Abby, what kind of toy is this? Do you think children oung enough to play with dolls should know about such

Where will all this end? Next thing you know there will be a boy doll that "becomes a man" when his arm is twisted. I think toys of this kind should be outlawed. Please print your opinion in the paper. Maybe others would like to DISGUSTED IN CLEVELAND

DEAR DISGUSTED: I see nothing wrong with a child's knowing that pre-teen girls develop into shapely young women. I think you're making mountains out of molehills. DEAR ABBY: Although I've always been in a good physical condition, for the last year I've been lifting weights

egularly as a form of exercise. I want to keep my muscles strong and maintain a good physique.

I've had people tell me that weight-lifting is very hard on the heart. Others say it creates back problems, and I've heard that if I discontinue it in later life, I will become soft and flabby.

What do you say? Is weight-lifting beneficial to one's health? Are there any dangers? How does it compare with calisthenics such as push-ups, sit-ups, jogging and
