Luis Robenson

NEW YORK (UPI) - Luis Robinson, who hijacked a bus to Kennedy Airport July 4, 1977 and killed two passengers - one from Massachusetts - was sentenced Friday to 15 years to life in prison "It is unfortunate that society finds some of its members invisi ble until they commit some heinous acts," Queens State Supreme Court Kenneth Browne said in imposing sentence. "This court cannot and will not follow

that pattern." Right on Red HARTFORD (UPI) - Trying to

figure out when it's legal to turn right at a red light in Connecticut has become so confusing, you'd probably be better off walking or aking a bus.

Until recently, drivers were allowed to turn right at some red lights in the state. Now, because of an unintentional legislative foulup, motorists can't legally turn right at any red lights. But fear not. Next July, the Department of Transportation informs us, we will be allowed to turn right at most red lights. Confused? You're not alone.

effects of tax policy on the supply side of the economy, that is the level of full employment output and its growth. The key to economic growth and rising household incomes is increased labor productivity. This requires investment in plant and equipment, in part because labor becomes more productive if it works with more capital, and in part

because new investment is the most

For example, some argue that the corporation income tax, by taxing corporate earnings at almost 50 perent, discourages capital investment in corporate businesses. Others hold that investment depends largely on the economic outlook rather than on Other tax measures, such as the

tax credit for investment and accelerated depreciation, are investment incentives. Such policies may help stimulate

nvestment, but, because they benefit primarily people with high incomes they also conflict with a fair distribution of the tax burden. On the other hand, tax rates that increase steeply at higher income levels might dis courage investment and saving. Clearly, tax policy is not simply a matter of raising revenue in an equitable fashion. The entire performance of the economy must be allowed for as well, though this should be done with least damage to the fairness of the tax system.

COVENTRY, R.I. (UPI) - Autumn is beginning to set in along Plainfield Pike. The postcard-pretty countryside is being transformed into hues of gold, rust and crimson.

seniors for shopping and on the return trip we had 30. p.m. Meanwhile, we had 20 for our oil painting class as they were busy putting their thing together. Pinochle Results

On Wednesday morning, which has become our busiest day, we had 29 members attending our Friendship Circle gathering. We had 16 for the crewel embroidery class. deanwhile, we had our weekly health clinic games with the following winners: Edna Farmer, 582, Billy Stone, 566, Bert Turner, 556, Joseph Carlin, 554, Helen Silver, 552, Ed Scott, 549, Martin Bakstan, 538, Bob Hill, 536, Josephine O'Connor, 528.

To round out the afternoon we had 20 on hand for the craft class, after serving 40 members a nice lunch. We had twenty-some members playing our bridge games and the lucky winners were Marge McLain, 4,340, Marge Reed, 4,030, Mary Sargent, 3,760, Tom Regan, 3,590, and Mildred Cormier, 3.520

So I guess you'll agree that right now we're bulging at the seams. Once we get into the Green School each room will be larger and we'll be able to put each group in their

Financial Report

Thanks to one of our members I was reminded that I inadvertently overlooked the fact that I haven't published a report on last year's annual craft fair and Variety Show. 1 certainly felt that it was mentioned, but in checking through our columns I couldn't find it, so here is a quickie report. For full details, one is welcome to drop by and a member of the Senior Finance Committee will be glad to

One thing that we stress in such fund raisers as above is that the participation by you people is more important than making money. Also, we will state the reason for a fund raising project and where the monies will be used. Both the fair and Variety Show monies are used in our meals program, and believe me, with the prices of food continually on the rise, we find that it's hard to keep our meals at a nominal fee, even with the help of these two fund raisers.

This past year we made more money on the Variety Show than ever before, however, our expenses were very high. Such things as the large amount of canvas for the scenery, lumber, costumes and paint to name a few. However, much of the materials can be used over and over again and should cut down on the expenses of another year. We collected \$4,714, paid out \$3,007.81, and put into our meals program \$1,706.81.

At our craft fair, which was held in November of 1977, we collected \$3,086.81. We spent close to \$200 for expenses. The remaining \$2,921.91 went into our food program. Halloween Dance

Back to the action here at the center - we want to remind you about our big Halloween Dance coming up on Monday, Oct. 30. We'll be having Lou Joubert and his band and prizes for the fancy costumes as well as door prizes with lots of goodies to munch on. Tickets are now available here at the office. Tuesday afternoon our Senior Bowling League saw ac-

tion at the Parkade Lanes with the following results: Class A high triple went to Bruno Girodano, 535, and Mary Chaves, 405. High single honors went to Harvey Duplin with a 231, and Emma Nyquist, 167. Class B high triple winners were Anthony Golas, 460, and Viola Wenzel, 323. High single was captured by

Anthony Golas, 176, and Polly Kenneway, 126. Coming Trips A reminder to you folks who signed up and are on going on the Penn Dutch trip; your final payment is due this week. Also, we are taking the third bus on the foliage trip Oct. 19 and so we ask you folks who signed up on that bus to please get your money in, if you haven't already. By

the way, we will be leaving our center at 9 o'clock for this Don't forget that this coming Monday is Columbus Day and our building will be closed.

We started serving meals on Tuesday noon this past week and had a fair turnout. We hope that more seniors will hear about this noon lunch as we need a few more to make it possible. This means we will be serving a noon meal five days a week, and if you'd like to come, but have no transportation, call our office at least one day ahead and we'll try to pick you up. Menu for Next Week

Monday - Building closed. Tuesday: Tomao rice soup, egg salad sandwich, chilled iruit and beverage.

Wednesday: Steamed hot dog on a bun, baked beans, egetable sticks, homemade apple crisp and beverage. Thursday Baked stuffed manicotti with meat sauce, buttered broccoli, tossed green salad, Italian bread and spumoni ice cream with a beverage. Friday: Homemade vegetable soup, sliced white chicken breast sandwich, pears and beverage.

Guest Speaker Set At Calvary Church MANCHESTER - The Rev. Jim Wellborn of Stow, Ohio, will speak and present a musical program Sunday at the 10:30 a.m. and 6:30 p.m. services at Calvary Church, 647 E. Middle Turnpike.

MANCHESTER EVENING HERALD, Manchester, Conn., Sat., Oct. 7, 1978 - PAGE NINE

The public is invited to attend services. There will be no admission charge. A free-will offering will be received at each service, according to the Rev. Kenneth L. Gustafson, pastor of the church.

One of today's contemporary gospel singers, the Rev. Mr. Wellborn grew up in the small town of Opp, Ala., in a pastor's home. After graduation from South-Eastern College, Lakeland, Fla. in 1973, he entered full-time Christian work.

He has served three years as youth pastor, two years as pastor of an Assemblies of God church in Alaska, and two ears as director of Youth Ministries of the Assemblies of God in Alaska. He is presently recording with Rainbow Records, a division of Rainbow Sound, Inc., and he is on tour throughout the northeast this fall. His wife, Linda, and two children travel with him.

Guests at Emanuel

Tom and Ingrid Murphy of the Christian Thought for Man Ministry, with headquarters in New York City, will be guests at Emanuel Lutheran Church Sunday at the 11 o'clock service. They will lead the liturgy and present a musical message on the text for the day, Matthew 22, verses I through 10.

Both of them are well known soloists in this area and throughout the country. Ingrid, a soprano, is a native of Jamestown, New York and Tom, a tenor, was born in Durham, N.C.

Also, Miss Barbara Lundblad, youth director for New England Synod, Lutheran Church in America, who is presently studying at Yale University, New Haven, will give a brief talk at both services, 8:30 and 11 a.m. At 4:30 p.m. Sunday, she will meet with the Youth Support Group of Emanuel in the Parish House, followed by a supper at 5:30. The youth of the church will have opportunity to meet and talk with her at an Open House at 6:30 p.m., also in the parish House.

'Taking Inventory'

MANCHESTER - Trinity Covenant Church is presently focusing attention on stewardship, giving particular attention to the theme of "Taking Inventory," both spiritual and material, in preparation for faith pledges

Several outstanding guest speakers, who have been invited to both Sunday morning and evening services, will present their recommendations for spiritual growth. Sunday, Dr. Gwyn Walters, professor of ministry at Gordon-Conwell Seminary, Wenham, Mass., will speak at both the 8:15 and 10:50 a.m. worship service and also at the 6:30 p.m. service.

A Welsh Presbyterian minister, Dr. Walters was at one time the traveling secretary in Wales for Inter-Varsity Fellowship. He is presently recognized as an excellent preacher with both "fuel and fire" that enrich his brilliant use of the English language. On alternate Sundays this fall, when there are no guest

speakers, several members of the congregation will pre-sent mini-sermons on the topic "The Meaning of Chris-Stop & Shop 100% Natural tian Stewardship to Me." GREENS & THINGS

298 West Middle Turnpike 643-1635

After almost two years on Broad Street, Greens & Things has moved to a bigger store at 298 West Middle Turnpike, right around the corner from their old location. Pat Lukach, owner of Greens & Things, says, "The larger store area gives us the opportunity to expand our services and the amount of merchandise we carry. One of the primary reasons for moving was to increase our floral section. Besides fresh cut flowers for every occasion, there is also more room to display silk and dried arrangements. The full 800 square foot basement allows plenty of storage for pottery, clay, plastic, glass, baskets, soils, and plant hardware, so it is easier to restock. We also have a second floral cooler down there and a large work area which was really necessary for doing wedding and other flower arrangements. It also permits us to expand our delivery service.

Their Second Anniversary Sale will take place October 8 to October 14. Ten percent will be discounted from all merchandise. Pat and Blue like their new surroundings and hope you will, too. New hours are 10 to 8 daily, Saturday and Sunday 'til 6. The phone number is still 643-1635.

511 EAST MIDDLE TPKE. . TEL. 649-3528

By Ink Dipper Good Buddy, while you've been thinking of the weather and traffic up ahead, the manufacturers of CB radios and accessories have been

ainking ahead, too. Their problem is they can't finger the mike and get a breaker-breaker that will give them the information they need to make their sales skyrocket this Christ-

The reason for all this activity is understandable. There are more CB units sold in November and De-cember than any other two months of the year. The tailers want to be sure they have plenty of goodies to offer potential buyers.

Royce Electronics, a maor marketer of accessories, is announcing est cash rebate program in CB history. On their lower-end models, Royce will give a rebate of \$3.00, \$10.00 on the middle of the line and \$20.00 on their Royce 641 and

Cobra from Dynascan will offer, through retailers, mo-bile underdash models at special prices. The offer will include either a trunkmounted antenna or a mag-netic antenna free with the purchase. With purchase of wo Cobra AM underdash mobile units there will be a power mike offered as

Cobra also is introducing for the holiday season a 40-channel mobile unit that will retail for as low as \$79.95 and base station for \$199.95. Buyers of these can get a Cobra transistor radio for only \$1.99 with the package.

Lafayette is introducing a 40-channel unit that has two receiver sections. While one hannel is being used on the primary receiver circuit, the secondary circuit will monitor any one of the remaining channels. It also ble tell me how to get a has a unique two-way scanning system. AFROGRAMME VIA AIRMAIL PAR AVION

Collectors' Corner

By RUSS MacKENDRICK

This bare-bones picture shows all there is of a design for an aerogram to be released Nov. 3 at the opening day of FLOREX '78 at the Hilton Hotel in St. Petersburg, Florida. This is the annual convention of the Florida Federation of Stamp Clubs, and will also be the site for the meetings of the United Postal Stationery Society and the Confederate Stamp Alliance. There will be special competition in those two areas plus the usual United States, U.N., airmail and topical exhibits.

Scott's Catalogue gives short shrift to aerograms (also called air letter sheets). They have them scattered through the section on airmail stamped envelopes and are difficult to puzzle out. A much better treatment is given in the Minkus "New American Stamp Catalogue." Here all the aerograms are shown together and are well illustrated. The first one was for 10 cents, issued in 1947 in Washington, D.C. It shows a four-engine plane. Another, in 1965, the fourth in the series, has a picture of J.F. Kennedy. There is a flight of doves for Human Rights Year (1968), three floating balloons to commemorate Hot Air Ballooning, and a 'gram with a "NATO" spelled out in large letters to mark its 25th anniversary.

The skimpy design shown here was foreshadowed by something very similar in 1976 - a "usa 22c" in script, red or blue. This one will be blue on white. Orders for first day cancels should be addressed: "Aerogramme, Postmaster, St. Petersburg, FL 33733." Send 22 cents for each one desired. Checks are accepted up to a total of \$44. They request either a selfaddressed envelope or stickers for return.

A complete collection of U.S. aerograms should not be too difficult to achieve. There have been only a dozen so far, with the most costly, the 1958 issue, priced at \$5.50, unused and entire.

The U.N. has put out almost as many. They do have a scarce one, the very first, (1952), which carries a tag of \$38.50.

Canadian Catalog

Collectors of Canadian stamps will be happy to see the 1979 "Canada Specialized," published by the Philatelic Supply Co. of Toronto. Especially so after a tussle with the new "snap-shut" edition of the Harris catalog. The Canada book is on white paper, with beautiful sharp pictures - and it lies flat when opened.

The price is \$3 at delaers, or it may be obtained by first class mail from the publishers for \$3.50. Address them at 127 Cartwright Avenue, Toronto, Ontario M6A IVA, Canada.

Also Useful

Still another useful publication just off the press is the 1978 revision of "Duck Stamp Data." This has 50 large pages plus covers, all punched for a three-ring

Each stamp design is shown enlarged to about 41/2 by 3 inches with a normal-sized stamp lower on the page. They give a short story about each issue with plates used and quantity sold. (Except for the Ross' Goose of 1977-78.)

It is not in color, sorry, but it is still a good value at \$2.50. It is also known as "Fish and Wildlife Circular Number 111." The GPO Stock number to use is 024-010-00455-0. Order from the Superintendent of Documents, United States Government Printing Office, Washington, D.C. 20402.

Doings in Stampdom

Today, at the Norwalk Holiday Inn the first Weekender Stamp Bourse.

Tomorrow, the 8th - Second Sunday Bourse at the Meriden Holiday Inn; and also the Stamp Bourse of the Connecticut STamp Dealers' Association at the Yale Motor Inn in Wallingford.

Tuesday evening, Oct. 10, at Mott's Community Hall — the regular meeting of the Manchester Philatelic Society. Visitors welcome.

If you want to exhibit at the FARVEX '78 in Avon on the 29th, contact Joe Backes, RFD 3, South Main Street, Burlington, CT 06013.
