Ribicoff Foresees 1974 As Democratic Year

SOL R. COHEN (Herald Reporter)

What's good for Connecticut is good for the nation, said Sen. Abraham Ribicoff Saturday night in Manchester.

The senior Connecticut senator, accompanied by his wife, Lois, spoke to about 300 Democrats, at a dinner-dance honoring six prominent local Democrats.

Predicting the Democrats will regain the State House in 1974 and the White House in 1976, Ribicoff said, "I think the Republicans have had it, both in Connecticut and in Washington. The people I talk to are looking for something better. They are asking, Will someone please provide leadership? Will someone put government on our side for a change? Is anybody listening to us?"

Ribicoff, who is an announced candidate for re-election in 1974, offered his help to Manchester Democrats and to those all over the state "to insure the election of Democrats to local, state and national office."

He had five engagements Saturday. The one in Manchester was his fourth. The fifth was in Hartford. And he picked up where he left off by making several appearances Sunday.

Ribicoff said Saturday it makes no difference to him who his Republican opponent will be in 1974.

"I always run positively and not against someone," he explained. He said he will employ his customary campaign style of not mentioning his opponent by name and not

becoming embroiled in campaign disputes.

Saturday's dinner-dance, at Willie's Steak House, honored six local Democrats whose philosophical leanings cut across the spectrum of all factions of the party. They have more than 80 years of accumulative service to the Democratic Party between them.

Each received a scroll, extolling their service, and each received a gift of a miniature, sterling silver donkey, in a cube of Lucite. The six are:

Miss Barbara Coleman, former secretary and former vice chairman of the town committee; N. Charles Boggini, former state representative and former school board member; Judge of Probate William FitzGerald, former town director; State Rep. Francis Mahoney, former mayor and former town director; Town Treasurer Roger Negro, former treasurer of the town committee; and Dr. Walter Schardt, former school board member and a state delegate to last year's Democratic National Convention.

Democratic Town Chairman Ted Cummings, who introduced the six, remarked, "Politics is a way of life, and our way of life in Manchester has been enriched by the political service of these outstanding citizens."

Cummings, too, received a gift — an encribed gavel, presented to him on behalf of the town committee by vice chairman Dorothy Brindamour. In a brief reference to the Watergate case, Cummings

gave his definition of an honest politician as "one who, when bought, will stay bought."

Mayor John Thompson, who brought greetings on behalf of the town, congratulated those honored and said, "To those who say we Democrats are dogmatic I say we are dogmatic on principles only. We are sensitive to the needs of all people."

First District Congressman William Cotter arrived late but remained through much of the speechmaking. He, too, had been making political appearances. The one in Manchester, said Cotter, "It's good to be away from Watergate. It's now the cry word of the Republican Party. I'm sure, if the election for President were held today, Nixon wouldn't carry Manchester, as he did last November."

Cotter said he is happy he will be running with Ribicoff in 1974. He asked Manchester Democrats to work for the reelection of local Democratic officeholders in November. "They deserve re-election, and it's up to you to see to it they are," he said. State Rep. Muriel Yacovone of the 9th Assembly District was present and was introduced.

Ribicoff, in his address, insisted that "prices for food should be frozen."

"Prices are rising because neither the President nor the Congress have the guts to face up to the farm lobby. 'Every now and then,' he said, 'the voters, including some Democrats I am sorry to say, take a ride on the Republican economic roller-coaster. But then they remember what inflation and recession mean — how it feels to see your take-home pay and your savings shrink, what it means to be a father coming home without a job.'"

Calling for unity among Democratic factions, he said, "Every now and then we Democrats forget the advantages of teamwork and send ourselves to the showers," he said that was what happened in the 1970 state election and the 1972 national election. Touching lightly on Watergate revelations, Ribicoff said, "Public trust has been strained in recent years. Now it has been shattered by the Watergate affair, in a way so serious it defies any partisan comment."

"And yet, the Watergate revelations themselves show that our institutions are very much intact. A free press and the courts, public opinion and pressure from the grassroots in

Display Military Might

JERUSALEM (AP) — More than 400 warplanes roared across the land of the Bible today as Israel celebrated its 25th anniversary with prayers and a three-hour display of the mightiest array of military hardware ever seen at one time in the Middle East. Some 300,000 cheering spectators jammed the decorated

streets of Arab and Jewish Jerusalem for the parade. But the birthday was more festive than warlike despite the biggest armed display in the Middle East since the 1967 War.

Troops and police guarded the parade route against guerrilla sabotage and reserve troops were mobilized for

security. But there were no disruptions.

Prayers for peace were held in synagogues before 2,000 troops and more than 160 tanks and artillery guns moved past Premier Golda Meir, government and military leaders and David Ben-Gurion, the 86-year-old founding father of Israel.

Led by five jets spewing blue and white smoke and helicopters towing flags, the Israeli air force provided a roaring umbrella for the festivities. Israeli-built jets spelled out the Hebrew letters for 25 years, 108 American Skyhawk bombers and 80 Phantom's shrieked behind and 24 French Mirages recalled the spearhead of the 1967 War.

Hundreds more planes — old Stratocruiser and Dakota transports, flimsy Piper Cubs, paratroop carriers, helicopters, sleek super Mysteres and 10 trios of Phantoms with glowing afterburners — flew the length and breadth of Israel, taking the message of warning to the Jewish nation's Arab neighbors from the Red Sea desert to the Lebanese border and the ceasefire line with Syria.

The parade was the object of much criticism, at home as well as abroad. The United Nations asked that it be cancelled because part of its route lay through Arab East Jerusalem, recaptured from Jordan in the 1967 war, and that would anger the Arab nations. Many Israelis contended that the \$4.7 million being spent on the parade should be used for social welfare. Others felt it contributed to an undesirable warlike image.

The government rejected all objections.

Independence celebrations began Sunday night after a memorial day for the nation's war dead. The celebrating kept up until dawn.

Visitors from all over the nation camped in the parks of Jerusalem and noisily wandered the streets of Tel Aviv and Haifa.

Town Tax May Be Cut

SOL R. COHEN (Herald Reporter)

Reports indicate that the Manchester Board of Directors is expected to cut two mills from the General Fund tax rate when it meets tonight to adopt 1973-74 budgets.

The same reports indicate the board is expected to increase the Town Fire District tax by 0.29 mills, to leave the Downtown Taxing District tax unchanged at six mills, to recommend that sewage fees be raised to 100 per cent of water fees, and to add about \$150,000 to the school board allocation.

The board's meeting is at 8 at the Senior Citizens' Center, Myrtle and Linden Sts.

The town charter specifies today as the board's deadline for adopting budgets and setting the tax rates. Failure to do so by today would make Town Manager Robert Weiss' recommendations the legal budgets and tax rates.

Weiss recommended a two-mill increase in the General Fund tax rate, to bring it to 50.66 mills. The board's expected action tonight would lower it to 48.66 mills.

Weiss' recommendations for an increase in the Town Fire District tax and in sewage fees are the same as the ones the board is expected to adopt tonight.

Weiss recommended \$10,957,400 for the school budget. The board is expected to approve about \$11.1 million — about \$270,000 less than the school board requested, but still about \$810,000 more than it received for the current fiscal year.

Agreement on the budgets and tax rates reportedly came Friday night, at a workshop session of the entire board. Reportedly there was bi-partisan agreement on much of resulting decisions, and disagreement on some.

Richardson Favors Special Prosecutor

WASHINGTON (AP) — Acting Atty. Gen. Elliot L. Richardson said today he will heed suggestions that he name a special, independent prosecutor to head the investigation of the Watergate scandal.

Richardson said, however, that he has not yet found the right man to head the probe.

Acknowledging worries over how the Watergate investigation would be pursued, Richardson said, "After much careful thought about how best to respond to these concerns, I have decided that I will, if confirmed, appoint a special prosecutor and give all the independence, authority, and staff support needed to carry out tasks entrusted to him."

Time and Newsweek gave slightly different accounts, but both said Nixon's purported remarks came in a meeting among the President, Dean and another top White House aide. Richardson, currently the secretary of defense, was chosen by Nixon last Monday to become the new attorney general and take personal responsibility for the Watergate investigation.

"I would welcome, in addition, an expression by the Senate as a whole of its confidence in him," Richardson said.

With special emphasis, Richardson said the special prosecutor would report only to him as attorney general. This seemed to imply that President Nixon would have no direct hand in the investigation. The nation's two largest news weeklies say ousted White

Mountain Laurel Winner of Third Regional Title

Mountain Laurel Chapter Chorus of Sweet Adelines Inc. won its third championship in competition Saturday at the West Genesee High School auditorium in Camillus, N.Y.

The first-place win of the "Illusions," a Sweet Adelines quartet within the chorus membership, makes Mountain Laurel Chapter the first in Region No. 1 to ever have both top spots in the same year.

Fifty-seven area women, in red and white gowns, white top hats, and carrying canes, sang and danced their way to first place with "Opening Night on Broadway" and "Back in the Old Routine."

Vincent A. Zito of 240 Woodbridge St. directed the group at the 21st annual convention and chorus competition, competing with 27 other entrants from the region. The chorus becomes eligible for International Competition in Milwaukee, Wis., in 1974, when it will compete against 14 other regional championship choruses.

Zito, who also directs the Silk City SPEBSQSA men's chorus, is Mountain Laurel's founder and has been its only director. The chapter, chartered in June 1961, won first-place medals in 1966 and 1970.

Manchester members of the championship chorus are: Mrs. Vincent A. Zito, Miss Almeda Stechholz, Mrs. Frederick Sweet, Miss Carolyn Grant, Mrs. Paul Zepke, Mrs. Joseph Henderson, Mrs. Ely Segal,

Kidnaper Demands Increase

GUADALAJARA, Mexico (AP) — The kidnapers of U.S. Consul-General Terrance G. Leahy were reported making more demands today following the transfer to Cuba of 30 prisoners whose freedom had been demanded in exchange for the American diplomat.

"The situation has become extremely complicated. There are new demands," said Gov. Alberto Orozco Romero of Jalisco state Sunday. "We just have to wait now. It could be hours or days..."

He did not say what the demands were. Shortly before, the governor

received a note from Leahy saying he was being treated well and his kidnapers promised to release him "at the proper moment."

Leahy's wife, at home with the couple's two young daughters, received a telephone call from the kidnapers Sunday afternoon saying new instructions would be phoned later. The second call had not come by midnight.

Officials of the state and federal governments and of the U.S. Embassy in Mexico City waited with Mrs. Leahy. A special telephone line was installed at the house, apparently to keep the government in

Mexico City in close touch.

Outside the house, nearly 100 newsmen, photographers, neighbors and onlookers waited through the night.

Thirty persons were released from jails in six Mexican states Sunday afternoon and flown to Havana in a Mexican air force plane, meeting the ransom demand of the guerrilla group that seized the 58-year-old consul-general Friday evening as he drove home alone.

Most of those released were young people accused of bombings, bank robberies, shootings and subversion. Some had been held since 1971 without trial.

Six Persons Die In Accidents

By The Associated Press

Three young men died in motorcycle accidents over the weekend in Connecticut. And there were three other fatal traffic accidents involving cars.

Jeff E. Gordon, 19, of Watertown, was killed Sunday night when a car collided with his motorcycle on a Watertown street. Police said a passenger on the bike, Diane Cipollone, was admitted to Waterbury Hospital in fair condition.

Leon Babulsky, 22, of Lisbon, was killed Saturday when his motorcycle went out of control and hit an oncoming car on a Norwich city street, police said.

Another motorcyclist, 27-year-old John Randazzo Jr. of Torrington, died early Sunday when his motorcycle collided with a car on a Torrington street, police said.

Early Sunday Earl C. Downing, 17, of Hamden died when

the car he was driving struck a tree in his hometown.

Liza Kucklick, 19, of Stamford died Saturday when the car she was riding in hit a vehicle that was stopped in the right lane of Interstate 95 in Stamford, police said.

Steven Horvath, 19, of Bridgeport was killed when his car hit a utility pole on East Main Street in Bridgeport, police said.

Appearing in the costumes which they wore at the 17th annual Northeastern Regional Quartet Competition last Friday are members of the "Illusions," a Sweet Adelines quartet. At 74, Hal Wallis Won't Be Typed

By DICK KLEINER

HOLLYWOOD — (NEA) — When Oscar night, 1974, rolls around the odds are that two winners will be Jack Lemmon, for "Save the Tiger," and Glenda Jackson, for "The Nelson Affair." Hal Wallis, the veteran who produced "The Nelson Affair," is justifiably proud of that picture. It's another great historical film from the master of that genre.

That's the trouble. Producers can get typed, too... So Wallis deliberately is going far afield from history for his next few films.

Currently shooting here is "The Don Is Dead," another Mantram. After that, he'll

do "Panic," a suspense film, and "The Night I Caught the Santa Fe Chief," by an English writer.

The latter film will be directed by James Cellan Jones, a young English director Wallis found and signed to do "The Nelson Affair." Wallis plucked Jones from English TV, as he had done earlier with Charles Jarrett, who did "Mary, Queen of Scots" and "Anne of the Thousand Days" for him.

"I was in England, pre-

paring "Nelson," Wallis says, "and someone told me about Jones, who had done "The Forsyte Saga" for the BBC. I liked his work and he was enthusiastic about my project. This was his first feature.

"The BBC does some fine things — TV of substance — and its directors are capable men. I see no reason why a man who does good TV can't do good features."

Wallis, like many of his contemporaries, isn't too happy with the current state of films.

"I am very depressed about movies today," he says. "I hate to see it falling off the way it is. But I am hopeful the trend in today's pictures will pass—the 'Duff' trend, they're not movies, they're stag films."

"THE WAY I HEARD IT"

by John Gruber

A number of years ago I did a series on opera houses. I'd forgotten all about it, but the other day I received a letter from a lady who said she had preserved these for years until she moved and during the confusion of moving they got lost. She asked if they were available. They probably are, but I don't remember the dates and they are now long since on microfilm at the Herald so they are not readily available at all.

However, there must be a good many people who now read my stuff who didn't at that time and the subject is of general interest to people who contemplate going abroad, so I'll take a crack at it all over again. Here goes.

Unquestionably the most famous opera house in the world is La Scala in Milan. The name means "The Stairway" but it is not noted for its stairway. Paris has the opera house for this. Originally La Scala was built on the site of the church of Santa Maria della Scala which stood near some steps that led from a lower street to an upper one. The name means "The Stairway."

There is an opera house in Parma, what is generally supposed to be the most critical opera audience in the world. Personally I don't believe it. I feel it is a bad-mannered audience that possibly knows six operas well and bluffs through with its reactions on the rest. It doesn't have a permanent company. The orchestra is mostly pickup, the productions are rather scratchy. No wonder most of the doors at the Baths of Caracalla in the summer. I don't know about the winter productions but the summer ones are from hunger. They are sometimes spectacular as for example "Aida," but they are usually for the tourist who is not very critical, and I can't get excited.

That finishes Italy. So let's move north to Austria. The Wiener Stadtsoper is, of course,

PLAY TRUMPS SAFE TO ASSURE CONTRACT

By ALFRED SHEINWOLD

In a familiar psychology test, students are asked to describe in words an eight-ounce glass that contains four ounces of liquid. The optimists say the glass is half full; the pessimists say it is half empty. In the same way, bridge players sort themselves out as either optimists or pessimists when a high trump drops.

North-South vulnerable

Opening lead — King of Clubs

The scene was a match between England and Wales, not long ago. At both tables the final contract and opening lead were the same.

The English declarer took the first trick with the ace of clubs and promptly led out the ace of hearts. When West dropped the

jack of hearts, our English friend continued with the king of hearts, hoping to capture the queen of hearts, too.

This optimistic play sealed South's doom. East was now sure to win two trump tricks, just enough to defeat the contract.

Averts Disaster

The Welsh declarer observed the same facts but took a pessimistic view. After the first two tricks, he worried about the trump situation. Instead of leading out the king of hearts, he led a low trump. Dummy's ten lost to East's queen.

East returned a club and West took two tricks in that suit. South ruffed the next club and got to dummy with a diamond to return a trump. South had the K-8 over East's 9-7, so he was able to draw the trumps

without further loss. He then had enough to top cards to take the rest of the tricks.

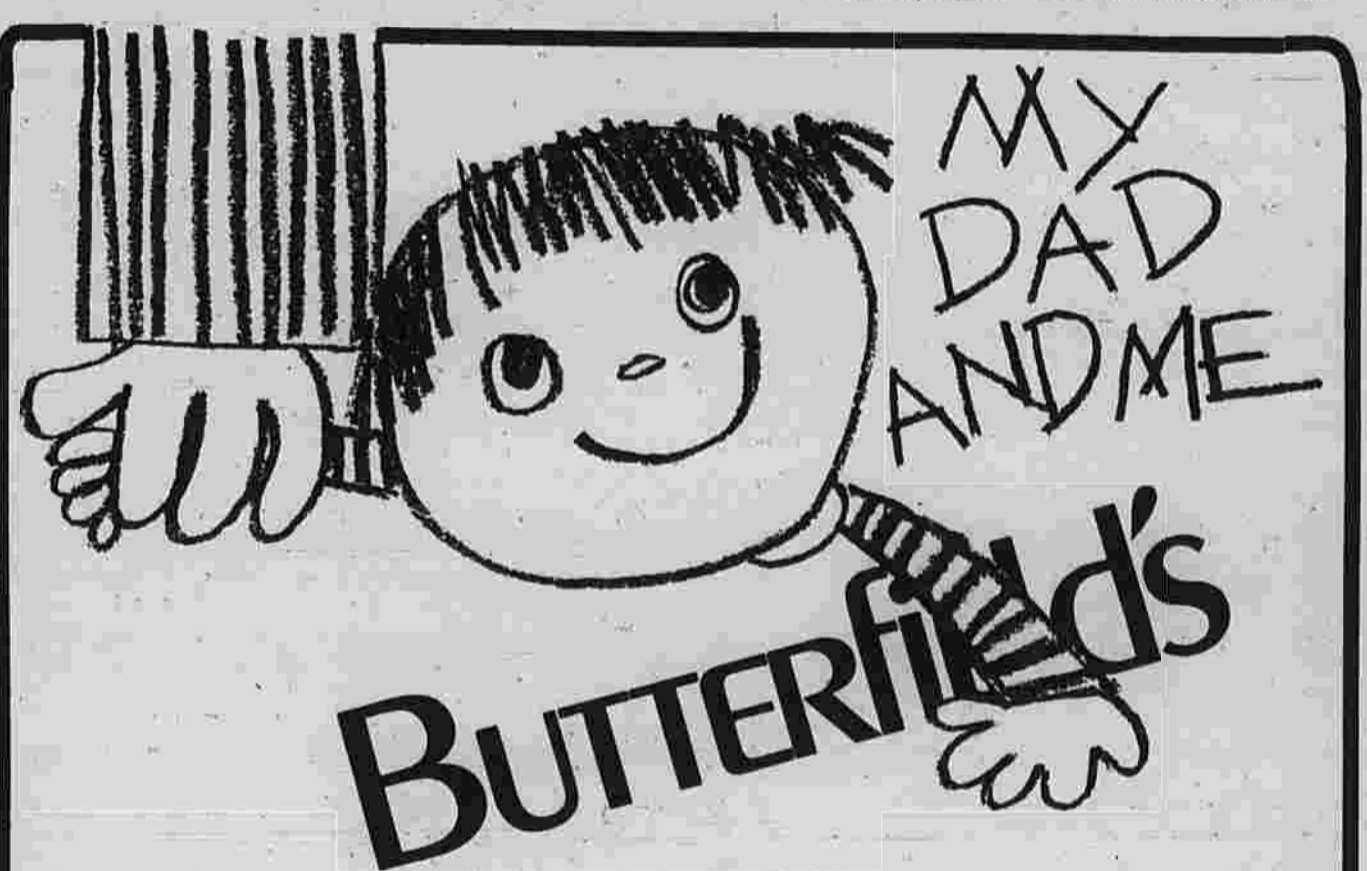

The first declarer's optimistic play would have been justified if his contract had been five hearts since then he would need good luck with the trumps to make his rather foolish contract. Since the contract was only four hearts, the second declarer was right. He could afford to lose one trump trick but was right in not risking the loss of two trumps.

Daily Question

Partner opens with one heart, and the next player passes. You hold: Spades, Q-10-6-3; Hearts, J-10; Diamonds, 8-7-5-3; Clubs, K-Q-J-9.

What do you say?

Answer: Bid one spade. Your suit is not very strong but it is quite strong enough for a response if the level of one.

Town meeting across Saturday evening approved a budget of \$6,522,227 for 1973-1974 and the Board of Finance set a rate of \$2.50 on the 1973 Grand List of \$2,608,902.

This represents a \$14,296 increase over the present operating budget and almost an eight-percent increase in the tax rate. An estimated income and appropriation of \$6,522,227 are \$27,421 less than was realized last year. Therefore, the total increase to the taxpayers is \$51,717.

Questions arise on the low appropriation of surplus \$24,886, and the finance board explained that the auditors recommended keeping approximately \$60,000 in surplus for such items as uncollected taxes and other emergency situations that might arise.

The only change in the budget was the deletion of \$1,340, from the line item for the Chamber Commission, leaving only \$10 in this item.

Residents questioned leaving any funds for this item because the 30 days had expired since the commission presented the charter to the selectmen and the time required for the selectmen to call a public hearing.

Selectman Percy Cook explained that the selectmen could reappoint the commission

at any time, therefore, \$10 was left in the budget.

In the Board of Education budget several items brought a few questions from those attending. In addition, a motion was made to delete the \$17,800 item for the principal's salary under instruction.

This motion was defeated when it was explained that this item is a contracted service and is determined through negotiations.

It was questioned why revenue sharing items must be included in the total budget thus increasing the total amount to be raised. Again it was explained that these items were offset under estimated income where \$12,550 was transferred from revenue sharing funds for this purpose.

All eight items recommended by the finance board for purchase with revenue sharing funds were approved. In addition, it was voted that the \$8,500 remaining from revenue sharing funds should be used for Recreation Commission.

Recreation Commission
Voted to serve as members of the Recreation Commission were Miss Karen Person and Mrs. Nancy Crane.

Miss Person is completing a term on the commission to which she was appointed to fill a vacancy. This will be her first full term on the commission.

Mrs. Crane is newly elected and will replace Mrs. Julie

Hebron Selectmen Oppose Region 8 School Budget

The Board of Selectmen is urging attendance at this evening's Regional District 8 Board of Education meeting and at the same time urging rejection of the proposed \$1,693,856 budget for 1973-1974.

The selectmen concurred with the Board of Finance's statement last week also urging rejection of the budget.

The budget, which represents a \$118,508 increase for Hebron alone, is \$225,330 higher than the present operating budget for Rham High School.

Pete Dillane, second selectman, agreed with the finance board's recommendation for rejection, feeling that the school could operate without double sessions without exceeding its capacity.

The finance board has gone so far as to reduce the Hebron Board of Education's budget by \$12,130, the amount necessary for transportation of students to Rham if double sessions go into effect.

The two other selectmen on the board, Aaron Reid and Robert Craig, were both opposed to the budget.

Craig, third selectman, felt that, locally, "we are tightening our belts" and that the Regional Board of Education should make a similar effort.

The budget meeting will be held at 8 in the Rham High School auditorium.

Unwelcome Party Scheduled by CPC

The Committee for the Preservation of Coventry has scheduled what it calls an "Unwelcome Party" for Greater Hartford Process-Devo on Saturday, starting at 1 p.m. at the Meadowbrook Shopping Plaza, Rts 44A and 31, the site of Devo's information and exhibit center.

In an open letter to Coventry residents, CPC notes that Devo "has indicated its intention to build a new city of 20,000 in our town. They have also said time and time again that they are eager to hear the opinions of Coventry residents and that such opinions will significantly affect their future planning."

CPC has decided to hold a splendid affair which will let the Process Devo people know exactly where Coventry folks stand on the question of a new city.

The letter goes on to say that all Coventry citizens are invited to the event, which "promises to be a fantasmagorical affair with plenty of music, bands and general noise, singing, speeches, and perhaps even a few displays featuring other points of view."

Coventry CDC Stockholders Meet

The Coventry Development Co. will have its annual stockholders meeting tonight at 8 at the Capt. Nathan Hale School. An announcement concerning the first tenant in the CDC's industrial park will be made, and election of officers is also on the agenda.

The CDC is a private corporation controlled by local stockholders, for the purpose of drawing industry to town. The group owns a 30-acre site on Rt. 31, across from the Miller-Richardson Field, on which it plans to put in an industrial park.

GOP News
Beginning soon, Republican members of various town boards and commissioners will be asked to make a brief presentation at each of the monthly GOP Town Committee meetings. The Republicans have set Aug. 23 as the date for a caucus, at which candidates for the various elective offices in the November municipal election will be selected.

The GOP Town Committee has accepted the resignation of Mary Jo Koock with regret. All town committee members are being urged to promote good attendance at the annual budget town meeting on May 21.

It has been announced that the Young Republicans Club will have a golf tournament on May 15 at the Skunkamogus River Golf Club, Folly Lane.

Bulletin Board
The Town Council meets tonight at 7:30 at the Town Hall and is expected to act on the proposed 1973-74 budget at this session, making final recommendations prior to the May 21 town meeting.

Also on the agenda is discussion of an ordinance for improvement of private roads, a dam report, an interim report from the Historic District Study Commission, and a parking ordinance.

Rham Vote Tonight On Budget Of \$1,693,856

ANNE EMT

Tel. 228-3971

The Regional District 8 Board of Education will present its 1973-1974 proposed budget of \$1,693,856 for a vote this evening at 8 in the Rham High School auditorium.

Voters from the district town of Hebron, Andover and Marlborough will have the opportunity to either accept or reject the budget which represents a \$225,330 increase over the current operating budget. No cuts or increases may be made in the budget.

This budget is the same budget the board presented at its April 18 hearing which was attended by over 100 persons from the three towns.

It represents an \$118,508 increase for Hebron, a \$50,840 increase for Marlborough and a \$48,875 increase for Andover in their levies.

Although all the towns are experiencing increases, Hebron's will be the highest since the levies are based on a percentage of the enrollment by town.

It is estimated that Hebron's percentage will be 46.65 as opposed to 45.71 this year. Both Andover and Marlborough's percentages have dropped slightly: Marlborough from 30.45 to 29.85 and Andover from 29.54 to 28.50.

The Zoning Board of Appeals has scheduled a public hearing tonight at 7:30 at the Town Hall. The Coventry Policemen's Association is requesting permission for a carnival on the high school grounds this spring.

Also to be taken up is an appeal by Mark Magyar of Springfield, Mass., appealing restrictions on erecting three advertising signs at the Gilead station at Rts. 44A and 31.

Frank Spencer, on behalf of Nathan Hale Gas Service, Inc., of South St., is appealing a ruling of the building inspector and is asking that he be allowed to install a 20,000 gallon liquid petroleum storage tank.

Donald Douville, Lake St., is appealing zoning regulations to allow occupancy of a house on Healy Ave.

Rev-Share Teams To Check For Compliance

WASHINGTON (AP) - The Office of Revenue-Sharing will dispatch teams of investigators in the next two months to check compliance by local and state governments with the new civil rights provisions and other requirements of revenue-sharing regulations.

Graham W. Watt, revenue-sharing director, said the compliance investigations will be conducted in the 100 state, city and county jurisdictions which cumulatively have received more than 50 per cent of the \$6.6 billion so far distributed under the program by the federal government.

"Besides the civil rights provisions, Watt said the teams will also check on accounting requirements. Each team will be composed of one staff member from the Office of Revenue-Sharing and one auditor on loan from other federal departments. The investigations will begin May 9 and will continue for the next two months.

Watt made the announcement in remarks prepared for a meeting of the National Association of Minority Certified Public Accounting Firms. The revenue-sharing

regulations give the Secretary of the Treasury authority to withhold all revenue sharing money from any jurisdiction determined to be in violation of civil rights provisions of the 1972 act until compliance has been achieved.

He can also require repayment of funds spent in a "discriminatory activity."

Specifically the act provides that "no person in the United States shall on the grounds of race, color, national origin or sex be excluded from participation in, or denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with funds made available" through the program.

John Parker, deputy director of revenue-sharing, recently told a seminar of state administrators that the civil rights provisions "maybe are the most important compliance area in the whole act in terms of application and administration."

He said court interpretations will decide what constitutes discrimination, but added: "We will have to depend upon you in what civil rights compliance means in the terms of the act."

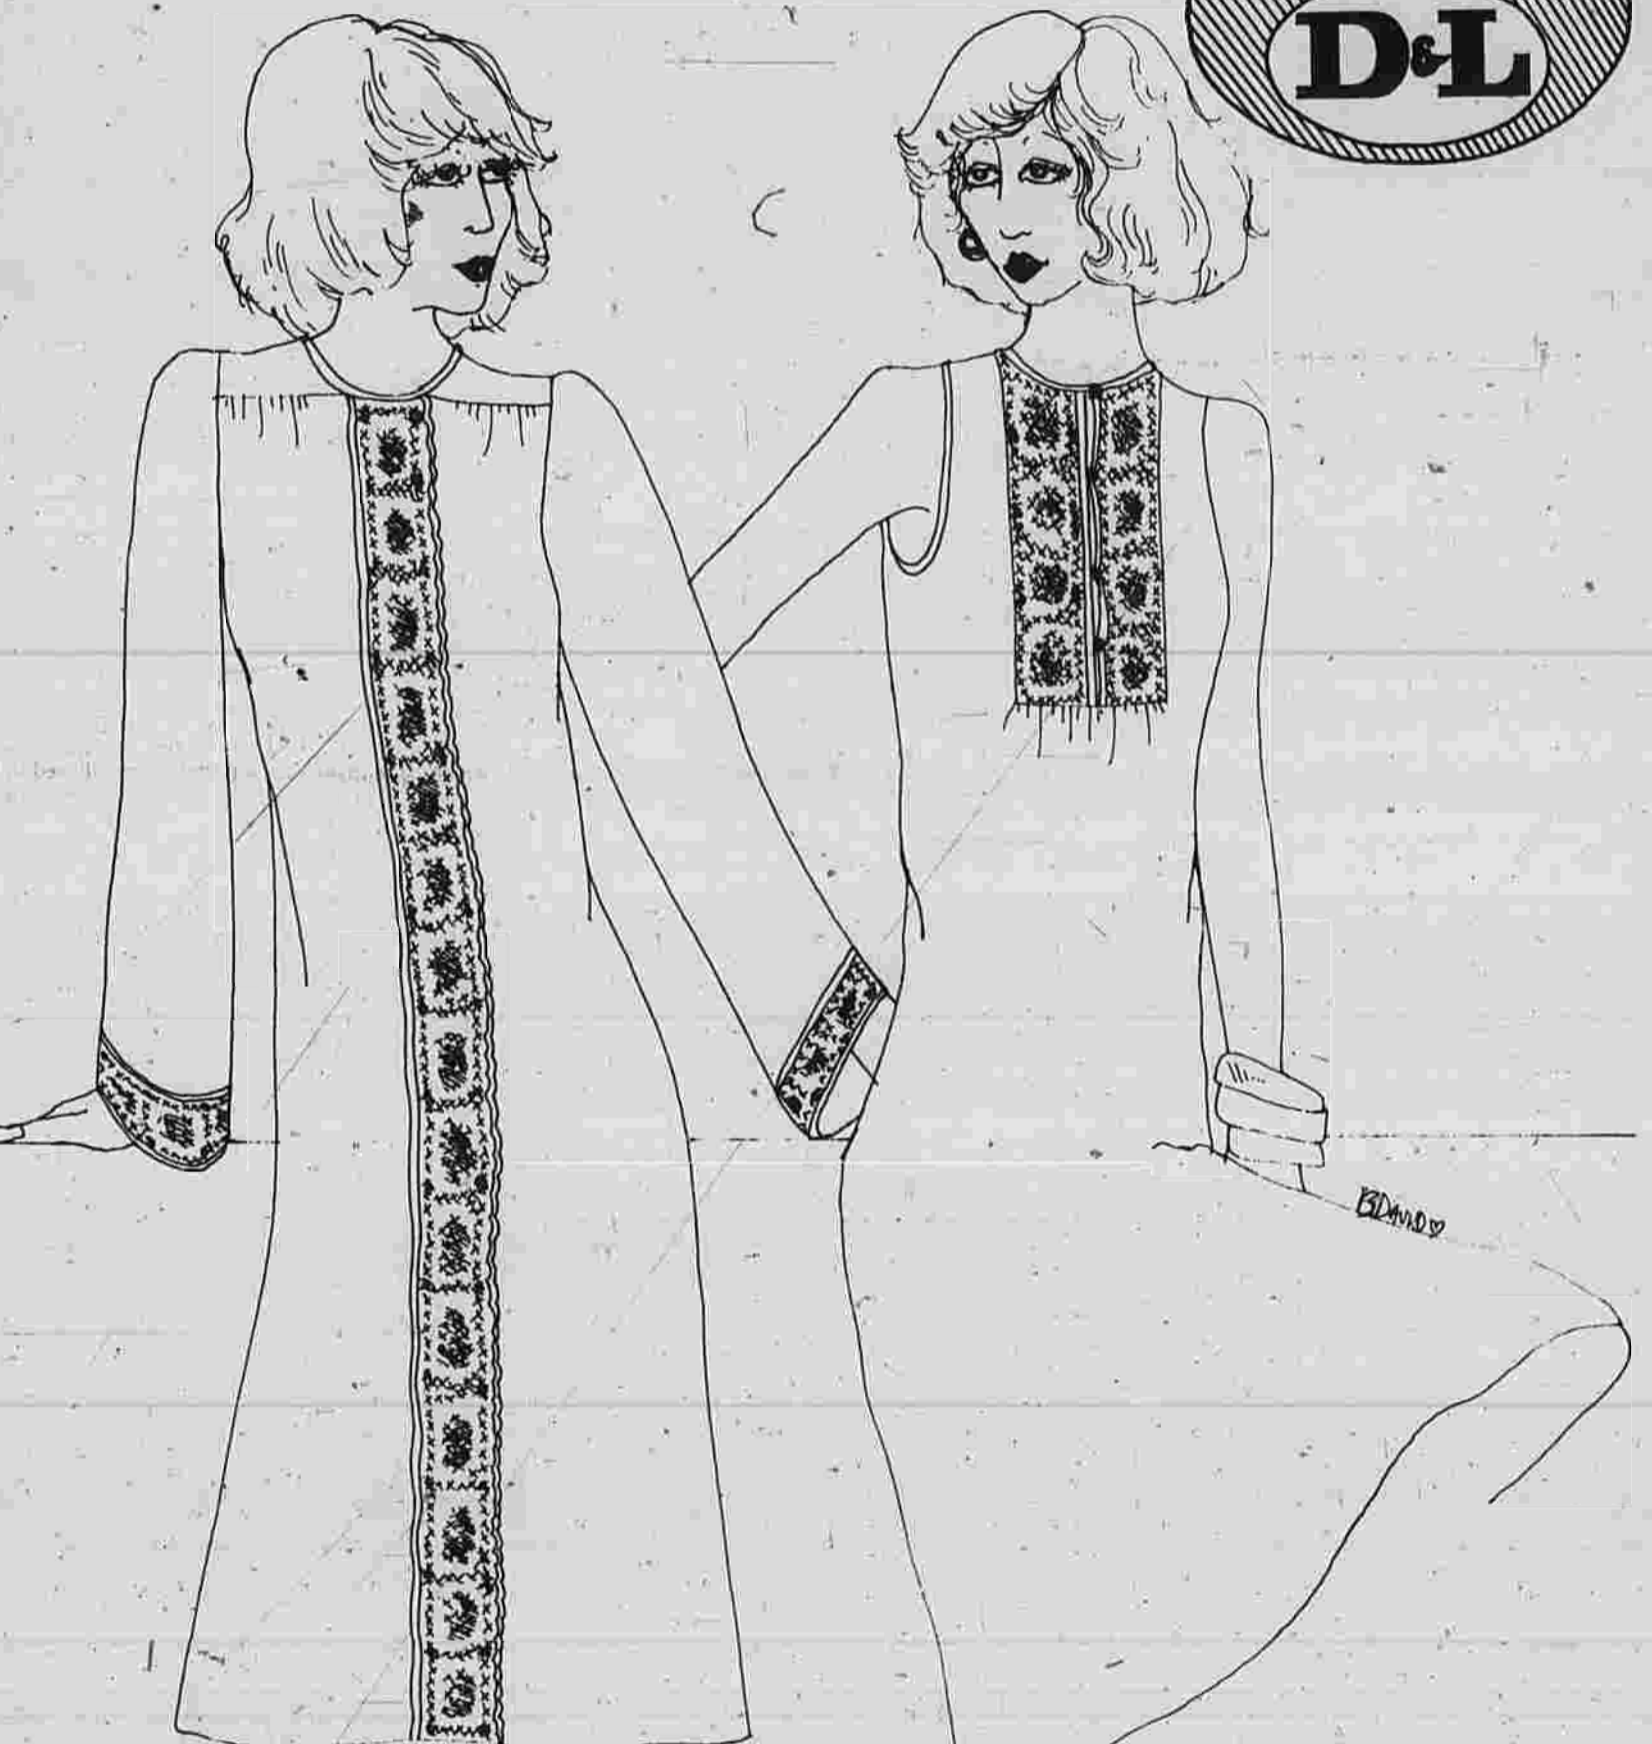

"What the states do, for the most part, local governments will follow," he added.

Vernon Council Conducts Hearings Tonight

The Town Council will conduct a special town meeting and public hearings on three ordinances starting at 7:30 tonight, prior to its regular meeting at the Administration Building.

Dooley Raps Budget

"A bundle of warped priorities and false security" is the way Vernon's State Rep. Thomas H. Dooley describes the revenue and spending plan adopted by the Legislature.

Dooley, a Democrat, campaigned in 1970 and 1972 on the issue of economy in government. He said he urged his constituents to take a close look at what they're being required to pay to the state during the next year and what they can expect in return.

Dooley charges that a portion of the tax dollar will never be spent for the rendition of services or the payment of interest on the state debt.

In his weekend statement, Dooley said he praised Gov. Meskall's efforts to put the state back on a sound financial basis and conclude deficit spending.

He further explained that even an attempt to require monthly statements on Connecticut's financial condition was not sufficient.

Insurance Forecasts See More Good Than Bad

By JOHN CUNIFF, AP Business Analyst. NEW YORK (AP) - Because they must plan their investments years ahead if they are to guarantee policy payments years ahead, life insurance companies are forced to look deeper into the future than some other companies.

One of them, Metropolitan Life, has just issued a forecast of the economy not just for next year but for the next five years, right through 1977. They foresee more good news than bad. But they also see what you probably knew they would.

Unemployment is expected to remain near 5 per cent, which is still considered unacceptable. However, the number of jobs will rise sharply. The percentage of family unit earnings less than \$10,000, which shrunk from 66 per cent in 1967 to 43 per cent in 1972, is forecast to fall to 29 per cent by 1977.

Per capita income, which was \$2,800 last year, is expected to rise to \$3,250 in 1977. And family income before taxes, which averaged \$9,000 in 1967 and \$12,400 in 1972, is forecast to rise to \$17,000.

States Report Millions Unclaimed In Lottery Money

BOSTON (AP) - The pool of uncollected prize money from state-run lotteries in New England totals \$1.7 million, state officials say.

The states that have lotteries, Massachusetts, Connecticut and New Hampshire, hold the winnings for one year, then turn them back into the prize pool, while the rest go to the causes supported by lottery profits.

Uncollected winnings from race track bets are smaller than lotteries, totaling nearly \$420,000 in 1971, the last year for which complete figures are available. All the New England states except Connecticut have tracks.

Psychiatrists Cite Danger Of Easy Commitments

FARMINGTON (AP) — The ease with which psychiatrists can commit people involuntarily to mental hospitals presents a danger that the profession may be used for political reasons, say two psychiatrists.

"We have to face the fact that in this age of anxiety and doubt, the mental health profession may become a fifth column for the control of the masses and that the profession's own political naivete obviously makes this a serious danger," says Dr. Michael A. Peske and Ronald M. Wintrob.

The psychiatrists, both associate professors of psychiatry in the university's School of Medicine, said one way to improve the situation would be uniform commitment standards.

The doctors said in a report today prepared for the annual meeting of the American Psychiatric Association in Honolulu, Hawaii, that they surveyed 70 psychiatrists from all over the world.

The results, they said, indicated that psychiatrists often don't understand the legal aspects of the commitment proceedings.

"Most psychiatrists felt they knew the commitment laws in their areas. Many, however, proved to be inaccurate in their understanding."

Many were confused between statutory criteria (protecting the individual's civil rights) and appropriate medical practices.

"Many, when given a hypothetical case involving a suicidal patient, preferred to commit. Thirty-two psychiatrists feared being sued otherwise."

The psychiatrists cited "potential harm to self or others" as a reason for commitment. Another 20 per cent mentioned "psychosis," and 16 per cent said they would commit on evidence of "inability of patient to take care of self."

"Those Were the Days" featuring Pattie Maneggia and Pam Muro.

The concert will conclude with the singing of the National Anthem by the combined choruses and audience, accompanied by the Center School Band.

The program is under the direction of Mrs. Sandra Schenker and Mr. Edward DiPronzo.

The Bolton Coop Nursery School has a few openings left in both the two-day and three-day sessions for the 1973-74 school year.

The entrance age has been lowered this year. A child may enter the school if three years of age by Dec. 31.

Contact Mrs. John McLarmey, Freedom Rd. for more information or an application.

Congress Again Attempts Committee Modernization

WASHINGTON (AP) — Even like other congressional reforms that seemed impossible at first but were finally achieved, this one has everything about it right now but still might come off.

The committee system is the vital structure of Congress. All legislation proceeds through committees to the House floor, and each committee's jurisdiction is its sole purpose for existing.

In the area of transportation, for example, air travel is a matter for the Commerce Committee; highways are under the Public Works Committee, and mass transit is the concern of the Banking and Currency Committee.

"There is too much obsolescence, too much structural decay, too many cross-jurisdictions and overlaps, too much erosion by time in our committees," said Rep. John C. Culver, Iowa, in a letter to his House colleagues last December that helped get the current study under way.

Culver is one of five Democrats on the Bolting committee. The others, in addition to Bolting, are Reps. Robert G. Stephens, Ga.; Lloyd Meeds, Wash., and Paul S. Sarbanes, Md. The Republican members are Dave Martin, Neb.; Peter H.B. Frelinghuysen, N.J.;

Researchers Report New Typhoid Strain

CHICAGO (AP) — A strain of typhoid fever caused by a strain resistant to chloramphenicol, a drug generally used to treat the disease, have been imported to the United States, said Dr. Ruth M. Lawrence, Elliot Goldstein and Paul D. Hoepflich of the University of California School of Medicine at Davis and the Sacramento Medical Center.

The type of typhoid currently is epidemic in northern and central Mexico, the researchers reported in the May 7 issue of the Journal of the American Medical Association.

"The coincidence of large numbers of American tourists and epidemic typhoid fever in Mexico virtually assures the continued occurrence of imported typhoid, particularly in the border states," the researchers wrote.

At least seven cases of typhoid fever caused by a strain resistant to chloramphenicol, a drug generally used to treat the disease, have been imported to the United States, said Dr. Ruth M. Lawrence, Elliot Goldstein and Paul D. Hoepflich of the University of California School of Medicine at Davis and the Sacramento Medical Center.

PORT ELIZABETH, South Africa (AP) — A local newspaper, Die Oosterg, reports that a ghost has been sighted in the New Law Courts Building. The apparition is that of a uniformed policeman, the paper said, and it has been sighted near the charge office and also in a toilet.

Keefe Hurls MCC To Twinbill Split

By Chris Blake

Jim Keefe pitched a four-hitter in his first start as Manchester Community College topped Mattatuck C.C., 4-3, for a split of its doubleheader at Mt. Nebo Saturday. Mattatuck took the second contest, 2-1.

Buddy Smallwood started the rally with a single to right. Jim Lehan reached on an error, putting runners on at Mt. Nebo Saturday. Mattatuck scored three runs in the fifth inning to go ahead 4-3.

Another error put Joe Calaci on second. John Acey drove Calaci in with a single to center. After two were out, Keefe reached first when his third strike got by the catcher.

Pitcher Howie Land walked in the final run of the inning. Mattatuck added two more in the sixth and Keefe held Mattatuck in check for his first win in as many decisions. Starter Land took the loss for the Waterbury club.

The second game featured a tight pitchers duel between Manchester's Russ Bloudeau and Mattatuck's J. Sternberg. The locals drew first blood in the bottom of the fourth inning. Smallwood lined a triple, scoring Keefe from first. Mattatuck countered with

Xavier High Tops Eagles

By Dick Ledbetter

A two-out double by Joe Marchese in the bottom of the seventh inning brought Dave Weseloch home and gave Xavier High a 1-0 win over East Catholic Saturday morning at Middletown's Palmer Field. Sophomore Terry Hickey suffered the loss as the Eagles managed only four hits off Fred Tremaglia.

Bob Oliver Carl Kleinstuber Sally Granato

Both pitchers hurled excellent ball and each pitched out of a number of jams. East managed to lead the bases in the fifth and seventh innings but each was Tremaglia escaped any damage by retiring Eagle batsman Tom McKean. In the fifth, McKean hit a ball 400 feet, but it was caught at the center-field wall. He struck out in the seventh and killed East's attempt to score.

Only two men reached second for Xavier until the seventh. In their half of the inning, Joe Pagano led off with a single. Weseloch also reached second with a single. Hickey then relieved the pressure by catching Pagano off second with a beautiful pick-off play. He struck out the next batter to get Xavier's lead.

Terry pitched an excellent game, commented Jim Penders. "It was just a matter of their catching McKean's drive and us not catching Marchese's. I hope to start hitting with men on base."

The winners received trophies from Bernie Giovinio, Parkside Lanes manager, plus cash awards. The runners-up received awards. The MVP of the game was Bob Oliver.

Oliver who sported a 177 season average won the odd game in his set with Powers, taking the first, third and fifth. Powers copped No. 2 and No. 4. Oliver's 223 was the day's best score. Oliver averaged 179 for his efforts and Powers averaged 163.3. He carried a 179 average into the tourney.

Kleinstuber and Bassett averaged 174 and 173 during the league season but the former yesterday afternoon were the first for all three in town competition.

Reed, Monroe Happy, Lakers' West Hurting

NEW YORK (AP) - Willis Reed and Earl Monroe are happy - and Jerry West is hurting.

With Reed playing 'my most important game,' Monroe giving him 'the key of the playgrounds and West not having a healthy leg to stand on in the fourth quarter, the New York Knicks beat Los Angeles 77-83 Sunday afternoon to take a 2-1 lead over the Lakers in their National Basketball Association championship series.

"I don't know if it was my best game since the injury back in 1970, but it certainly was my most important one," said Reed. "West's solid man in the middle who scored 22 points and grabbed 10 rebounds against Los Angeles' Walt Chamberlain."

"I hope so," said Kerlan. "But a decision won't be made until game time." Lanky Phil Jackson presided over the Knicks in the third quarter, when he filled in for Dave DeBusschere, who was in foul trouble.

World Puck Title Gained by Whalers

BOSTON (AP) - Teddy Green, a veteran hard-hitting defenseman, sat with mixed emotions. He has been the route in many ways.

Green had a satisfied look, but tried to conceal any appearance of strutting Sunday after his New England Whalers defeated the Winnipeg Jets 9-4 for the first World Hockey Association championship.

Whalers' top targets when the WHA was formed. The New England owners immediately signed Jack Kelley, who had led Boston University as a general manager and coach.

Frustrating

CLINTON, Mo. (AP) - Unlike the mighty Casey of Mudville baseball fame who finally succeeded in striking out the Danville nine, Danville didn't even get to bat.

The team left Danville, Ill., by bus Saturday for a 200-mile trip to Clinton for a Midwest League baseball game.

The squad had gone only about 20 miles when the bus had a flat tire. A spare tire was put on, but it blew out with some 90 miles still to go.

A call to Danville brought a school bus to pick up the stranded team, and it arrived with the erstwhile squad at 8:45 p.m.

The team then was completing warmups 55 minutes later when the umpire called the game because of rain.

Secretariat Goal Now Triple Crown

LOUISVILLE, Ky. (AP) - Secretariat, his image shining brighter than ever, now takes on the task of trying to win the Triple Crown and his opposition might not be too great - at least in numbers.

"He ran pretty good for a colt," jockey Ron Turcott said Sunday after Secretariat wiped out runners that he had a knee problem with in the Kentucky Derby.

"You know something he might have run that in 1:58 if he had all right," Turcott added. "With his stature damaged by an upset loss in the Wood Memorial April 31 and rumors sweeping Churchill Downs Saturday that Secretariat had a knee problem, he might even be scratched."

Secretariat responded by beating Sham by 2 1/2 lengths in a record time of 1:59.4 for the 1 1/4-mile Kentucky Derby.

"There won't be many trying him in the Preakness," said Jim Goin, adding that he was taking Shy Guy, who finished sixth, back to Chicago.

"I'm going to weigh things over," said trainer 7111 Dick Hatfield, whose horse finished third, 10 1/2 lengths back of the flying winner.

Winners for the Triple Crown are Secretariat in the Preakness, the second Triple Crown race at Pimlico May 19, and Sham, who won the Kentucky Derby May 20.

USA Five Holds 3-1 Advantage

NEW YORK (AP) - The fifth of seven games between the Russian National Basketball team and a collection of American collegiate basketball stars gets underway tonight at the Madison Square Garden.

The Americans have won three of the four games played in what has become a rough and tumble series.

Saturday night the Americans built a 22-7 lead, then without a Russian comeback for an 85-75 victory.

The U.S. team was led by Providence College star Ernie DiGregorio and Marvin Barnes, DiGregorio had 20 points while Barnes collected eight.

Although coach Bob Cousy described the game as "the cleanest so far," there were 86 fouls called and 10 players fouled out. The games are played under international rules.

Best Yet to Come For Crampton

HOUSTON (AP) - "I told you earlier this year," Bruce Crampton said, "the best is yet to come."

"The good things are just getting started," Crampton had just polished off a one-stroke victory - he led by three to five most of the final round and it got close only at the end - in the Houston Open golf tournament Sunday.

The current Masters titleholder, Tommy Aaron, wasn't a factor. He had a final 79 for 298.

It got close only at the end. Crampton had built a four-stroke lead with rounds of 66, 70, 72 and 72, but he never really was threatened.

"I wouldn't say I was conservative," Crampton said, "but I wasn't going to let myself get into a hole. I could keep making pars, I wouldn't be in such bad shape."

Final scores and money winnings (a-denotes amateur): Crampton \$41,000; 70-71-70-67-278; Stockton \$23,370; 70-71-70-67-278; Wadkins \$14,555; 69-69-72-281; Coody \$9,020; 72-69-72-282; Thompson \$9,020; 72-71-69-282; a-Cramshaw 69-71-72-283; Fumesth \$7,380; 71-71-70-283; Graham \$6,304; 72-71-69-284; Glenz \$6,304; 74-70-71-69-284.

Miss Prentice had a final round of 77 and finished tied for 11th. Kathy Whitworth, who started one stroke back, could do no better than 75 and a tie for 72.

Playoffs shot an even-par 72 over the 6,300-yard Raleigh Country Club course.

"With the weather the way it was, I thought it would take at least a 70 to win," said Mrs. Rankin, who started the day tied for 11th with Prentice at 145.

"There's no getting around it. Wilt really polices the lane," conceded Monroe, who like Chamberlain on the playgrounds of Philadelphia.

"I didn't want to gamble on possibly losing him for the rest of the series by putting him back in," Sherman explained.

"I felt okay, but there are other games," Dr. Robert Kerlan, the LA team physician, echoed Sherman.

"If this had been the final game of the series, I think he would have played," Kerlan said. "But there are other games."

Dick Allen Bunt Key to Big Rally

CHICAGO AP — The Chicago White Sox and Wilbur Wood kept on doing the same old thing Sunday — winning — but slugger Dick Allen tried something new.

The Sox won their ninth in a row and 13th in 14 games as the expense of the New York Yankees, 11-2. Wood won his sixth in a row to raise his mark for the season to 7-2.

Allen, who led the American League in home runs last year, bunted for a base hit to help set up the first three Chicago runs. It was the first time he had done so in two seasons with the Sox, and he admitted he did it on his own.

"No, they've never given me the sign to bunt," he said after the game. "I'll do anything to put a run on the board."

Allen has been suffering from a jammed thumb on the left hand for the last three games.

He'd thrown me two of them," Watson said. "The third one I parked. This is the first ball in four years I've ever hit hard off him. In those four years he's really hung me up."

Home Run Balls Help Reiser KO Victim In Baseball Brawl

CHICAGO (AP) — The Boston Red Sox met the Chicago White Sox today and went to get back into the winning column after their losing series in the second game.

Southpaw John Curtis, 0-2, will pitch for the Red Sox against Stan Balboni, 4-1.

Boston, with a 9-13 mark in the American League East, won the first of the three games at Bloomington, Minn., dropping Sunday's game 10-3. Luis Tiant, 3-5, was tagged for the second run, he gave up only seven all of last season.

"We're getting lousy pitching," Carlton Fisk, Boston catcher said. "The balls are all sitting right there for these other guys to hit, and believe me, they're hitting them."

Bobby Darwin hit a high slider 484 feet with one on in the second inning for the first homer off Tiant. Larry Hite blasted the ball into the left field seats to open the fifth inning for the second.

The Red Sox got two of their runs in the first inning when Tommy Harper singled, scored from first as winning pitcher Bill Hands threw the ball past first baseman Harmon Killebrew after hitting a high bouncer off the bat of Luis Aparicio and Reggie Smith singled home Aparicio from second.

In the Boston fourth, Ben Ogilvie singled and went to second on an error, was sacrificed to third by Doug Griffin and came home when John Kennedy singled.

Penny High Wists the local courts on Monday in another league match.

Results: singles — Saunders (M) def. Santomero (P), 6-5; Hader (M) def. T. Deposito (P) 6-1; 6-4, Sink (M) def. P. Deposito (P), 6-0; 7-6; Mustone (P) def. Stone (M) 5-6, 6-3, 0-4.

Watson Homer Key Hit

NEW YORK (AP) — After watching two big McGraws screwball to left fielder, Houston's Bob Watson calculated the New York Mets pitcher would attempt another. The hurler obliged and Watson belted it for a three-run homer in the sixth inning that lifted the Astros from behind and helped them win their National League baseball game 14-8 Sunday.

"He'd thrown me two of them," Watson said. "The third one I parked. This is the first ball in four years I've ever hit hard off him. In those four years he's really hung me up."

Lee May's grand slam blast highlighted a seven-run outburst in the seventh after Cesar Cedeno's RBI double and Watson's homer tied it 7-7. The Astros scored their first run in the seventh on Jimmy Wynn's bases-loaded walk and an infield single by Watson brought home the second run before Houston's third homer, a double by Doug Rader closed out Houston's scoring.

"I got a slider," May explained about his blast off Sadecki, who relieved McGraw in the seventh.

"I knew he was going to throw me one. This is one of the slowest starts I've ever had in the majors. Every day I seem to be swinging differently. One day I'm lunging at the ball, the next day my hands aren't quick enough. I don't know what's wrong. All I can do is keep swinging," May added.

The Mets took their 7-3 lead with a four-run third inning capped by Jim Fregosi's run producing single and a three run fifth ignited by Ed Kranepool's two-run base hit.

McGraw said he has been throwing well, but claimed the problem wasn't below the neck.

"It's not physical," McGraw said between the ears. "I'm either going right across the plate or I'm not even coming in. I'm warming up in the bullpen, everything's working fine. I get in the game and everything goes out the window."

SILK CITY
 In the first of two makeup games at Fitzgerald Field yesterday, Groman's Sport Shop trounced Lynch Toyota, 8-5.

Steve McAdam paced the winners with a 3-3 plate appearance while Mike Reardon and George May each collected two hits. Dave White collected a solo circuit ball.

For the losers, Bob Wojciechowski had a perfect 3-3 night followed by Greg Kuhn with two bingles.

The second contest saw Acadia Restaurant nipping Moriarty Brothers, 5-4.

Collins Judd and John Barry paced Acadia's attack with three hits.

Moriarty's Chuck May, Jim Kingsley and Kent Smith each produced two singles.

Lolich Not Winning, Martin Not Worried

NEW YORK (AP) — What's wrong with Mickey Lolich?
 Nothing, says Billy Herzog.
 Maybe, says White Martin.

The left-handed ace of the Detroit Tigers, who pitched 703 innings and won 47 games over the past two seasons, is having his troubles in 1973. Following Sunday's 7-2 loss to the Texas Rangers, in which he was creamed for nine hits—he also walked six—and all seven runs in 5-2-3 innings, Lolich shows a 1-4 record and a 4.15 earned run average.

Elsewhere in the American League, the Chicago White Sox maulled the New York Yankees.

Town Adopts \$18 Million Budget

Council Recommends \$3,445,317 Budget

HOLLY GANTNER
The Town Council has completed its deliberations on the 1973-74 budget, and is recommending a 12.5 percent increase over the current figure.

The council voted 6-1 to present the final budget to the town meeting on May 21, when residents will have the opportunity to approve or disapprove the proposed appropriations for the new fiscal year, which begins July 1.

In the final budget, the Town Council has cut the police department from \$1,388,750 to \$1,282,000. The final figure represents a mill rate of 56.2 or 11 more than the present tax levy of 55.1 mills.

Manchester's General Fund Tax rate has been cut two mills for the fiscal year starting July 1 and will be at 46.66 mills, it currently is 48.66 mills.

The Board of Directors, by a unanimous vote last night, adopted an \$18,184,076 General Fund budget and the 46.66 mill tax rate for 1973-74.

Also by unanimous votes, it increased the Town Fire District tax by 28 mills, bringing it to 5.55 mills, kept the tax for the Downtown Taxing District unchanged at 8 mills, and increased sewer fees from their present 90 cent ratio to water rates to 100 per cent.

Except for the General Fund budget and tax rate, all budgets and tax rates adopted last night exactly followed the recommendations of Town Manager Robert Weiss.

Weiss had recommended a two-mill increase in the General Fund budget. He had recommended an \$18,408,865 budget. Actually the directors cut only \$227,788 from it - less than the equivalent of one mill.

The \$11 million allocated is \$20,491 less than requested but \$16,900 or about 8 per cent more than the schools received for the current year.

The Sewer Fund allocation was \$5,141,300, a \$100,000 increase over last year's \$5,041,300. The Downtown Taxing District Fund budget is \$38,250, exactly the same as the current year's \$38,250.

A bench has been placed in the bus shelter at Bandstand. A pay telephone will be installed soon, the transportation department said.

Thomas N. McCrystal, 33, of 157 Virginia Rd., Tolland, was charged Friday with operating a motor vehicle while under the influence of liquor and evading responsibility. Court date is May 21.

Francis F. Geiger, 31, of Willimantic, was charged on a Circuit Court 12 arrest warrant with fourth-degree larceny of an employee of the Fuyva Shoe Store, Spruce Plaza.

The robbery which occurred at 10:08 Friday night at the Connecticut Bank and Trust Co.'s Parkside branch, netted the thief nearly \$600.

In all the robberies, a lone gunman wearing some sort of mask held up employees of area businesses as they were making night deposits. It is unknown if a vehicle was used in any of the robberies.

Columbia Requests, Complaints Heard by Selectmen

Several residents appeared at a recent Board of Selectmen's meeting with various requests and complaints.

Lee Adams of Oakwood Lane requested repairs of his sidewalk which he says is cracked because cars are driven over it to avoid a boulder in the road.

He said the matter had come before the selectmen in February when he told them a ditch in the area was full of leaves and debris and water run-off from the hill had built up on the road and turned to ice.

Adams said he thought there should be a drainage ditch in the emergency room of the general hospital where he was treated for minor injuries and discharges.

The Oakwood Lane residents also brought up the matter of the sanitary landfill site on Rt. 6.

Sellers was one of the circulators of a petition filed with the town clerk calling for a special town meeting to rescind the purchase of the property. The petition has not been filed.

Bates said in 1969 the state told the town to stop operating the old Doubleday Rd. site but then granted three or four extensions while officials tried to find another site.

He said if residents vote down the Rt. 6 property and the state orders a halt to the Doubleday Rd. site, "the town will be in big trouble."

Selectman Joseph Sreglia said selectmen should hire an engineer immediately to work on the beach.

Students To Run King's Tuesday Night

Students in Manchester High School's distributive education classes will "take over" King's Department Store at the Parkade Tuesday, displacing the store's regular employees from 6 to 10 p.m.

The students will be responsible for the total operation of the department store. King's will retain a handful of the regular 60 employees just in case of emergency.

MHS's distributive education course is part of the school's COEP (Cooperative Occupational Education Program) and is designed to prepare students for careers in retailing and distribution.

COEP instructor Mrs. Nancy Grassilli said.

Mrs. Murphy also asked who was responsible for placing three signs in the area between her home and the public beach. The signs used to be placed at the end of the fence separating the two properties, she said.

The signs, on the fence beside the Beach Rd. and one on a stake in the area, read "Do Not Park Here Per Order of the Selectmen."

Mrs. Murphy said there were cars and boat trailers alongside the gate and she was unable to get in or out, although the parking lot was empty.

Selectmen said they would take care of the signs.

Mrs. Murphy also said there should be running water at the public beach year around. She pointed out that when the beach is closed there are no sanitary facilities, no drinking water and no telephone.

Bolton Voters Re-Elect Morra

Richard Morra was re-elected to a sixth term as first selectman in Bolton yesterday.

Republican incumbent David Drosely and Democrat Leon Rivers were elected to serve on the Board of Selectmen.

Morra received 690 votes, Drosely 589, and Rivers 509. Democratic nominee for first selectman Virginia Butterfield received 425 votes.

Other voters on the boards are as follows: Town clerk, Catherine Leiner; town treasurer, Catherine Peterson; tax collector, Elaine Peterson; and agent of town deposit fund, Catherine Peterson, all Republicans.

Also Board of Tax Review, Allan Hoffman (D); Planning Commission and alternate, Robert Gorton, Renato Cosentino, Albert Hopper and Janet Gleason all Republicans, and William Ferguson, Robert Morra, (R) and Joe Hoffman (D).

Also fire commissioners John Whitman, Albert Hopper, Richard Quayby (R) over Rivers and Lawrence Shaw (D).

Rivers led the Democratic ticket as first, second and third place top vote-getter. He was running for fire commissioner, 597, constable, 529, and selectman, 509.
