Carryle W. Harris, convicted in New York City of poisoning his girl wife, Mary Helen otts, has been executed in Sing Sing Prison. At 12:40% o'clock p. m., 1760 volts of elecricity were sent into his body. He died with declaration of innocence upon his lips.

At 12:15 e'clock Warden Durston took his fitnesses down into the prison, and, after a slay of fifteen minutes, they went to the

death chair. Head Keeper Connaughton went to Harris's coll to tell him that his exccution was about to take piace. Connaugh-ton returned to the execution room for a few minutes while Electrician Davis tested the pparatus to see that it was all right ighton went out again, and at 12 38 turned with Harris. The condemned man as dressed in plain black, with no collar or necktie. The right leg of his trousers had been cut off at the knee, so that the electrode

cut from the crown of the head for the same walked alone. He stood erect, Chaplain Weills was just behind him, readquietly the prayer of commendation from Episcopal Prayer Book. The doomed a looked strange without his beard, which was shaved off when he was taken to the prison. His face was set and resolute. His

nculiar to them. He looked calmly at the "nnesses and then the chair. Without a tremor he walked to s chair, and just as he was sitting down said in a voice that was strong and unshaken I wish to say a word, and I think I have

warden's permission to say it." He motioned to the Warden gracefully as spoke and bowed his head.
"What is it you wish to say?" asked "I have no further motive for any concealment whatever," answered the man whom He was to leave within a few seconds. Then e raised his head and ran his eyes along the

he of witnesses' faces as he continued. esire to state that I die absolutely innocent orime of which I have been conand himself adjusted his limbs for the strape d electrodes. Everything ready, the hand-rehief was dropped, and the current arned on. The body became rigid. In an istant the lips parted and the air in the

igs was discharged by the muscular con-1760 wolts. Then it was reduced at once to and continued that way for 51% The doctors went to the chair, examined the ody with instruments, and at 12:43 o'clock meed the man dead. He really died he instant the current was turned on.

An autopsy was held on the body soon after. he skin was not marked where the e ten applied. All the organs were found o be in about a normal condition except the

lung, which was almost gone, and on-

which was small and indicated di-

It was only four and one-half minutes from ime that Harris was brought from his cell to the time that the current was turned on, and a good part of this was consumed by ris himself with his declaration. There was not a hitch anywhere. The witnesses suffered much in anticipation of the scene, especially those who had not seen an execu-tion by electricity, but with the exception of one man who fainted, they all withstood the without breaking down. WOMAN AND HOME.

A NOBLE MOTHER.

Women of Canada-Remarks About Lines. The Burning of Waste Food-Work That Wealthy Women Do-Women Dress Now | bought them. o In very large houses the For Women-Points For the Stout.

Frances Willard says of her mother: She never talked about woman's rights in the early years of her children, but we somehow felt and knew that she was a free spirit. As St. Paul says, she was "freeborn." She went about her work with a certain dignity that could not be mistaken. A sense of self respect, but not of self as sertion, must have impressed all who knew her. She accepted the circumscribed lot of . . COMPANY, women, but was perfectly aware that she about her household cares it seemed as if meant in those oft quoted lines

Makes that and the action fine. Only one occasion do I recall when the we are gathering some of the subject of woman's rights was mentioned between my father and my mother. About the year 1851 my father came home from the adjacent town which he visited almost daily and to which the rest of the family went but a few times a year. He was in remarkable spirits, and as he paced up and stown the sitting room, according to his wont, while mother busied her swift fingers with the family mending, he said, "We heard today in the city that Neal Dow has Job Printing. carried out his idea beyond what anyhody supposed would ever be, and the law has

one of the 13 Free Soil members in the legislature of Wisconsin who in 1849 voted for a similar law. Pausing in his swift career up and down the room, he said to mother tanding before her with his arms folded and promptly filled. "When do you suppose that our poor runn oursed Wisconsin will ever have a law like that?" Whereupon mother, dropping her needle and looking up into his face with a

women vote." SOUTH MANCHESTER My father was a great conservative so farthe woman question was concerned, bough progressive on most other subjects. He seemed much shocked, and putting or his look of frong which we understood so well and dreaded not a little, he said, "Pershall vote?" Mother's enthusiasm was dampened. She looked no longer into his Order Copies Now face, but into the glowing winter are, and

It is said that when Benjamin Franklin

Premier Gladstone.

Plenty of Sleep.

Fair young Hannah, Ben, the sunburnt fisher, gayly woos; Hale and clever, For a willing heart and hand he sues. May-day skies are all aglow, And the waves are laughing so: For her wedding

May is passing; Mid the apple boughs a pigeon coos. Hannah shudders, For the mild southwester mischief brews. Round the rocks of Marbichead, Outward bound, a schooner sped. Silent, lonesome,

Hannah leaves her window and her shoes.

. . . . . . . Sailing away! Losing the breath of the shores in May, ropping down from the beautiful bay, Over the sea slope vast and gray! And the skipper's eyes with a mist

For a vision comes on the rising wind Of a gentle face that he leaves behind. And a heart that throbs through the E I wished that I were dead. bank dim,

Far into night He watches the gleam of the lessening Fixed on the dangerous island height That bars the harbor he loves from sight. And he wishes, at dawn, he could tell the ference that had ruffled the course of Rome and Venice. Of how they weathered the southwest gale To brighten the cheek that had grown With a wakeful night among spectres grim-Terrors for him.

Here's the bank where the fishermen go. Over the schooner's side they throw Tackle and bait to the deeps below. And Skipper Ben in the water sees, When its ripples curl to the light Something that stirs like his apple trees, And two soft eyes that beneath them awin

Lifted to him. Hear the wind rosr, And the rain through the slit sails tear

Then hark to the Beverly bells once more! And each man worked with the will of ten: While up in the rigging, now and then, The lightning glared in the face of Ben, Furned to the black horizon's rim, Scowling on him. Into his brain

Burned with the iron of copeless pain. Into thoughts that grapple and eyes strain, Pierces the memory, cruel and vain-Never again shall be walk at ease Under the blossoming apple trees That whisper and sway to the sunset breez While soft eyes float where the sea gulls

Gazing with him. Never was known in the still old town.

Faced his fate in the furious night-Faced the mad tillows with hunger white. Just within hail of the beacon light That shone on a woman sweet and trim, Waiting for him.

Beverly bells Ring to the tide as it ebbs and swells! His was the anguish a moment tells-The passionate sorrow death quickly knells. But the wearing wastr of a lifelong woe Ys left for the desolate heart to know. Whose tides with the dull years come and Till hope drifts dead to its stagnant brim

Thinking of him. Poor lone Hannah, Sitting at the window binding shoes, Faded, wrinkled. Sitting, stitching, to a mouraful muse,

Bright-eyed beauty once was she, When the bloom was on the tree, Spring and Winter, Mannah's at the window, binding shoes. Not a neighbor Passing nod or answer will refuse To her whisper:

"Is there from the fishers any news." Oh, her heart's adrift with one On an endless voyage gone! Night and morning, Hannah's at the window, binding shoes. 'Tis November.

Now no tear her wasted cheek bedews.

From Newfoundland Not a sail returning will she lose, Whispering hoursely, "Fishermen Have you, have you beard of Ben?" Old with watching. Hannah's at the window, binding shoes, Twenty Winters Bleach and tear the ragged shore she views.

Twenty seasons-Never one has brought her any news. Still her dim eyes silently. Chase the white salls o'er the sea. Hopeless, faithful, Hannah's at the window, binding shoes. - Lucy Larcom SAVED BY A CALF.
