Occupied Property Rehabilitation rograms, approved by the Town Council Monday night, will increase income limits, raise the amount allowed for construction costs and put a-carb on rent increases. The amendments were proposed by the Housing Rehabilitation Com-

mittee headed by Councilman Robert The committee said that the interest subsidy of \$5,000 provided under the existing guidelines has proven less of an inducement to property owners than was anicipated during the committee's in-

itial deliberations The owner-occupied program was established in 1976 to encourage homeowners in the Rockville section to improve their property to bring it up to local housing code standards The investor-owned program provides interest subsidies to Rockville section landlords who up-

grade their housing units The committee feels that the current interest rates are substantially higher than anticipated and are lower than that envisioned. The amendment will raise the in terest subsidy from \$5,000 to \$10,000 The committee told the council that the cost for construction materials

alone has risen nearly 20 percent over the seasonal breaks, since the fall of 1978. The committee said that the rent stabilization agreement in the program has been relatively well-received by program participants. Board Delays Vote

Identified by the peculiar angle that he holds his trumpet (and always has according to Ralph Maccarone, music teacher at Illing Junior High School), Pantaluk began learning to play the instrument in the lifth grade He said he used to play with his father, also named Peter at weddings and dances. His father played the accordion. After graduation from Manchester High School in the Class of 1963, Pantaluk went on to the Berklee School of

Music in Boston where he received a bachelor's degree in composition in 1970. For three years, he played with Lighthouse a rock group in Canada, that traveled all over Canada, Europe and Japan. The group recorded a number-one hit, "One Fine Morning.

Referred to in the band business as a first trumpet player, which is comparable to a concertmaster in a symphony, Pantaluk has worked with Jerry Lewis, Dave Brenner, Wayne Newton, Phyllis Diller, Sonny & Cher.

Tony Orlando & Dawn, Glen Campbell, Jerry Vale and "They're all good performers," Pantaluk said, "and good to work with." He said Diller and Jerry Lewis are "beautiful people."

Both are quiet people off stage, he said. He added that Lewis is a real perfectionist. Not all Pantaluk's associations have been with jazz or STORRS - Professor Vladimir Prelog, winner of the popular groups. He also Played with the Hartford

Festival activities include adjudication by a panel of distinguished musicians and music educators. Before being chosen the Rham band was required to submit an audition tape and was then selected on the basis of the musical standards determined by the Advisory Council of International Music Festivals.

James J. Julian directs the Rham band which has par ticipated in exchange concerts with Bourne High School of Bourne, Mass, and Seneca Valley High School of Ger mantown, Md. This will mark the first time the band has performed for adjudication on an international level. While in Florida the students will perform for adjudication on April 16 at the Mayor Bob Carr Municipal Auditorium in Orlando. In addition to performing for adjudication, the band has scheduled several independent concerts and will do some sightseeing in the area.

Winners Named In Faculty Race

HEBRON -Stephen Curry, a science teacher at Rham High School, placed first in the second annual Rham faculty and administration road race recently with a time of 16.7 for the 2.6 mile race. Ron Bender placed second and Bill Turner, third.

The first woman to cross the finish line was Mimi Tyler who came in ninth with a time of 18.33. The second voman to finish was Diane Webb

Daryl Hersant, former assistant principal at Rham and present principal at E. O. Smith High School, finished Lost and Found 12th with a time of 19.24. Hersant also received an award or being the first person over age 40 to cross the finish

Water Authority **Panel Proposed**

HEBRON - The Board of Selectmen has agreed to propose an ordinance for the formation of a Water Polluion Control Authority, at the annual town meeting scheduled for May 14 at 8 p.m. in the gym of the Hebron Elementary School

The ordinance will contain such information as the actual number of members the authority should have, and the length of their terms of office. Selectmen will consult with Duane Totten, town counsel.

The selectmen are also seeking interested in qualified persons to serve on the North Central Regional Mental lealth Board. Members of the board must derive at least 10 to 15 percent of their income in the provision of mental health services. Those interested should contact the office of the selectmen

The selectmen also agreed to release a subdivision bond held by the Traveler's Insurance Co. on Northam that the Planning and Zoning Commission also agree to release this bond.

Honor Society Picks Several Members

HEBRON - Last week, 16 Rham High School students were tapped for induction into the W. C. Heisler Chapter of the National Honor Society. All of the students are either juniors or seniors and they must have earned a 3.3 academic average.

Those selected were Margaret Ratti. Edward Rosenthal, Tonya Say, Michael Dreyer, Lynne Boyajian, Michelle Merbler, Lena Calvo, Patricia Maltzan, Mary Vashalifski, Brian Reynolds, Deidre Feeney, Lisa Schwarzman, Shila Fogg, Kellie O'Donnell, Carol Wright, and Sharon Reynolds.

A reception honoring the newly selected students followed the tapping ceremony. A formal induction March, 1979. ceremony will be conducted April 10 at 8 p.m. in the Rham auditorium. State Senator Audrey Beck of Mansfield will be the guest speaker.

Notice of Finding of No Significant Effect on the Environ-This notice is published in accordance with the Department of Housing and urban Development's Rules and Regulations as printed in the July 16, 1975 Federal Register Subsection 58 16 as amended.

The proposed project is to make improvements to selected daygrounds to make them accessible and usable by handicapped children The Town of Manchester has found that improvements to

these playgrounds will have no significant adverse effect on the environment because the project will not affect water uality, air quality or wildlife in the area. It will not increase the noise level beyond the present playground levels. The paved areas leading to the equipment and the modification to present equipment in addition to the installation of new handicapped equipment will be safer and more accessible to

handicapped users The Environmental Review Record may be examined and opied in the office of Human Service, 66 Center Street, during business hours. On the basis of this finding, no further reviews are necessary or will be conducted. The Town in: tends to request release of funds for this project from HUD.
