regarding discrimination. Actually, though, these big city political leaders, industrialists and bankers are afraid of giving up their power bases to the minorities, for after all, in a few years Hartford, if

left alone, will be all minorities. The so-called outside examining board which picked Mr. Smith is not without biases. For example, the Connecticut Housing Investment Fund that chose Mr. Smith is also the same outfit that is going to monitor us. They are also in the business of pushing the building of low income ousing in the suburbs. This same CHIF has on its board of directors one Richard Suisman, a prominent industrialist, who is also on the board of Hartford Process, and of CRCOG. and who works closely with the Urban League. It appears that Mr. Suisman is getting his way and yielding his power through the back

Democratically controlled Board of Directors is acquiescent, or are they helping their Democratic friends in Hartford and Washington to institute President Jimmy Carter's New Urban Policy?

I feel that the selection of Mr Smith is part of a payoff which Manager Weiss had to make in getting J.C. Penney to come to Manchester, I insist that Manager Weiss should be working solely in the interest of Manchester - not of Hartford. I also think that we should give back the \$483,000 grant to HUD, and tell Mr. Smith to look for a job elsewhere, before we start having

My problem is that so many "guesta" carry away my property that I am being driven out of business. Will you help me. Abby, and print the following for travelers:

"I don't mind your using my towels to wipe of your windshield—but please leave the towel; don't toss it into your car. Or if you take my washclothes to wipe of your kids' hands and faces en route, please leave a quarter to replace the cloth—that's what it costs me. And when you acci-dentally carry off a key, drop it into any mailbox. I'll gladly

And as for you gals who take blankets, pillows, coffee pots, dishes and silver—have a heart! I'm sure you have much better at home. "I don't want to start charging deposits against the re-
