The Original Ultimatum in Full Sub-(Mass.) National Bank, has committed suimitted To-Vast Territory Yielded and Indemnity Guaranteed-The THE date of the first race for the America's French Ministry Accepts Slam's Cup, off New York Harbor, was fixed for Oc Concession of France's Demands. Fish has yielded, and the incident is therefore at an end, and thus ends the prospect of fighting in Asia, with the almost certain result of plunging France and England into amounts. war and finally drawing all Europe in the

struggle. It has had, as its practical and material consequences, the increasing of France's colonial power in Asia and still furvillages of Washington and Martha's her straining the relations of France with A cablegram from Bangkok says: "The Siamese Government has accepted the full terms of the French ultimatum. It is stated that England protested to France that her

threatened blockade of the Siamese coast would not be a legal act, and that France onceded the point made by Great Britain. be Cabinet Council at which the decision to grant all the demands of France's ultimatum nade was called at the royal palace. The King presided. His two brothers and all the Ministers were present. After sitting several hours the Council approved the views All the newspapers in Paris got out extras Elation prevailed on the boulevards, following semi-official statement was given to the press: "The Siamese Govern nt having reconsidered its former attitude now accepts all conditions of France's ultigives complete satisfaction to France and al o were not destrous of making Siamese difficulty the occasion of fresh

colonial enterprise."

The meeting of French Ministers to conrance's ultimatum was held at the Elysee dent Carnot came from Mariy-le-Roi to preside. After deciding to accept Siam's con-session of the French demands, the Ministers eferred further definite action until meas ares should have been taken to guarante Siam's fulfilment of the French de-mands. They took steps, how-ever, to inform M. Pavie, French Minister Resident, now at Koh-Si-Chang, of am's acceptance of the ultimatum. The inference of the Ministers was prolonged by a discussion of the steps which might be necessary in settling the boundary question between France and Great Britain. A cer-tain amount of difficulty is expected to em-

ass this part of the negotiations. The ultimatum presented by M. Pavis the French Minister at Bangkok, to the Siameso ment was in substance as follows -I. A recognition of the rights of Annam odia on the left or eastern bank of he Mekong River as far north as the twentyrts held by the Siamese on the east bank 3. Full satisfaction for various Siamese ns against French ships and French | Grim 4. The punishment of the culpries and provision for the pecuniary indemnity of the

subjects, # 6. The immediate deposit of 5,000,000f. (\$1,000,000) to guarantee the payment of the fourth and fifth claims for the assignment of the taxes in certain districts in lieu of the deposit.
Forty-eight hours were allowed for Siam Next day Siam, replied, stating that the King

was at a loss to understand what the rights of Annan and Combodia were on the left bank of the Mekeng River. The King expressed his willingness to abandon all the territories over which the existence of these rights could be proved, and called attention to the fact that five months previously he had proposed to submit all the contested terririal questions to international arbitration. interests of peace, however, the orth as the eighteenth degree of latitude, out no further, and proposed that the islands he Mekong River be used in common by tam and France. All the other points of the

this answer was not satisfactory to France. ngkok, and the French war ships in the sland near the head of the Gulf of Sia where they joined the French fleet, under command of Admiral Humann. Francethen determined to blockade the Siamese coast.
