DevCo Land Purchase Opposed

If any group of citizens in the town of Coventry, or elsewhere, would like to see the DevCo land used as "open space" I would suggest that these people band together and voluntarily purchase the land for this or any other purpose. However, for the town officials to purchase this land would mean that each individual in the Town of Coventry would be forced to financially support this "open space" whether or not he cared to do so Since taxation is, at present, a reality, I would suggest that this purchase would cost taxpayers a considerable sum of money in lost tax base, purchase price
