WASHINGTON (UPI) - If security permits, Jimmy Carter said, he will send his daughter Amy to a public school, and the most likely school is Stevens, a blue and buff-colored brick building five and a half blocks from the

Stevens was built in 1868 as Washington's first school for "children of color," and integrated after the 1954 Supreme Court desegregation decision. A handsome building surrounded by high-rise offices and apartments, it has been designated a District of Columbia landmark. It is named after Thaddeus Stevens, an anti-slavery congressman who badgered presidents for "equality of

man before his Creator. Of the 215 pupils, about 10 per cent are white. About 60 per cent are black and 30 per cent are Oriental or

Most of the pupils are poor enough to qualify for free or reduced-price breakfasts and lunches. Youngsters from 26 countries - children of embassy staffs - are enrolled

For generations, the school served black families living in Foggy Bottom - the area near the Potomac which got its name from a former gas works in the area. Enrollment fell as real estate prices rose and the blacks' homes were bought for renovation and resale or replaced by office buildings and luxury apartments. Mrs. Lydia Williams, the principal at Stevens for 11 years, says the school's children are ready for Amy Carter, who attends a predominantly black school in

Andre home for winter

BOSTON (UPI) - Andre the seal worked hard to earn his plane fare home this winter.

Andre, a trained seal, is a winter resident of the New England Aquarium. Each summer, he swims to Rockport, Maine and spends the summer with his trainer Harry Goodridge, entertaining summer tourists with his aquatic tricks. At the end of the summer, Andre usually takes a van

back to Boston.

But this year Goodridge said his Andre's fans took up a collection to buy him a new cage and there was enough money left over for a plane ticket home. andre has a reservation on a Nov. 16 charter flight

football team has gone to the post this fall and seven times the outcome has been the same - defeat. Where does the finger of blame lie?

The coaching staff. 2. The players. . The administration. The coaching reins were turned over to young, energetic Jack Holik

Olsen last fall. Holik, 22, is a raduate of Manchester High and rinity College and a former player at each school. His coaching xperience consisted of one season ast fall - as line coach under Olsen. Holik has learned in a hurry why a young man can get gray. The defeats, week after week, have to be discouraging to the coach, the players and the handful of faithful followers.

The coach, a security guard in the could turn the program around. If nsured success, Manchester would be well over the .500 mark in wins and losses at this time instead of bat-

Losing situation

Holik came into a losing situation. Olsen's three teams in as many years won five games while, losing 23 with one tie. Counting this year's record, Manchester squads have dropped 30 of their last 36 games, with one tie. The losing streak has extended to 16 games, nine last year and seven to

Spring drills brought out a larger group of candidates than in several years. Holik was high on the turnout for its attitude and devotion. Once the season started, and the team was winding up on the short end

of the count each Saturday afternoon, it wasn't because the players didn't try. In fact, an extra effort was put forth, but as is so often the case, this strategy apparently has backfired. wearing the red a white uniforms

Bridge

Then he led back his 10 of

South covered with the jack

and ducked in dummy after West played his queen. Note

that if South took that trick

he would have to lose two

hearts, two diamonds and a

defensive play. West led back

South his choice of several

ways to lose his contract. If he

went up with dummy's ace of

diamonds, he would run into

let the diamond ride around to

Then if he tried to get to

dummy with a diamond East

would ruff in. If he played out

his ace of spades, East would

score his king so South led a club. East took his ace, put his

partner in with the king of

earts and ruffed a diamond

A Tennessee reader wants

to know if you can demand a

redeal if you are dealt a hand

The answer is that you can

demand one, but your op-

ponents don't have to give it to

you. If the cards are dealt

properly the deal must stand

how good someone's hand is.

with no face cards.

to set South that same one

the girls for tempting men by wearing provocative clothing.
Well, when I was a skinny 12-year-old (with a 28 AAA
bra) I suffered the torment of hell when my own father
couldn't resist my "Twiggy" figure. married the first man who asked me just to get out o the house, but because of those nightmarish experiences I was frigid and my marriage failed. I was forced to move back with my parents, and my father started in on me again. That's when I moved out for good. 36 Note (Lat.) Since then, I have heard of many cases and I was glad to see it mentioned in your column. Men like my father don't deserve to be protected, Abby. I wish someone had let me know sooner that I should speak up instead of keeping quiet and feeling that I was in some way to blame. 48 Genetic BORN TOO SOON

DEAR BORN: Incest frequently goes unpunished be cause the victims dread the humiliation of publicity and they reprisals. Children (both boys and girls) should be araged to speak up if anyone takes liberties with their Adults who sexually use youngsters are sick, and their behavior is criminal. And the consequences of their crimes sometimes leave emotional scars that remain for a lifetime.

DEAR ABBY: You've printed several letters about

est, including one suggesting that it could be the fault of

DEAR ABBY: My problem is beyond solving, but my loss might be someone else's gain if you print this. My beloved father recently died after a mercifully brief illness. He will be remembered by his children and grand-

children with respect and admiration, but I regret deeply that I do not have one picture of this beautiful man that isn't over 20 years old! I am so sorry that I didn't insist that my father have a really fine portrait made showing his heautiful gray hair and the character lines that time etched All I have are a few very bad snapshots taken on a fishing trip six years ago!

Abby, please tell children that an ideal Christmas gift would be to TAKE their aging parents to the finest photographer in town and treat them to a sitting. How I wish I had!

TOO LATE FOR ME DEAR TOO LATE: Thanks for an excellent idea. I'll

DEAR ABBY: I'm giad you didn't tell NORMAL AND HEALTHY AT 17 it was all right to go all the way with her boyfriend just because she felt something "special" for I had the same weakness for guys when I was 17. And the number of boys I "felt something special for" grew to nearly 50 guys by the time I was 20. I finally lost count. I'm 30 now and haven't changed much. Not one of those
