where they belong.

# April 1 Deadline Set On Consultant Funds

DOUG BEVINS (Herald Reporter)

April 1 has been set as the deadline for obtaining a financial commitment from Manchester's downtown interests for the hiring of a planning consultant.

The deadline was set this morning by William Sleith, chairman of the Mayor's Downtown Action Committee. Sleith key to revitalization of the downtown area is participation of downtown people, and he suggested that downtown merchants and property owners be assessed for their share of the consultant's one-year \$20,000 fee.

Robert Weirberg, who heads the committee's ways and means subcommittee, said he has met with downtown bankers, who have indicated they will contribute \$5,000 for the consultant. Weirberg said a letter, formally requesting contributions, will be sent to them.

Weirberg favored a voluntary method of "publicized contributions," opposing Sleith's suggestion to assess downtown merchants and property owners on a front-footage or square-footage basis.

A newly created Central Town Development Council of the Greater Manchester Chamber of Commerce will be set up to assist in fund-raising. Weirberg said. Weirberg is chairman of that council, which was scheduled to hold its first meeting this afternoon.

"We intend to get the ball rolling immediately," Weirberg stated. Weirberg said that action by the Board of Directors was taken by the Board of Directors by May 7 and to be in effect July 1.

Based on this year's 45.66 mills General Fund tax rate, the 4 per cent increase would produce about \$487,915 in additional taxes to the town. Based on this year's \$3.06 mills Fire District tax rate, it would produce about \$40,000 in additional taxes to the town.

Property owners in the 8th District pay town taxes to the basis for Manchester's 1973-74 budget and tax levy, to be adopted by the Board of Directors by May 7 and to be in effect July 1.

General Fund only. They pay fire protection taxes to the District Fire Department.

The \$29,943,022 net taxable Grand List, computed at 65 per cent of market value, consists of \$21,123,338 for real estate, \$13,092,107 for personal property, and \$5,727,576 for motor vehicles.

The \$254,055 sliced from the gross figure announced Jan. 31 consists of \$117,940 from real estate, \$29,150 from personal property, and \$106,965 from motor vehicles. The cut in the motor vehicle figure was based on a corrected list from the Motor Vehicle Department.

The corrected list was minus the names removed for those who had moved from Manchester and from the state.

The assessor's office said a breakdown of the assessments (number of dwellings, motor vehicles, lots, commercial buildings, etc.) is being compiled on computers and will be released at a later date.

# Police Report

Donald J. Alexander, 17, of 106 Woodbridge St., surrendered himself to police Wednesday. He is charged on a Circuit Court 12 arrest warrant with third-degree criminal mischief in connection with damage done recently to the door of the Community Y.

He was released on a written promise to appear. Court date is March 19.

Other arrests on warrants issued by the 12th Circuit Court made by Manchester police Wednesday included:

\*Thomas C. Luzzi, 31, of Pawcatuck, taken into custody and charged with non-support. He was held in lieu of \$1,000 bond and was to be presented in court today.

\*Gary R. Huckins, 21, of 8 Neill Rd., Vernon, charged with third-degree burglary in connection with a recent domestic disturbance at a Manchester home. He was released on his written promise to appear in court March 12.

\*Harry Jenkins, 32, of Bloomfield, was charged early this morning on Center St. with speeding. Court date is March 19.

\*Francis E. Brogie, 38, of 34 Nike Circle, was charged Wednesday on S. Lakewood Circle with operating a motor vehicle while his license was under suspension. Court date is March 19.

\*Ariene D. Valle, 40, of 76 North St. was charged Wednesday with failure to maintain a reasonable distance apart. The charge stems from a two-car accident on N. Main St. in which minor injuries were reported. Court date is March 19.

**English Strikes** — LONDON (AP) — Hospitals became the latest victim today of a British labor union strike campaign against the government's wage controls. Thousands of patients were sent home and many hospitals accepted emergency cases only.

"This will cause patients a lot of extra suffering," said one hospital chief of the walkout and go-home protest by nonmedical hospital staff.

**Awarded Contract** — WASHINGTON (AP) — The Navy announced Wednesday the awarding of a \$1.4 million contract to the Sikorsky Division of United Aircraft Corp. for modification of SH-3 helicopters.

An EPA report said: "Every test on each (Mazda) vehicle was below the levels required for 1973."

It said a Mazda Sports coupe driven 50,000 miles averaged about one-third the maximum allowable emissions of hydrocarbons and carbon monoxide and one-third the allowable level for oxides of nitrogen.

U.S. automakers have asked the courts for a one-year delay in imposition of the standards, claiming it is not technologically possible to meet them.

**Four For One** — SERULIE, Botswana (AP) — Galeswathwe Moset, 50, was convicted Wednesday of stealing a sacred cow. The court ordered him to deliver four head of cattle to the president of Botswana, Sir Seretse Khama, for taking one of his herd.

# Manchester Net Grand List Is \$266.9 Million

SOL R. COHEN (Herald Reporter)

Manchester's net taxable Grand List, based on Oct. 1, 1972 valuations and after adjustments by the Board of Tax Review and the Motor Vehicle Department, is \$266,943,022. It is a drop of \$254,055 below the gross figures released Jan. 31.

The net Grand List is \$10,082,533 or just short of 4 per cent above the one for the previous year. The Grand List is the basis for Manchester's 1973-74 budget and tax levy, to be adopted by the Board of Directors by May 7 and to be in effect July 1.

Based on this year's 45.66 mills General Fund tax rate, the 4 per cent increase would produce about \$487,915 in additional taxes to the town. Based on this year's \$3.06 mills Fire District tax rate, it would produce about \$40,000 in additional taxes to the town.

# Hospital Reports Big Loss

NEWINGTON (AP) — Newington Children's Hospital had an operating loss of \$2,137,180 during the past fiscal year, hospital administrator Roderick A. Gettel reported Wednesday.

His report said that the net loss to \$628,064.

The hospital is looking toward a rate increase from \$70 per day to \$74.50 a day, Gettel said, adding that the proposed increase, along with other charges, will mean a 5.2 per cent hike in annual combined revenue.

**Harried By Herring** — BRISTOL, England (AP) — A shoal of herring blocked a road into Bristol today, causing a traffic jam.

More than a ton of the fish splattered off the back of a truck and scattered along with other road. Long lines of cars built up while the catch was re-caught.

# Rotary-Engine Car Passes Test

WASHINGTON (AP) — The Environmental Protection Agency today said that Mazda, the only rotary-engine car sold in the United States, appears to have successfully demonstrated the ability to meet 1975 air-pollution standards.

An EPA report said: "Every test on each (Mazda) vehicle was below the levels required for 1975."

It said a Mazda Sports coupe driven 50,000 miles averaged about one-third the maximum allowable emissions of hydrocarbons and carbon monoxide and one-third the allowable level for oxides of nitrogen.

# In 'New Town' Controversy Coventry Town Council Adopts Neutral Stand

HOLLY GANTNER (Herald Reporter)

Greater Hartford Process-DevCo will be treated just like any developer, regarding its proposal for a planned new community in Coventry's northwest corner, according to a statement read last night by Town Council Chairman Albert Bradley, on behalf of the entire council.

He also noted the importance of both the council and the PZC maintaining positions of neutrality concerning the Process proposal.

Bradley read the statement at the quarterly meeting held at the town hall, at which members of various local boards and commissions were present for a briefing session.

Bradley said that the Town Council feels that it is most important that the citizens of Coventry be advised of the town's position with respect to the Process proposal.

Upon identification of the Process role in the land acquisition in Coventry, the council set out to determine what specific plans Process had with respect to the development of its land. Process spoke to the council and the Planning and Zoning Commission, and in a very general manner, defined his plan.

"At Process' request," Bradley continued, "its representatives have met with the Assessor's office and the Board of Tax Review and the Motor Vehicle Department to determine what specific plans Process had with respect to the development of its land. Process spoke to the council and the Planning and Zoning Commission, and in a very general manner, defined his plan.

"Further," Bradley concluded, in order to maintain objectivity, the Town Council will not accept appointments to the Process board of directors."

The council last night also received letters from several agencies which had, at the council's request, offered "input" to the council regarding the Process proposal. The agencies were the Red Cross and United Fund drives and a United Fund director, the grantee of St. James and over possible adverse effects of the new community.

# Guerrillas Hold Diplomats Hostage

BEIRUT, Lebanon (AP) — The Middle East News Agency said today the Sudanese government has agreed to provide a plane to Arab guerrillas and their hostages to the United States from Khartoum.

The Egyptian agency said in its dispatch from Khartoum that the guerrillas, holding the U.S. ambassador and four other diplomats, also demanded that the Cabinet go with them on the flight to the United States. This was not done, the agency reported.

The dispatch was filed about an hour after the deadline set by the guerrillas, members of the Palestinian Black September organization, for the execution of their hostages if their demands were not met.

There was no immediate explanation why the guerrillas wanted to come to the United States.

A band of Black September terrorists stormed the Saudi Embassy during a reception Thursday night for the departing U.S. charge d'affaires, G. Curtis Moore.

The guerrillas held Moore, U.S. Ambassador Cleo A. Noel Jr., Jordanian charge d'affaires Nasser, Belgian charge d'affaires Guy Eid and the Saudi ambassador Guy Eid and his wife and children in the embassy after they released the woman and children.

American sources said Ambassador Noel was shot in the ankle during the takeover and wounded superficially, and the Belgian ambassador a bullet wound in the leg. They said doctors were allowed to attend them and a wounded night watchman.

Sudanese government representatives were moving into the embassy this morning to negotiate with the guerrillas and report all five hostages "in good health." They said, however, that the guerrillas had planned to release some of the hostages.

The guerrillas at first demanded the release of Sirhan Sirhan, the Jordanian immigrant to the United States serving a life term in California for assassinating Sen. Robert Kennedy.

—Palestinian leader Abu Doud and 16 colleagues held in Jordan, Abu Doud is said to be a member of the high command of Al Fatah, the largest Palestinian organization.

—Col. Rafael Hindawi, accused of masterminding a plot against King Hussein of Jordan last year, and a Palestinian named Mahmood al Khalili.

—All military and women prisoners in Jordan.

—All Palestinian women held in Israeli prisons.

—Members of the Baader-Meinhof Gang of anarchists in West Germany.

—Today, however, the guerrillas were concentrating on the release of Daoud and wife and conducting themselves to Algeria or Libya, probably with the hostages.

# Indians Continue Holdout

WOUNDED KNEE, S.D. (AP) — Sen. George S. McGovern said early today that he hoped to release 108 POWs to be released Monday, according to the new North Vietnamese list of prisoners.

The senators said the guerrillas, holding the U.S. ambassador and four other diplomats, also demanded that the Cabinet go with them on the flight to the United States. This was not done, the agency reported.

# Weiss Offers \$10.9 Million School Budget

General Manager Robert B. Weiss will present to the Board of Directors, for its consideration, a total Board of Education budget of \$10,977,400.

The decision was reached after last night's first discussion of the two boards. A second hearing is scheduled for March 14 at 8 p.m. in the Municipal Building Hearing Room.

The recommended manager's figure is \$483,091 less than the \$11,460,491 budget for 1973-74 adopted by the Board of Education, which was a 10.5 per cent increase of \$1,080,491 over its \$10,380,000 budget for the current year.

In the announcement of his decision to Atty. Allan Thomas, Board of Education chairman; and Dr. James P. Kennedy, superintendent of schools, Weiss said that his recommended budget "represents approximately a 10 per cent increase in the current year or 86 per cent of your initial request. In terms of pupil services, it represents approximately a 11 per cent increase in cost." Weiss confirmed that the last compilation is based upon the declining school enrollment in recent years.

In making his recommendation, Weiss commented that the Board of Directors "has pretty strong feelings about holding the budget and maintaining the tax level." The remarks of both Board of Education members and Mayor John Thompson last night, indicated their awareness, at this date, that no towns had said they would withdraw if the district voted to impose the surcharge.

In a related matter, the transit district reported current operating funds of \$8,300 and monthly expenses of about \$3,000. At that rate, it was estimated the district would run out of money by mid-May because its power to assess member towns for administrative and operating costs was taken away last month by the same bill which enabled the district to impose the one-cent per gallon gas surcharge.

NEWSPAPERS — a division of Scripps League Newspapers, Inc. 1942 graduate of American High School, Ferguson served with the U. S. Army Air Force from 1945 to 1949. He received his B.A. with a major in English, from Trinity College in 1941 and won the Rud Compton Tuttle Prize in English.

When he was named a director of the Manchester Sesquicentennial Trust Co. in 1952, he was the youngest bank director in the state. After it was absorbed by the Connecticut Bank and Trust Co., he became a member of the latter's Manchester branch advisory board.

Ferguson is also a member of the Manchester advisory board of the Hartford Electric Light Co., Manchester Memorial Hospital board of trustees, Connecticut Institute for the Blind board of incorporators, past chairman of the Connecticut Traffic Safety Committee, and past president of the Ellington Riding Country Club.

His fraternal and civic activities include membership in Manchester and Friendship Lodges of Masons; Scottish Rites Bodies; Norwich Consistory; York Rites; Bodies of Manchester and Ellington-Rockville; Washington Commandery; Knights Templar; Sphinx Temple of Shriners; University Club of Hartford; charter member of Manchester Lodge of Elks; past master councilor of John Mather Chapter, Order of DeMolay.

# Busing Ball Bounced Back To Assembly

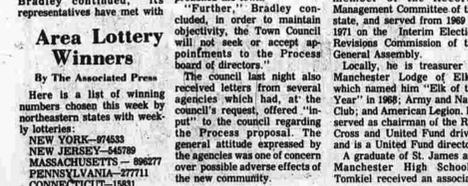

WETHERSFIELD (AP) — The Greater Hartford Transit District, in an action that could lead to a lengthy continuation of the 98-day-old Connecticut Co. bus strike, Thursday night voted unanimously to reject the law which allows district towns to impose an extra penny per gallon tax on gasoline.

The district instead said it would go to the General Assembly today to urge amending the law so the transit district could skim off one penny of the current 10 cents per gallon state tax for bus service.

That proposal has been widely criticized in the state House of Representatives and was given little chance of passing.

The rejection of the added penny per gallon tax, however, was expected to at least keep the nine-member transit district together since several towns had said they would withdraw if the district voted to impose the surcharge.

In a related matter, the transit district reported current operating funds of \$8,300 and monthly expenses of about \$3,000. At that rate, it was estimated the district would run out of money by mid-May because its power to assess member towns for administrative and operating costs was taken away last month by the same bill which enabled the district to impose the one-cent per gallon gas surcharge.

## Down Market Up

In slang parlance, a feather merchant is a loafer or one who engages in an enterprise which reaps a maximum of profit with a minimum of effort.

But there are real feather merchants, and if we are to believe the Wall Street Journal, being a feather merchant these days is no feathered.

It seems that we Americans in our devotion to the great outdoors, all want sleeping bags and parkas insulated with goose down thus creating a demand which can't be filled domestically and we are therefore contributing to the American balance of payments deficits abroad.

Down, for the uninitiated, is that fuzzy stuff grandma preferred for pillows and pre-electric era blankets, which is obtained from the underside of the goose.

According to the Journal, it takes about 3.5 geese to produce a pound of down and there is a world shortage of geese. Duck down, we are told is inferior, so there is no chance of a "shooting ducks in a rain barrel" solution.

And Americans being "organic" bugs apparently aren't willing to settle for synthetic substitutes which are available.

Now you may think this down shortage is a spoof but don't you believe it. The Defense Department, perhaps with an eye to some future

polar police action, has declared it a strategic material and has 930,000 pounds of feathers and 1.8 million pounds of down.

It was the Army's experience with down that sparked the interest of mountain climbers in down parkas and sleeping bags and eventually the public.

Now comes dollar devaluation to up the down price in foreign markets. This is compounded further by some reports of adulterated down. What with the down price up to \$10.50 a pound a little added dirt is not dirt cheap.

But the real culprit is not the buyers of down for parkas and sleeping bags, nor the Defense Department's big stockpile, nor foreign producers responding to the laws of supply and demand.

The real culprits are those of us who can take our goose or leave it and mostly prefer to leave it in favor of chicken, turkey, Cornish game hens and Long Island duckling.

You see you can't shear geese for down like you can clip sheep for wool. Since down is a byproduct of geese growing, the number of geese eggs run through the brooder is dictated by the number of geese Americans will buy to grace the Sunday dinner table.

Obviously, the situation calls for drastic action. If we are to bring down down it is time to start cooking down's goose. If that is too draconian, don't squawk about Dacronian parkas and sleeping bags.

## Today in History

By The Associated Press  
Today is Friday, March 2, the 61st day of 1973. There are 304 days left in the year.  
Today's highlight in history: On this date in 1836, Texas proclaimed independence from Mexico.  
On this date — In 1865, Sir Francis Drake left Britain for the West Indies as a privateer.  
In 1775, colonists in Providence, R.I., publicly burned 300 pounds of British documents and tea.  
In 1776, American marines fought their first battle, capturing a British fort in the Bahamas.

## Make Our Dollars Go No Farther

Mr. Nixon has once again devalued the dollar in order once again to discourage otherwise-loyal Americans from buying imported cars or traveling abroad. Once again they must work.

The trouble is that status-conscious Americans — from the Volkswagen wooler-tweeter to the middle-aged poppinjays in their Triumph Stags — wouldn't be caught dead in a collision in anything but an imported car.

And if traveling abroad hasn't yet discouraged Americans from traveling abroad, nothing will. The only thing that's going to work is my Uncle Manny's plan.

"The first thing we got to do," says Uncle Manny, "is start building imported cars in Detroit. God forbid we shouldn't provide more jobs for American working men."

When it comes to the more difficult problem of travel abroad, Uncle Manny raises a triumphant finger heavenward: "Walt Disney may rest in peace, showed the way!"

The heart of Uncle Manny's plan is the construction around the country of various Franceland, Italylands, Mexicolands (where you can drink the water) and so forth.

This insures that the tourist arrives in Barbank's Franceland property sleepless, agitated and not knowing what time it is.

He is met there by the irritable Customs Guards who demand to paw through every one of his bags. That's when he scores his first triumph. For the air line's lost his bags.

Indeed, even as a "neutral" site for the peace negotiations, France could not, or would not, suppress its bias. Anti-American and pro-Communist demonstrations went unchallenged almost daily by French police, who are infamous for their brutal treatment of protesting groups. In effect, official France was saying it endorsed the demonstrators' show of sympathy for the Communist side.

Faugh! I'll be delighted if the record eventually shows that France played a vital role in the peace negotiations. But after listening for years to official French attacks on the American presence in Vietnam, it might be timely to recall that it was from being the sainted "neutrals" they now label themselves, they were in fact demonstrably pro-Communist.

Even some of Mrs. Gandhi's most delirious fans by now must have doubts about her credentials as a dove. After all, it was she who sent the Indian armed forces into East Pakistan to fight a brief but bloody war which ended in the creation of the state of Bangladesh. True, the Bengalis

were miserable under Pakistan rule, but India's motives were cynical; Bangladesh is little more than an Indian colony today.

It also comes with ill grace for Mrs. Gandhi to speak about the American presence in Vietnam. Mrs. Gandhi asked in a speech the other day, "I cannot help feeling that the very manner of ending the Vietnam War may create new tensions. The cease-fire should not lure us into comfort that there will be peace all the way."

Well, now. Perhaps a lasting peace is impossible, given the hostilities that have divided the two Vietnams for so long. But I question Mrs. Gandhi's judgment in not only writing off the cease-fire, but suggesting that it is an unwholesome thing that "may create new tensions." Surely, we might have expected better from a lady with Mrs. Gandhi's peaceful pretensions. Like so much of us around the world, she at least could have expressed hope that real peace would break out.

## Columbia Festival of India To Be Held

VIRGINIA CARLSON Correspondent

An India Festival also known as a Mela, will be held March 6 at 6:30 p.m. in the Congregational Church parish house.

The cost is \$1 for adults and 50 cents for children under 12. Reservations should be made by March 4 with either Mrs. Mary Evans of Rt. 87 or Mrs. Mary Fletcher, Lake Rd.

After the dinner there will be a sturmiestory for children along with games, singing and possibly an Indian Dance.

Food, books and articles made by Serve people will be sold. Proceeds from the food sale will be sent to India by special medicine for children.

The serve articles on display have been made by Indian refugees. The purchase of the "inexpensive and unique" items will help them to be self-supporting.

Indian art objects also will be on display. Anyone who has articles which could be used for exhibit should contact Mrs. Arlene Bell of Hennequin Rd.

Anyone who has recordings of Indian music may contact Mrs. Ethel Allen of Rt. 87. The public is invited to attend.

Eagle Scout  
Guy Beck Jr., is the 20th boy in town to receive the rank of Eagle Scout.

He received it this week at a Troop 72 court of honor at Yeomans Hall.

The first Boy Scout troop was formed here in 1931, but disbanded after a few years.

A new troop was organized in 1940 with Regional Lewis as the first scoutmaster.

When the troop was formed it consisted of four boys. The late Joseph Tashlik, a scout committee member, bought uniforms for the boys, Guy Beck Sr.

Past scoutmasters include George Yule, Joseph Taggart, Malcolm Stannard, Steve Fillmore, Lucius Robinson Jr. and Dr. Charles O'Connell after Beck Sr.

Beck Sr. is now scoutmaster, having returned to the troop after being one of its first members and a former scoutmaster.

In 1947 when an airplane crashed into Columbia Lake, Beck Sr. jumped from a boat he was in and rescued one man, for which he received a gold medal.

## Vernon Police

VERNON Correspondent

John F. Bronson, 21, of 178 Terrace Dr., Rockville, was charged Thursday night with having a red light on the dashboard of his car, Vernon Police reported.

Bronson was issued a summons at the scene of a house fire on Village St. in Rockville, police said.

Rockville Police Chief Donald Magada said Bronson was not a Rockville fireman.

Court date is March 20 at Rockville.

Other Vernon Police arrests on summonses: Gerald L. Buck, 26, of 38 Village St., Rockville, charged Thursday with non-support on a Circuit Court 13 warrant. He was turned over to Windsor Police, who held the warrant.

Barbara L. Small, 47, of 24 Grove St., Rockville, charged today with driving the wrong way on a one-way street (Ward St. in Rockville). Court date is March 20.

Discharged Thursday: Marjorie Boor, Snipac St., Rockville; Raymond Dana, Abbott Rd., Ellington; Edward Sherrill, Tolland; Leona DeBorow, Ellington; Beverly Sitk, Mohawk Trail, Coventry; Ralph Breneman, Snipac Village, Ellington; James Hayden, Sads Mill Rd., Ellington; Caroline Hargraves, Broad Brook; Nellie Hargraves, Lamo Lane, Ellington; James Lamo, Richard Rd., Vernon; Dorothy Andrews and son, Rye St., South Windsor.

## Sex Education Program To Be Held at Church

A two-hour "Sex Education Program for 7th and 8th Graders and Their Parents" will be presented Monday from 7:15 to 9:15 p.m. at the First Congregational Church of Vernon.

The program, sponsored by the church's board of Christian Education, will include separate films for boys, "Boy to Man," and for girls, "Girl to Woman."

Separate discussions will be led by Dr. Lyman Fogg and Dr. Charles O'Connell after the films.

Later, the Rev. Mrs. Betsy Reed of the Tolland Union Church of Christ will lead a discussion on religious and ethical viewpoints.

At the same time, Mrs. Carol Woodbury and Donald Thibault, teachers at the Vernon Middle School, will be attached by a corridor of some sort. The plans also call for a science addition as a second story on part of the existing building and an industrial arts addition for a total of 49 additional teaching stations.

Two other expansion proposals were defeated in 1972. Even though the board held many public meetings to explain these defeated plans, attendance at these meetings was sparse. The board hopes more interest will be shown this time.

## Rockville Hospital Notes

# Grand List Up \$1,439,589

ANNE EMT Correspondent

Hebron's 1973 gross Grand List, filed by assessor Harold Maddocks, totals \$18,298,570 for a \$1,439,589 increase over last year.

This represents almost an 8 per cent increase over 1971 and is the ninth consecutive year of increase for the town.

During the year, the number of dwellings, with an assessed value of \$10,877,585, increased from 1,191 to 1,235, representing an increase of \$1,181,894 in the Grand List.

Registered motor vehicles, assessed this year at \$2,149,000, increased from 2,685 last year to 2,944 this year, for an increase of \$14,800.

Assessed value on acreage this year is \$1,238,010 which is \$2,650 less than last year. Total acreage also decreased this year to 18,513 as opposed to 18,867.74 last year.

Also included on the list are 39 commercial buildings as opposed to 68 in 1971. This represents an assessed value of

\$84,290 less than last year when the total value was \$774,970. Lots assessed this year totaled \$1,916 at \$1,842,440 as opposed to 1,869 last year for an assessment of \$1,736,960. And 229 outbuildings were assessed at \$282,225 compared to 972 last year at \$581,000.

The number of manufacturing increased to two, assessed at \$2,040, as compared to one last year assessed at \$29,250.

Assessments for the elderly on dwellings, outbuildings and lots increased this year from \$200,880 to \$257,850 as did the exemptions for the elderly.

Exemptions for the elderly in 1971 amounted to \$31,630 and this year they totaled \$39,760. Veterans exemptions also increased this year to \$489,630 from \$428,250.

Deducting total exemptions for the elderly and veterans, the net Grand List for the town for 1972 amounts to \$17,869,180.

Tax Review  
In releasing the figures, Maddocks stressed that they are subject to revision by the Board of Tax Review after its meetings this month, the dates of which will be announced shortly.

He urges residents to ascertain their assessments immediately since any questions or complaints must be brought before the board while it is in session.

At these sessions, residents may file signed and sworn complaints against assessments made by the tax assessor.

Republican Women  
Due to the meeting scheduled by the Regional District 8 Board of Education for Monday evening on the overcrowdedness problem at Rham High School, the Republican Women's Club has postponed its monthly meetings until the following week, March 12.

## Democrats Back Gagne For Office

ANNE EMT Correspondent

The Democratic Town Committee earlier this week endorsed Louise Gagne for the position of tax collector in the upcoming May elections.

No endorsement was made for this position at the party's caucus held on the 16th of this month.

The committee also unanimously elected Mrs. Gagne as its secretary to replace Mrs. Jane Carberg who resigned.

A campaign committee, composed of Thomas Anderson, Andrew Gasper, Mary Keenan and Betty Kowalski, was formed.

Lent begins with Ash Wednesday March 7.

Lent, the archbishop said, is a "special time for repentance and penance for a change of heart and for self-discipline through prayer and self-denial."

"Repentance and penance are needed especially now," he said.

"Our country is hopefully getting ready for peace and yet we are sharpening knives, preparing suction tubes, readying chemical weapons to destroy legally the lives of innocent, defenseless, unborn children of God," he said.

Pre-registration is required and may be made by contacting the office of the First Congregational Church by noon Monday. There is no fee for the program.

At the same time, Mrs. Carol Woodbury and Donald Thibault, teachers at the Vernon Middle School, will be attached by a corridor of some sort. The plans also call for a science addition as a second story on part of the existing building and an industrial arts addition for a total of 49 additional teaching stations.

Two other expansion proposals were defeated in 1972. Even though the board held many public meetings to explain these defeated plans, attendance at these meetings was sparse. The board hopes more interest will be shown this time.

### UofM Professor

The University of Massachusetts has announced the promotion of Robert E. McIntosh Jr., son of Mr. and Mrs. Robert E. McIntosh, 28 Harvard Rd., Manchester, to the rank of professor.

McIntosh, a 1958 graduate of Manchester High School, received his BS degree from Worcester Polytechnic Institute in electrical engineering in 1962, an SM degree in applied physics from Harvard University in 1964, and a Ph.D. degree from the University of Iowa in 1967. His Ph.D. thesis was in the area of nonlinear behavior of plasmas.

Professor McIntosh was a member of the technical staff at Bell Telephone Laboratories, in North Andover, Mass., from 1962 until 1965, where he worked in a microwave networks group. In 1967 he joined the department of electrical and computer engineering at the University of Massachusetts as an assistant professor and was promoted to the rank of associate professor in 1970. He will probably spend his sabbatical next year at the Royale Institute Militaire in Belgium studying electromagnetic wave propagation of randomly ionized media.

### Nixon Under Pressure To Control Food Prices

By DON KENDALL, AP Farm Writer  
WASHINGTON (AP) — The abrupt food-price increase on record is stirring pressure for President Nixon to slap controls on daily bread, bacon and beefsteak.

But the administration says the solution to the crunch that saw a 2.5-per-cent jump in supermarket prices in January is for farmers to raise bigger crops for fattening more cattle, hogs and chickens.

Agriculture Secretary Earl L. Butts, an opponent of freezing food prices, wants idled land put back to work and farmers to rely more on cash prices and less on government subsidies.

Crop-acreage controls have been eased so that 40 million acres farmers idled last year in return for government subsidies can be planted in 1973.

### Cabinet Status Asked For Education

WASHINGTON (AP) — Sen. Abraham Ribicoff, D-Conn., Thursday proposed a cabinet-level department of education to coordinate all federal education programs.

The bill, Ribicoff said, "consolidated responsibility for education at the federal level and affords an opportunity for the first time to properly order, analyze and carry out federal policy for education in this nation."

Right now, having a Nixon decision to freeze food prices, consumers can only wait and see what happens after farmers take to the fields this year.

### POWs Mostly Officers

WASHINGTON (AP) — The vast majority of returning American prisoners of war are officers, not enlisted men, because most of them are aviators commissioned for their military jobs.

That is in marked contrast to the ground wars of the past, when the men captured by enemies were more often the enlisted foot soldiers.

Of the 562 American prisoners listed by the Communists in Southeast Asia, all but 70 are officers, according to Pentagon records.

Released 156 prisoners so far, only 13 of them enlisted men. Eight of the enlisted men were among the 57 Americans released from Viet Cong captivity in South Vietnam. Eleven of the men held in South Vietnam were officers, the other eight were enlisted soldiers.

### Vernon House Gunned by Fire

A Thursday night fire gutted a vacant one-story house on Village St. in Rockville.

Rockville firemen were called to the scene at about 8 p.m., and they returned to the firehouse at about 10:30 p.m.

The cause of the fire was not determined, according to Rockville Fire Chief Donald Magda. No estimate of the damage loss was available.

Two firemen - Lester Vaitis and Richard Carpenter - were temporarily overcome by smoke while fighting the blaze.

Another fireman, Peter Durekio, sprained an ankle.

Tolland firemen served on standby while Rockville men fought the fire.

Chief Magda said there were no unusual problems putting out the fire.

### STEVENSON BOYS EXKON

A charge of operating a motor vehicle without a license against him was nulled.

Four persons, each charged with possession of a non-narcotic substance, appeared in court Thursday. All charges against the four were nulled.

Michael Calvert, 18, of 138 N. Elm St.

Lawrence M. Green, 23, of 17 Oakland St.

Diane C. Lane, 16, of Webster Lane, Andover.

Kerwin C. Morgan, 17, of 73 Oak St.

### Court Cases

**CIRCUIT COURT 12**  
Manchester Session

Bruce C. Hammond, 24, of 101 Tudor Lane, charged with tampering with a witness, second-degree larceny and breach of peace was presented in court Thursday. Prosecutor William Collins nulled (did not prosecute) the charges.

The charges stem from a recent alleged threatening of a witness in his breach of peace charge.

Hammond still faces charges of first-degree larceny in connection with a Tolland robbery, and second-degree larceny in connection with a motor vehicle stolen in Manchester earlier this year.

He is also reportedly wanted in Vernon and Hartford police in connection with alleged incidents of cashing bad checks.

David J. Aube, 27, of 200 Regan Rd., Rockville, pleaded guilty to a charge of operating a motor vehicle without a license and was fined \$10.

Dennis J. Coak, 24, of East Hartford, pleaded guilty to a charge of operating a motor vehicle while under suspension and was fined \$150.

Robert G. Prentice, 24, of Reynolds Dr., Coventry, charged with breach of peace and being found intoxicated, nulled.

William Smith, 49, of Lake Rd., Coventry, charged with third-degree arson, case dismissed.

Christopher W. Prevest, 18, of Pawcatuck, pleaded guilty to a charge of operating a motor vehicle while under suspension and was fined \$150.

Robert G. Prentice, 24, of Reynolds Dr., Coventry, charged with breach of peace and being found intoxicated, nulled.

William Smith, 49, of Lake Rd., Coventry, charged with third-degree arson, case dismissed.

Kenneth L. Wuelting, 24, of Southbridge, Mass., pleaded guilty to a charge of illegal possession of a handgun and was fined \$10.

Prosecutor John Lombardo nulled additional charges against Gozzo of breach of peace and resisting arrest.

Gozzo was arrested by Manchester Police Dec. 12 (after a disturbance at the Parkade).

**CIRCUIT COURT 12**  
East Hartford Session

Gregory Gozzo, 18, of Hartford, pleaded guilty Thursday to a charge of intoxication and was fined \$10 by Judge Max Savitt.

Prosecutor John Lombardo nulled additional charges against Gozzo of breach of peace and resisting arrest.

Gozzo was arrested by Manchester Police Dec. 12 (after a disturbance at the Parkade).

**Pillard Renamed MPOA President**

Charles R. Pillard of 16 Lodge Dr. last night was re-elected president of the Manchester Property Owners Association.

Pillard has been MPOA president since mid 1971, when he was named to complete the unexpired term of Harry Reinborn, who had resigned. He was re-elected in March 1972 and again last night.

Other officers elected, at a meeting of the 15-member executive board Tuesday night, were: Elizabeth Sadoski, second vice president; Corraine Damko, secretary; Stephen Dzielnicki, assistant secretary; Dolores Coulombe, assistant treasurer; and Josephine Patelli, membership chairman.

### MPOA Backs Laurel Lake Purchase

The Manchester Property Owners Association executive board last night endorsed the proposed purchase of the 110-acre Laurel Lake. Its action was on the basis that "it is in the best interest of Manchester to purchase the land now."

Contributing to the action was the MPOA's belief, "It is better to have the land under local control, where the lake will not be bought unless it will have some say, than have it taken out of our hands and have decisions forced on us at the state level."

The statement concerning the state stems from remarks made at a public forum Wednesday night by Charles Kurker, a top official of the State Department of Environmental Protection. He has said that a statewide program for solid waste control may require regional sanitary landfills.

Also contributing to last night's endorsement was the resolution adopted by the Manchester Board of Directors when it designated a March 13 referendum. The directors would not purchase Laurel Lake, even if the referendum question passes, were the state to refer the issue to the voters.

The March 13 referendum is on a proposed \$1,301,000 appropriation - \$449,500 for the land purchase and \$851,500 for improvements to the adjoining landfill area.

Pillard said today, "The MPOA has succeeded, through hard work and constant participation, in bridging the price (of Laurel Lake) down almost \$200,000, having the board pass a resolution to ensure that the lake will not be bought unless it can be used for sanitary landfills."

"We have listened to all the viewpoints and studied the proposal as much as possible, through the facts and figures, given by town officials."

"While explanations and solutions are not presently totally available, we believe the purchase is in the best interests of Manchester. We will continue to follow the issue, to ensure the proper answers and fulfillment of the stated plans."

### FOR

By JOAN THOMPSON

I had an interesting learning experience not too long ago. I met with Mrs. Janice Hanson, director of the business department at East, and by asking questions about her department and studying my knowledge about many things was broadened.

Mainly what we talked about was the Future Secretaries Association (FSA). The objectives of this club are to "stimulate interest in the secretarial profession, develop a better understanding of secretarial responsibilities, and provide the basics necessary to the preparation of future professional secretaries."

Being the only international student association exclusively for prospective secretaries, the FSA is sponsored by the National Secretaries Association, the largest association of business women in one profession.

In order for a student to qualify as a member of the FSA, one must be enrolled for a minimum of one year in a secretarial course in (in this case) a high school accredited by the Accrediting Commission for Business Schools. The student must have an interest in secretarial work, not to mention ability, unquestionable character and integrity, and above-average scholarship.

East's chapter of "Village of Charm." The club goes on many field trips to give the members a chance to visit the Traveler's Insurance Co., the Connecticut Bank and Trust Co., and the Wadsworth Athenaeum. These field trips are paid for by the profits from bake sales and candy sales sponsored by the girls.

This group's activities are not confined chiefly to the school or secretarial opportunities, but also goes out into the community. The members of this chapter have an "adopted" grandfather, Mr. Thomas Shea of Manchester. Mr. Shea is a victim of multiple sclerosis. The girls visit him on holidays bringing gifts and cards to him.

"They have a community project under way right now. The girls are engaged in typing 3,000 envelopes for the Multiple Sclerosis Association of Greater Hartford."

There are two scholarships given annually by the National Secretaries Association; one \$2,000 scholarship on a national level and one \$500 scholarship on a district level. There are four girls who qualify for the \$2,000 scholarship. They are: Elaine Bolduc, Kathy Messier, Jeanne Mullen and Mary Drisday. They will be doing an hourlong, typing, objective questions, oral presentation and an essay each each write.

During the April vacation the FSA will take a trip to New York City to visit the Stock Exchange and the offices of Seventeen Magazine.

The FSA at East is one of the most "unknown-about" groups to the school. But that doesn't seem to hinder their interest in their objectives and their activities in any way.

### South Windsor

Plenty of seats are still available for the bus trip to the Gloucester Clinic, sponsored by the South Windsor Public Health Nurse's Association in cooperation with the local Lions Club, March 1A.

Free transportation will be available to all South Windsor residents, age 35 and over, who wish to avail themselves of the opportunity to have the necessary examination for detection of this disease. Testing, under the direction of the Connecticut Society for the Prevention of Blindness, is a simple procedure taking approximately three minutes and is administered by registered ophthalmologists who donate their time for this purpose.

To register for the clinic, call 328-9975. The bus will leave the Wapping Community Church north parking lot at 1 p.m. for the trip to the Gloucester Clinic in Westfield.

**Donnelly Honored**  
Former State Representative Thomas J. Donnelly was honored at the Republican Party Lincoln Day dinner recently and presented with an antique bronze elephant in appreciation of his four years of outstanding service to South Windsor while in the General Assembly.

A recurring theme in the comments of the many speakers on the program was the need for better overall coordination and planning as the town continues to grow. Capital improvements needed by the town and the best methods of funding these needs were cited.

Reports were given by Pat Cavanaugh, Frank Brown and Richard Reeves.

Former Mayor Howard Fitts reported that the proposed new library to be voted on in referendum March 31, and the suggested recreational complex for which the Council has just appropriated \$200,000. A feasibility study, as far as different stages of development

**Hoop Turnout Set**  
The South Windsor Boosters' Club has finalized plans for its second annual Basketball Tournament to begin Friday, March 16 and conclude Sunday, April 1. This event will be held at South Windsor High School.

The Hartford Stage Company will present "Nor Cruel and Unusual Punishment" for South Windsor High School students Tuesday. This presentation examines the writings of warden, sociologist, psychiatrist, and prisoners themselves, the American prison system.

**Arts Program Set**  
Cultural Art Programs for school students have been scheduled by the South Windsor Cultural Arts Committee. The Hartford Symphony Percussion Trio will demonstrate various percussion instruments with narration on tuning, rhythm and special effects at Ellsworth and Timothy Edwards Schools, Monday for sixth grade students.

Ionis Martin, who has appeared on the Ranger Andy Show, will show a film on color to the first grade students at Orchard Hill and Avery Street Schools, Monday and Tuesday.

**Matthew Melley**  
Matthew Melley, son of Mr. and Mrs. James A. Melley of 328 Ferguson Rd., is the 1973 Connecticut Youth Chess champion. The competition for this title took place Feb. 22 and 23 at G. Fox and Company's Continental Hill Hall.

Matthew is a sophomore at the base of Mount Everest in Nepal.

As a school social worker, she will bring her expertise in mental health to the attention of parents, teachers and students in regard to individual and group situations and will consult with school staff concerning the total educational program. She is looking forward to becoming acquainted with the East Catholic community.

### Seats Open for Glaucoma Clinic

All games will be played on Friday, Saturday or Sunday. The championship will be April 1.

The tournament is divided into three divisions: Division I, junior boys, 9-12; Division II, intermediate boys, 12-14; Division III, senior boys, 14-16. Entry fee is \$12 per team.

There will be team trophies for each division winner, individual player trophies for the winner and runner-up in each division, as well as a MVP award for each division.

Any team interested in entering or desiring more information is asked to call James Snow, 644-2511, during the day, or Norm Boucher, 644-8785, evenings.

**PTO Plans Bingo**  
Pleasant Valley School PTO will sponsor a bingo social, March 9, at 7:30 p.m. in the school gym. Proceeds will benefit the school's new educational ecological goals.

Seating for everyone is guaranteed. Children's specials and cash prizes will be featured. Refreshments will be available. Tickets may be purchased at the door.

**Lenten Series Set**  
"Lenten Questions That Demand An Answer," will be the theme for the six special Lenten meditations beginning Wednesday at Messiah Lutheran Church. The meditations will be held each Wednesday at 7:30 p.m. Some of the questions which may be answered are: "A Kiss, Judea?" "Did You Forget, Peter?" "Who Is The Prisoner, Pilate?" "Why, God?" "What Persuaded You, Captain?" All are invited to attend.

#### 'Spirit Other Teams Lacked'

"Mortari Brothers had the spirit that other teams lacked," the Rev. Thomas Campion remarked at the annual Greater Hartford Twilight League baseball banquet last Saturday night at Willie's. "Winning was not by accident," he added.

The Gas House Gang, a tag applied years ago after the St. Louis Cardinals in the early 1930s, plus the fact the sponsor was a service station operator, Matt Mortari, was a winner again last season.

Frank McCoy, who doubles as mayor of Vernon as well as coach of the Vernon Orioles, noted the locals always win "because they have the dead-end spirit. They may be slow starters but they finish fast. They just hang together." His honor was referring to the MB's floundering along during the first half of the season and then coming on like a house afire to cop the playoffs.

In the past nine seasons, Gene Johnson has guided Mortari's to six regular season and six playoff championships. The trophy case in the MB showroom has long been filled.

#### Shots Here 'n There

Jeff Kocuch promised that he would get the major league baseball situation straightened out when he arrived in Florida. The white-haired retiree left early Sunday morning for a swing around the major league baseball training camps. The Hartford Twilight League opens May 31 at St. Thomas. Hartford Insurance facing Mortari Brothers. Jack Rose, now in his eighth year as prexy, reports Bristol will join the circuit next year and plays home games at Muzzy Field. Not overlooked by the Twilight Leaguers at season's end were Carl Silver and Don Berger of the Manchester and Rockville Rec Departments who were invited to the banquet. Both men assisted in seeing that playing fields at Mt. Nbo and Henry Park were ready on game nights. Good-looking Hugh Campbell was cited as the Vernon Orioles' most valuable player by Coach Frank McCoy. Al Boggini will return to the active baseball umpiring ranks this season. The veteran is one of the best in the state. He will retire from Pratt & Whitney in June. The Manchester Chapter of Baseball Umpires will meet Thursday night at 7:30 at the West Side Rec. The East Hartford Explorers will bring their undefeated basketball team to East Catholic High Sunday night to face Bristol in a New England Assn. start. Tapoff time is 8 o'clock. It should give area fans a good look at top-grade independent ball.

#### Notes Off the Cuff

Clarke Arena will be the scene of a Class LL Basketball Tournament game Saturday night when Holy Cross High of Waterbury faces Fitch High of Groton. Ted Martin, director of athletics at MHS and site director, reports the game is a complete sell-out. Best wishes tonight to East Catholic in its first hoop tourney test against Fitch High at Hall High. Glenn Weeks of Manchester captured "Best in State" honors in Zebco's Fish American Awards program in Connecticut. Doug Pearson of Manchester, Bernie Mulligan of Groton, Bob Labreche of South Windsor and Pete Forlini of Ellington will serve on the Eastern Basketball Clinic staff this summer at Camp Shadybrook in Moodus. Wilt Chamberlain is hitting at better than 70 per cent of his field goal attempts in the NBA this season. Sid columnist Bill Scherck has been enjoying a week's skiing vacation in upper New England and Quebec.

### Melody Leads Explorers Here Sunday in League

It will be homecoming day for Doug Melody when he leads the undefeated East Hartford Explorers (21-0) into East Catholic High Sunday night when they host the Bristol Crusis in a New England Basketball Assn. tilt at 8 p.m. Melody, who is averaging 21.5 points for the Explorers, played several stellar seasons at East Catholic before going to UConn. The Explorers and the Bristol thrasher will play an overtime thriller with the Explorers winning, 132-120.

Bristol will be led by ex-

Fairfield great, Jimmy Brown, ex-Central stars, George Benoit, Sandy Hine and Dave Rybzyk, along with All-League guard Art Whitehead.

The Explorers, who have already won the New England Basketball Assn. title at 11-0, the Burlington Tournament and the Mass State Tournament, will depend on the already mentioned Melody. Don Lewis (29.4), Billy Jones, Hank Brown, Bill Holowaty, Stan Peicher and Tim Kolodziej.

There will be a preliminary game at 6:30.

### Lucas Cold And Bucks Capitalize

MILWAUKEE (AP) — Jerry Lucas' long range bombs backfired Thursday night, helping Milwaukee Bucks to shell fall of the theory that they choke at the sight of New York Knicks uniforms.

With Lucas shooting unusually cold from outside, the Bucks' Kareem Abdul-Jabbar was able to concentrate on offense. He responded with 36 points as Milwaukee opened a 21-point lead in the first half of a 114-100 National Basketball Association victory.

It was only the Bucks' eighth victory in 31 games with New York over their five year history, but it squared the season series at 2-2, and more important, increased their Midwest Division lead over Chicago to eight.

The Knicks slipped 3/4 games behind first place Boston in the Atlantic Division.

Lucas, the Knicks' center, usually has been able to connect from the top of the key, or even further out, against Milwaukee and drew the 7-foot-07 Abdul-Jabbar away from the basket. But this time he sank only four of 13 shots, and only one of his field goals came from as far away as 15 feet.

"The bomb had a bad fate tonight—it fizzled for the first time in a long time," said Lucas, generally considered one of the finest outside shooters big men in the NBA.

Abdul-Jabbar, who sank 16 of 27 shots and grabbed 14 rebounds to help Milwaukee control the boards by a 53-45 margin, admitted Lucas' ineffectiveness was a big help. "When he's really hitting, he's pretty tough for me," Abdul-Jabbar said. "This was a big win. If we're going to get moving, it's got to be soon."

### MCC in Classic Basketball Play

Tournament warfare for Coach Pat Mistretta's Manchester Community College basketball team starts tonight - and may finish - when the Cougars face Housatonic Community College at Wesleyan University.

It will be the opening game in the four-team second annual Lions Club Classic. Tap off is set for 7 o'clock with Mattatuck meeting Norwalk at 8:15.

The two winners will collide for the title Saturday night at 8:15 with the losers performing at 7. All-Star selection Ernie Moore will lead Manchester. The tall center has a 19 point scoring average. Backcourter Stan Alexander (17), Elkie Grant (12) and Bill Peoples (11) have been other twin-figure point-producers to date.

### Chi Chi Lists Goals, May Not Make Either

ORLANDO, Fla. (AP) — "All I want to do," said Chi Chi Rodriguez, "is to be the best golfer in the world and live to be 100 years old."

"I may not make it, either one, but I'm sure gonna try."

The little Puerto Rican showman has a project going toward each goal, hard work and concentration aimed at the golfing aspect and a diet — yes, that's right, the 125-pounder is on a diet — directed toward long life.

Maybe those are the answers, but something paid off for Chi Chi when he forged a magnificent 64, his best competitive round in nine years and tied for the first round lead Thursday in the \$50,000 Florida Citrus Open Golf Tournament.

Two strokes off the pace at 66 were Bob Murphy, Buddy Alin and rookie Tom Kile. Just one more stroke behind in the exceptionally low scoring were Dave Hill, Bob Payne and Ed Seeg.

## Providence Expected Bid

PROVIDENCE, R.I. (AP) — The selection of sixth-ranked Providence to a berth in the NCAA basketball tournament came as no surprise to Coach Dave Gavitt.

With a 21-3 record, the current crop of Friars compose one of the best teams in the school's history.

After Providence's last game, a 22-point victory over Seton Hall last Saturday, Gavitt said it was difficult for a team to sustain top performances throughout the season to earn a place in the post-season Sweetstakes. But he was confident about the Friars' chances for winning the tournament.

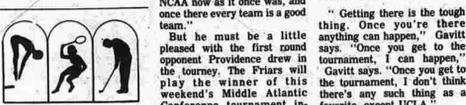

After accepting the formal bid Thursday morning, Gavitt said: "We're very happy to have such a fine season. It is a tremendous accomplishment for any Eastern team to make it with 38 teams shooting for three berths in the tournament. It is not as easy to get into the NCAA now as it once was."

And if the Friars make it into the second round of the Eastern regionals, which begin March 10, they could meet again with Penn, the probable Ivy League winner.

Getting there is the tough thing. Once you're there anything can happen," Gavitt says. "Once you get to the tournament, I don't think there's any such thing as a favorite, except UCLA."

## Eagles and Pulaski Paired in Class A

By Dean Yost

"We are looking at tonight's game like there was no tomorrow," East enters the playoffs with a 15-5 overall record and was ranked 10th in the Class L Division. Pulaski, playing an independent schedule, sports an 11-9 record and was rated 23rd.

"All week I've been trying to get this point across to the players," East coach Stan Ogronik, coach of the defending CIAC Class L champions East Catholic High.

"We are expecting them to shoot the works at us," Ogronik added. "This is the first time Pulaski has been in the tournament in five years."

Pulaski is coached by Dom Ferrara, former St. Thomas Aquinas mentor.

"They are a very physical, aggressive type club. In order to win we must stop their two outstanding guards, Tony Germano and Stan Nowak. Germano is their top scorer. Underneath they aren't big but are rough. Ed Paradise, Mike Paririe and

### College Hoop Picture

NEW YORK — Charles "Rip" Engle, the former head football coach at Brown and Penn State who never suffered a single losing season in his 16 years with Penn, was named to the National Football Hall of Fame.

BUCKHANNON, W. Va. — Kent T. Carpenter, assistant football coach at West Virginia Wesleyan College since 1969, has been named head football coach at Wesleyan.

DALLAS — Four-time All-Pro tight end Mike Ditka announced his retirement as a player and will become a receiver coach for the Dallas Cowboys, the team he has played with for the last four seasons.

MIAMI — Brooks Robinson, Baltimore Orioles infielder agreed to the club's salary terms for an estimated \$105,000.

CHARLESTON, W. Va. — George Kopatz, first baseman and No. 11 Southern Louisiana were No. 5 Marquette, No. 8 Houston, No. 6 Providence, No. 17 St. John's of New York, No. 19 South Carolina and No. 14 Syracuse.

Unranked Oklahoma City rounded out the at-large teams.

Syracuse, St. John's and Providence were assigned to the Eastern Regionals opening round. Marquette and Jacksonville went to the Midwest with South Carolina selected for the Midwest with Southwestern Louisiana and Houston. Oklahoma City will play in the West. Coach Al Mc Guire of Marquette said it didn't matter to him which team the Warriors faced. "Once the tournament comes, the only thing to worry about is injuries. You just shoot the works."

Marquette has never gotten out of the Midwest Regionals.

Officials at Southwestern Louisiana said the invitation was especially meaningful in view of pressures caused by 125 alleged charges of NCAA recruiting violations. USL is currently embroiled in a court fight over answering charges that it offered to pay players and committed other recruiting violations.

For veteran Coach Frank Mc Guire of South Carolina, it "was like getting a bowl invitation on a college football field."

The National Invitation Tournament, held at Madison Square Garden in New York, tabbed Notre Dame, Virginia Tech and American University on Thursday. The remainder of the 16-team field will be announced next week.

### Baseball

MIAMI — Brooks Robinson, Baltimore Orioles infielder agreed to the club's salary terms for an estimated \$105,000.

### Figure Skating

BRATISLAVA, Czechoslovakia — Canada's Karen Magnussen scored nine ordinals and 356.38 points to take the gold medal in the women's World Figure Skating Championship, while Janet Lynn, Rockford, Ill. won the silver medal with 18 ordinals and 355.39 points.

### Tennis

FORT LAUDERDALE, Fla. — Jeanne Evert, Fort Lauderdale, defeated the topseeded sister, Chris, into the second round of the \$50,000 S&H Green Stamps Women's Tennis Classic by stopping Sharon Walsh of San Rafael, Calif., 6-4, 7-5.

HAMPTON, Va. — Top American seed Jimmy Conner, Belleville, Ill., defeated Jurgen Fassender, West Germany, 6-4, 9-2 in the quarterfinals of the \$35,000 Coliseum Mail Invitational Tennis Tournament.

### Golf

HON G KONG G — Walter Godfrey, New Zealand, shot a 67 and tied Mye Aye, Burma, Hsu Chi San, Taiwan, and Sun Heung So, South Korea, for the first round lead in the Hong Kong Open Golf Tournament.

ORLANDO, Fla. — Chi Chi Rodriguez, carded an eight-under-par 64, followed by Gilbert for the first-round lead in the \$150,000 Florida Citrus Open Golf Tournament.

### Bowling

MILWAUKEE, Jim Stefanich, Joliet, Ill., widened his margin to a lead of 207 as match play began in the \$80,000 Miller Open Bowling Tournament.

The Paladins, making a number of offensive mistakes in the first half, led Appalachian State by only 32-28 at intermission before blowing the Mountaineers off the court in a 101-68 rout.

As spring training swung into its second official day, a total of 90 major leaguers remained unsigned, although some like Rusty Staub of the New York Mets and Tom Bradley of the San Francisco Giants reportedly had agreed to terms and were heading for camp. ## Stolen Pass Turns into Hoop As Branford Edges Rockville

By Dean Yost

Trailing by a point, Branford High's Ed Riolino stole an inbound pass with six seconds left and scored to give the downstate crew an 80-69 victory last night at Platt High in Meriden over Rockville High.

The CIAC Class L playdown game attracted a full house to see the sixth-

ranked Rams battle the pass to Dick Hoermann, who needed just to stand there and the victory would have been theirs, but for some strange reason, he passed the ball over only to have a Branford shot go wide of its mark.

The clock, with only six ticks left, appeared to be in Rockville's favor. Following a timeout, the Rams' Steve

### Violation

NEW HAVEN, Conn. (AP) — Use of the Yale Bowl by the New York Giants or any other professional football team could constitute a violation of a city zoning ordinance, Orlando Silveri, New Haven building inspector and zoning enforcement officer, said Thursday.

"It definitely appears to me the use of the bowl...would be a business use not allowed in a residential zone," he said.

## Big Stick for Hodge, Penalty, Fine Result

By The Associated Press

Boston's Ken Hodge carried a big stick Thursday night but the St. Louis Blues spoke anything but softly about it.

Actually, there really wasn't a peep out of the Blues...until only three minutes remained and they were trying to hang onto a 4-3 National Hockey League lead over the explosive Bruins.

"We knew from the beginning Hodge was playing with an illegal stick," confessed St. Louis Coach Jean Guay Talbot. "It was obvious just looking at it. We decided to wait until late. We waited for him to be on the ice and in a position where he couldn't sneak it off."

With three minutes left, the Blues spoke up, informing the referee that the curve on the blade of Hodge's stick exceeded the allowable half inch. Hodge as promptly socked two minutes—which hurt the Bruins—and an automatic \$200—which hurt his pocketbook.

"They waited, obviously, and they pulled it at the right time," conceded Boston Coach Bep Guidolin. "It was a good

### SENIOR LEAGUE

Unbeaten Analdi Construction got a mild scare from Mortari Brother but hung on to post a 10-8 win last night at Iling gym. At one time Mortari's had a seven point lead.

Doug Melody (38) and Jack Redmond (31) led the powerful Analdi attack. Dave McKenna led the undermanned Mortari array with 21 markers while Pat Kelly added 20.

### EAST SIDE MIDGETS

Top Notch Food defeated Regal's, 30-21, last night. Bruce Charendoff netted 10 points for the winners while Gary Marineau canned six. In a losing effort, Rick Hahlem and Ron Apter led the way with seven and six points.

### EAST SIDE JUNIORS

The Dribblers upset the league champions Dunkers in overtime, 64-62. Skip Moran netted 25 tallies for the victors while Wayne Ostrout and Stan Zima followed with 14 and eight points. Bob Quaglia and Jim Adams both contributed 15 markers for the Dunkers.

### INTERMEDIATE

Shemp Howard edged the Shamrocks 82-78. Scott Leone and Jeff Quicri led the way with 22 and 23 markers for Shemp Howard. The losers' Mike Eastman canned 29 markers while Mike Tweedie added 18.

### Appointments Due

NEWARK, N.J. (AP) — Bob Casciola, head football coach at the University of Connecticut for the past two seasons, will be named head coach at Princeton University on Saturday, the Newark Star-Ledger reported today.

Casciola, a former All-East tackle at Princeton, will succeed Jack McCaskey, who resigned.

Obituaries

Paul Iacobucci, 72, of Miami, Fla., formerly of Manchester, died Thursday in a Miami hospital.

He was born Sept. 5, 1901, in Providence, R.I. He lived in Manchester for 25 years until he moved to Miami about seven years ago.

Mr. Iacobucci was a well-known figure in Manchester as a baseball umpire for many years in the Manchester Board membership. He umpired many Twilight League and American Legion games.

He was a member of the Manchester Lodge of Elks. Survivors include two sons, Paul Iacobucci of East Hartford and Michele Iacobucci of Vernon; a daughter, Mrs. William Cummings of Miami.

Funeral services and burial will be Saturday in Miami, Bennett Ulm Funeral Home, 1330 N.W. 7th Ave., Miami, in charge of arrangements.

Mrs. Julia A. Richards COVENTRY—Mrs. Julia A. Richards, 64, of East Hartford, died this morning at Windham Community Memorial Hospital, Willimantic.

Mrs. Richards was born June 29, 1898, in Cranford, N.J., and had lived in Coventry for the past 20 years. She had been employed as a payroll supervisor at Pratt and Whitney Division of United Aircraft Corp., East Hartford.

She was a member and former secretary of the Gerald Park Association, which belonged to the Republican Club of Coventry and the Hungarian Social Club of Ashford.

Survivors are an aunt and uncle, Mr. and Mrs. Charles Casar of Ashford; and another uncle in Europe.

The Holmes Funeral Home, 400 Main St., Manchester, is in charge of arrangements, which are incomplete.

Nuclear Plant Given License

WASHINGTON (AP)—The Atomic Energy Commission Thursday announced issuance of a full-term license to Vermont Yankee Nuclear Power Corp. for full-power operation of its nuclear power station at Vernon, Vt.

The commission said the license is for 20 years, with an option for a 20-year extension. The license allows the plant to operate at a capacity of 1,100 megawatts.

The license is the first issued by the commission since it was created in 1954. It is a significant step in the development of nuclear power in the United States.

The Vermont Yankee plant is one of the largest and most advanced nuclear power plants in the world. It is located on the banks of the Connecticut River.

The plant is owned by the Vermont Yankee Nuclear Power Corp., which is a subsidiary of the General Electric Co. The plant is expected to begin full-power operation in 1975.

The license is a landmark in the history of nuclear power in the United States. It shows that the commission is confident in the safety and reliability of nuclear power.

Mrs. Julia A. Richards COVENTRY—Mrs. Julia A. Richards, 64, of East Hartford, died this morning at Windham Community Memorial Hospital, Willimantic.

Mrs. Richards was born June 29, 1898, in Cranford, N.J., and had lived in Coventry for the past 20 years. She had been employed as a payroll supervisor at Pratt and Whitney Division of United Aircraft Corp., East Hartford.

She was a member and former secretary of the Gerald Park Association, which belonged to the Republican Club of Coventry and the Hungarian Social Club of Ashford.

Survivors are an aunt and uncle, Mr. and Mrs. Charles Casar of Ashford; and another uncle in Europe.

The Holmes Funeral Home, 400 Main St., Manchester, is in charge of arrangements, which are incomplete.

The Vermont Yankee plant is one of the most advanced nuclear power plants in the world. It is located on the banks of the Connecticut River.

The plant is owned by the Vermont Yankee Nuclear Power Corp., which is a subsidiary of the General Electric Co. The plant is expected to begin full-power operation in 1975.

The license is a landmark in the history of nuclear power in the United States. It shows that the commission is confident in the safety and reliability of nuclear power.

Vernon \$7,627,832 Asked for Schools, Budget Takes New Form

Dr. Raymond E. Ramsdell, superintendent of the town's schools, presented a tentative budget of \$7,627,832 for 1973-74 last night to the Budget Committee, said that the committee, which is a subcommittee of the Board of Education, for study.

Mrs. Marie Herbst, chairman of the Budget Committee, said that the superintendent's budget would probably be cut by the committee, later, by the Board of Education, and still later, by the Town Council.

No firm salary figure is included because the negotiations between the board and the Vernon Education Association have just started. There also is a question whether the bargaining agent will be the VEA or the Vernon Federation of Teachers.

The budget for the first time implemented the "Programmer Planning, Budgeting, and Systems" (PPBS) computerized process of budgeting.

Dr. Ramsdell said that the school system has slowly been converting to PPBS for the last two years, with a group of school principals and members of the administrative staff attending instructional workshops so that they may in the future instruct teachers and students in the school system.

The four basic parts of a PPBS system include planning, the determination of what the organization wants to do, and how to do it, and the determination of what resources are available, and how to use them.

Reading, language arts, mathematics and kindergarten get the largest slice of the program budgets. For instance, the budget of the Lake St. School's out of \$230,140, there is \$88,566 allocated for reading, \$29,277 for language arts, \$29,730 for mathematics, and \$21,331 for kindergarten.

Finally, systems, implementation of approved proposals for each program on a day by day basis, including school management and behavioral objectives and evaluation of the systems developed for each program.

Also, budgeting, the financial applications of the various programs chosen from a set of alternatives developed for each program.

Police Report

MANCHESTER — Gerold A. Starnon, 33, of 30 Lilley St., was taken into custody Thursday afternoon on charges stemming from an alleged fight with his wife, Manchester Police said.

Stratton was charged with third-degree assault and threatened to be released on a \$500 cash bond for court appearance March 12.

Craig D. Lindsey, 25, of East Hartford, was charged Thursday night with intoxication, police said, after he was found sleeping in his car on Walker Dr.

Police said the car struck a utility pole on Walker Dr. Lindsey was released on a written promise to appear in court March 12.

Bruce N. Cone, 18, of 103 Irving St., was charged Thursday afternoon with third-degree criminal trespass, after police reported a complaint that two youths were in a building under construction on Congress St.

A 15-year-old Manchester boy, unidentified because of his age, was charged with criminal trespass with the same incident. He was referred to juvenile authorities.

One was released on a \$150 non-surety bond for court appearance March 26.

Manchester Police assisted State Police Thursday night in the apprehension of a Manchester man wanted for carrying a dangerous weapon.

This incident occurred on the morning of March 1, when a Manchester man, identified as William J. Luck, was taken into custody at his home, and was then turned over to State Police from the Stafford Barracks. Luck was charged with carrying a dangerous weapon, operating a motor vehicle while his license was suspended and disorderly conduct.

Manchester Police issued summonses for alleged motor vehicle offenses to Russell R. Mercer, 30, of Hartford, charged early today with driving on a suspended license at 12 Cross St. Court date is March 19.

Michael A. Urano, 20, of Broad Brook, charged Thursday morning with driving on a suspended license at 12 Cross St. Court date is March 19.

Marian Madrak, 35, of East Hartford, charged Thursday morning with operating a motor vehicle, failure to carry proper registration, and operating a motor vehicle on a suspended license. Court date is March 19.

John E. Pepin, 23, of East Hartford, charged Thursday morning with driving on a suspended license at 12 Cross St. Court date is March 12.

By today the known death toll was five. Another 10 were missing and feared dead. Thirty-nine others were injured. Taylor was not hurt.

What caused the collapse remains in doubt. State and federal investigators are underway.

Rescue operations proceeded cautiously as large chunks of concrete dangled precariously from both sides of the planned 26-story building, among the downtown area's tallest.

The building was to include 648 condominium apartments and was part of the \$20-million Skyline Center. It is a complex of six high-rise buildings and a high-rise hotel recently completed or being built on what was once the Washington Virginia airport.

An 80-foot wide section of the building collapsed, leaving other unfinished sections on each side.

"We had about two seconds warning — a rumbling sound like Niagara Falls," said workman Larry Rivera. "I ran for my life. I looked back and saw four of my buddies being crushed by concrete."

Town, Schools Eye Linking Programs Of Maintenance

Mayor John Thompson rejected yesterday that the Manchester Board of Education and Board of Education are considering a recommendation that the town and school systems link their maintenance programs.

Fire Calls

A seven-year-old Manchester boy admitted Thursday that he had started a fire in a room at Manchester Memorial Hospital's heating plant at 10:57 a.m.

Firesmen said the false alarm was not malicious in nature, and the boy's father said he'd make sure it never happened again.

Other town fire calls: Thursday, 7:59 p.m. — Chimney fire at 47 Packard St. Thursday, 10:30 p.m. — Fire of smoke at 12 Cross St. Today, 10:26 a.m. — Attie fire at 228 McKee St. Washdown of oil spill at Main and Locust Sts.

Worcester, Mass. (AP)— Thursday was a good one for 18-year-old Victor Dicandia in court on a charge of illegal possession of alcohol.

A law went into effect at midnight Wednesday giving 18-year-olds the right to drink liquor.

When Dicandia appeared in district court this morning, Judge Morris N. Gould said, "Possession of an alcoholic beverage by a minor is no violation of the law. Case dismissed."
