NEW YORK (UPI) - John Lennon, the former mop-haired Beatle whose music set the beat for a revolutionary youth generation in the 1960's, was shot to death outside his Manhattan home by a man who earlier obtained his autograph on the rock star's new record album, police

The assailant was identified as Mark David Chapman, 25, who was only 7 when the Beatles first burst upon the world stage in 1963 with 1 Wanna Hold Your Hand Police said Chapman killed Lennon onday night with a snub-nosed .38 caliber Charter Arms revolver he bought in Honolulu just six weeks

ago. He was charged with second degree murder and scheduled for arraignment later today. The bespectacled Lennon, who at 40 had launched a comeback with the album "Double Fantasy," fell to the floor of the vestibule of the exclusive Dakota Apartments, the cooperative turn-of-the-century building that is home to hundreds of celebrities in the

Police said Lennon's wife, Yoko Ono, looked on in horror as Chapman assumed a combat stance and pumped five bullets into the rock star's chest and arms.

"I'm shot," Lennon cried and slumped to the floor. The slaying stunned the world. Radio stations were jammed with calls from fans who pleaded: "Tell me it's not true... It can't be true. Hundreds gathered outside the Dakota to pay homage to Lennon, one of the most prolific songwriters of modern time whose music helped define the turbulent '60s.

Seminars set

STORRS- The problems caused by PCB contamina tion of water supplies from the Housatonic River, and in Alabama and Japan, will be the subject of two related talks at the University of Connecticut Wednesday (Dec. 17). Both presentations ar part of the UConn Institute of Water Resources 1980-81 Centennial Seminar Series and will be in Room 200 of the Graduate Center. The talks are open to the public without charge.

The first lecture, which begins at 3:30 p.m., will be The PCB Problem in the Housatonic River." The speaker will be Charles Fredette, senior sanitary engineer of the Connecticut Department of En ronmental Protection. At 4 p.m., Dr. George R. Curry, epidemiology consultant to the Connecticut Department of Health Services, will discuss "PCBs Acute and Chronic Exposure in Human Health Fredette plans to give an

overview of the PCB contamination problem in the Housatonic River, including a status report on the results of intensive studies conducted over the past two years. It will include information on the contamination of sediments, fish, and other aquatic life. Curry plans to begin his presentation with a

poisoning incident in Japan that resulted from inges tion of PCBs in rice oils. He will also discuss low level exposures to PCBs and their health effects based on studies of con taminated fish ingestion from the Housatonic River and in Alabama.

A FITNESS PROGRAM YOU CAN LIVE WITH.

Anyone who has tried to get into better shape knows the trouble with most exercise programs. They're dull. And tedious. And impersonal. You're thrown in with a group of people you've never seen before and expected to keep up with them. Which means you're likely to start out by being embarrassed. And end up by being bored.

At European Health Spas we understand the importance of keeping you interested in your workouts. So you'll keep at them long enough to actually do you some good.

PROGRAMS FOR PEOPLE. NOT JUST FOR BODIES. The fitness experts who designed our exercise programs

made them inherently self-motivating. They're fast-moving and So you'll look forward to your workouts. Not just during the first few weeks, but through every step of your progress.

You'll find our approach is personal and non-competitive. So no matter what your fitness goals So before you consider the free are, you won't have to keep up with someone half your age or twice your strength.

> RESULTS YOU CAN SEE AND FEEL.

With our advanced conditioning techniques, you'll notice results far sooner than most people expect. Real results. That you can measure and keep track of. It isn't that we push you beyond

your limits. Quite the opposite. Instead, we make certain you work out correctly. So you make the maximum improvement without the usual guesswork, overwork or wasted energy.

WE MAKE SURE YOU PROGRESS.

Our staff will give you the kind of personal attention you need to achieve your goals. One-on-one instruction. From professionally trained experts who understand what they're doing and care about doing it well.

To begin with, we'll make sure that the goals you set are sensible and realistic. So you'll know your is the one that will do you the most good. And as program will be modi-

Best of all, a European Health Sparis a pleasant and interesting place to spend a few hours a week With clean, well-lighted exercise areas. Well-maintained, professional equipment. And steam rooms and saunas where you can relax after working out. And pools where you can cool-off before heading home.

ABOUT THAT FREE CAMERA OR CALCULATOR

If what you've read so far sounds interesting, you might enjoy seeing one of our facilities for yourself, Just drop by the European Health Spa closest to you. We'll show you around and, if you like, we'll give you a free fitness evaluation, We'll answer your questions about how a membership works. Unlike a lot of other fitness clubs, we don't hide any of our costs or ask you to sign up forever.

And if you decide to join by February 1st, we'll give you your choice of the camera or calculator we mentioned as a gift.

Considering all the benefits we've discussed so far, it may seem like we're offering you quite a lot. But there's one more thing we'd also like you to consider.

It's the great way you'll feel once you actually do get into better shape. And we think that's the most important reason for joining our fitness club of all.

> DEAR ABBY: When I was outside getting my newspape I saw my son running up the street, leaving his bicycle abandoned on the sidewalk. I called out to him, "If someone steals your bike, I'm not buying you a new one!"
>
> He shouted back, "You didn't buy me the first one —
> Daddy did!" At first I was angry, then I realized it was true.

had never worked outside the home, so everything we had vas paid for with Daddy's paycheck. All I had ever given our son was an enema when he was sick, a bath when he was dirty and a whipping when he was naughty. The chocolate chip cookies and taffy apples he loved so much weren't really from me because without haddy's paycheck, I wouldn't have had the ingredients. Perhaps one day I will become a "liberated woman" and get a job that will bring in some money. Then I'll feel like an

DEAR MR. NACKERS: Thanks for pointing out an obvious but seldom mentioned danger to youngsters.

DEAR ABBY: What to get our elderly mother, Dad. grandparents, aunts, uncles and friends for Christmas? We all have fancy robes, gowns, tablecloths, napkins, etc. stored away, but what we would appreciate most is to have things done for us that we aren't able to do ourselves. For example: Furniture moved, windows and doors repaired, pictures and mirrors hung, trees and bushes planted, and so on. It would be wonderful to receive a hristmas card saying.
