TOWN NEWS.

WILL SAIL TOMORROW.

Albert and Mrs. Chapin of School street, Maggie Nicholson of Eldredge street and Mrs. John Russell of Maple street will set sail tomorrow on the Cunarder Luetania. They intend to visit England, Ireland and Scotland and spend some two or three months abroad. The low steamer rates are attracting many people to Europe. There were several others from here who wanted to take steamer passage on the Luetania, but could not be accommodated as the tickets were all sold.

W. F. M. S.

The Women's Foreign Missionary Society will hold an interesting meeting in the audience room of the South M. E. church Sunday evening July 29, beginning at 6 o'clock. This will take the place of the regular evening service. A very interesting program is being prepared, an instructive evening is anticipated, special music will be provided, and all are cordially invited to attend.

The theme of the entire service will be "An evening with Mary Reed, the Leper of India." Letters from her will be read and accounts of her noble sacrifices given. A large attendance is expected.

UNION SERVICES.

The official board of the North M. E. church has voted to discontinue the morning service Aug. 5, 19, in order to unite with the North Congregational church.

Rev. James Trezakis will preach to the congregations on the dates named above and on August 12, 26 respectively. Rev. C. H. Barber will preach at the morning services in the North M. E. church.

The usual Sunday evening services will be held in both churches and also the Sabbath schools.

BIG TAKE OF PERCH.

Oscar Johnson, Herman Kyraander, Alfred Anderson and August Swenson, went fishing at Cedar Swamp this week, and made a phenomenal record in the number of perch taken.

Johnson secured 470 fish, weighing 80 pounds, Kyraander 220, Anderson 218 and Swenson 99, making a total of 1012 perch caught with live bait, in seven hours fishing, and nearly all of them being of a comfortable size for the table. We believe that this beats the record for the number taken in the same length of time by our local fishermen, in any one day.

WILL PREACH IN THE MORNING.

Rev. W. F. Short, D. D., of Jacksonville, Illinois, will preach, on Sunday, at 10 A. M. in the South M. E. church. He is state superintendent of the blind institutions of Illinois, and came east to inspect the Perkins institute at Boston and a similar institute in New York City. He and his wife are the guests of their daughter, Mrs. Julian S. Wadsworth at the South M. E. parsonage, where they are spending a couple of weeks. They went to Boston on Wednesday, accompanied by Mrs. Wadsworth.

CHILDREN'S PICNIC.

The Sunday School children, the teachers and members of St. James church, to the number of about 225, went on a picnic to Susquehanna Lake, Rockville last Monday. It required 3 four-horse busses and 5 two-horse conveyances, besides a number of single teams to carry the party. The rain of Saturday night laid the dust, cooled off the weather, and gave a most delightful day for the event. Everything passed off pleasantly. The party left here about 8:30 a. m. and reached home at 7 p. m. R. M. Rood had charge of the teams.

NOMINATED AS POSTMASTER.

Newspaper notices from Washington announce the fact that President Cleveland has nominated Rollin M. Rood as postmaster at South Manchester, to succeed W. B. Cheney, and sent the nomination to the United States Senate for confirmation.

No official notice of the event has been received by Mr. Rood at this writing. Mr. Cheney's term of office expired Dec. 19, '93, and the appointment of his successor has been long in coming. Mr. Rood himself had almost given up the idea of getting it and was greatly surprised when the announcement was made.

THE WINSTEDS ARE COMING.

A lively game of base ball is looked for here Monday afternoon July 30. The Winsted team is expected and some active hustling is anticipated, as our boys are just a little bit anxious to even up that score of 20 to 0 which was made on a recent memorable occasion when they went to Winsted. The home team will be very materially strengthened for this event. Bowers will pitch. He will have a catcher from Meriden and a good man will be secured for third base. As the expenses of bringing this team here are very high it is believed that the public will rally to the rescue and help the boys out. An admission fee of ten cents will be charged to the ladies and as they have been admitted free heretofore it is hoped that they will turn out in large numbers on this occasion.

BANQUET AT THE HUBBLEIN.

ON Wednesday evening last, W. H. Cheney's Sons took all the employees of their grocery department into the Hotel Hubblein, Hartford, and gave them a banquet. The following menu was served.

Little Neck clams on half shell, Mulligan's soup, Soft shell crab with string beans, Pate of sweet bread and mushrooms, Broiled spring chicken with French potatoes, Ice cream, cakes, coffee, cigars.

Those present were: W. B. Cheney, Harry R. Cheney, Mark Cheney, Aaron Johnson, George Strant, August Lindell, John Quish, Carlos W. Tracy, Matthew Mackin, Edward Gotberg and James Sheely.

After the cigars had been served, W. B. Cheney as head of the firm, stated in substance that, the reasons for selling out the grocery department were, that it had grown to such enormous proportions that he found it to be impossible for him to give it necessary attention, and at the same time do justice to the other branches of the business, that it was his intention to devote more time to the enlargement of the other departments and that in order to do so, he must be relieved of the responsibility of this branch. He expressed the good feelings of the firm towards its employees, thanked them for their great help in building up this firm and prosperous grocery business, and referred with pleasure to the friendly feelings that existed between them and the confidence they reposed in one another.

Aaron Johnson, as foreman of the grocery department, responded as follows: "This evening marks an epoch in the relations that have existed between you and us."

After having spent many happy years together as employer and employee, we were now called upon to sever these relations, although most reluctantly. At a moment like this, it is therefore natural that our thoughts should be brought forward with some misgivings, to the unknown future.

Not only our lives and our callings have been interwoven with that of yours, but those many years of daily contact with you and your satisfied father, have knit ever the deepest sympathy of our hearts and our very beings, to those of your own.

In case of sickness you have always shown your sympathy, have lent a listening ear to our grievances, have treated us manly at all times.

We would therefore be very unsympathetic indeed, if these parting moments were not fraught with profoundest regrets.

As circumstances have so arranged matters that our former relations must necessarily be severed, we bow to the inevitable.

In behalf of your former employees, I therefore wish to thank you for the past favors and extend to you our best wishes for the future, with the assurance that we shall always remember you in kindness for what you are, and what you have done for us.

Brief remarks were then made by all present, and at 10:30 the party broke up and reached home about midnight. R. M. Rood carried the boys over and back, in his four seater.

APPROPRIATED \$17,000.

The adjourned meeting of the joint board of selectmen and school visitors was held in the town hall Wednesday afternoon, for the purpose of completing the appropriations for the schools of the town.

It will be remembered that at the last meeting of the board an adjournment was asked, in order to obtain data regarding probable cost of running the Ninth District school for the ensuing year. The necessary figures were furnished to the officials and after some discussion it was voted, that the sum of \$17,000 be appropriated for the Ninth District school during the coming year. Maurice Maloin appeared before the board and asked for an extra appropriation of \$100 for District No. 7, in order to enable him to procure a higher grade teacher, and thus raise the standard of education in the Burdette district. The amount was appropriated.

It was voted that a sum not to exceed \$500 be placed at the disposal of the acting school visitors, same to be used at their discretion for the betterment of the schools of the town, not including the Eighth and Ninth District schools.

All the selectmen and all the members of the school board were present excepting C. W. Cowles.

DID NOT PASS EXAMINATION.

Second Lieutenant Thomas Crockett of Company G, First Regt. C. N. G., appeared before the examining board at New Haven July 26, but failing to answer the questions that were put to him, was discharged from the service. The board consisted of General Havens, Colonel Doherty of the Second Regiment and Colonel Tyler of the Third. A special meeting of Company G, has been warned for this Friday evening, to nominate his successor. The discharge is not a dishonorable one and does not prevent Ex-Lieutenant Crockett from enlisting. An occurrence of this kind has not been known in Company G, these many years.
