Cause of the War Between the Two Nations of the Far East.

Both Combatants Want to Sway Its Future Destinies.

A Rebellion in Korea Leads to a Row Between Its Two Neighbors Regarding Their Respective Interests in That Country-Naval and Military Strength of the Belligerents - The Little "Hermit Kingdom" and Its Queer People.

The queer little kingdom of Korea has been terribly stirred up for over three months. A rebellion broke out there alter the Kinz out some of his enemies to death. The rebels were remarkably successful at first, and in cerned, for she has been scheming to get one battle wounded and put to death over The Siberian Railroad has its eastern ter-500 of the Korean King's troops. Later the migus at Vladivostock, a few miles from the about Japan and China had become actively could extend this railroad through Korea to

The King of Korea did not like the action of the Japanese Government and sent to China for help. As soon as Japan learned of this she hustled more troops into Korea, until Japan has now more than 20,000 soldiers in various parts of the country, besides a strong naval force in the waters around the peninsula.

The Korea now according to the latest enbiesten warships. Eight of these are modern iron and steel vessels, and two are old wooden sloops of war. Japan's total warships number thirty-two, with a tonnage of 76,000, and a combined horse power of over 95,000. China has forty-six warships, with a total tonnage of 68,000, and a combined horse power of over 95,000. The Korean Government having got more than it bargained for frantically begred both

beying the Korean King, both invaders boats and other modern inventions, whi have begun fighting each other.

China has given comparatively apan claims to have the right to place tion to these lines of warfare.

piscious of both, and fearing Russia besides, pleaded with Japan to be let alone.

"The occasion was ripe for 'protectors,' however, and Japan, on being asked to withdraw her troops and warshipe, answered that it could not. Now Japan has thrown down the gauntiet direct by demanding of Korea that she terminate her amicable relationship with China and accept Japan as her protector."

It is well for Morocco, and for foreigners who have dealings with that country, that soribable white lumps, neither flesh no fish, Muley Abdul-Aziz was permitted to ascend the throne made vacent by the sevent death.

Christ wore a beard. Paul, the The greatest obstacle to charity in the Christachelor apostle, not afflicted with any tian church to-day is the fact that men exsentimentality, admired the arrangement of woman's hair when he said in his epistle, If a woman have long hair, it is a glory

folding doors of heaven stay open so long

There will be a fashion in heaven as ashion. It will decide the color of the dress. and the population of that country, by antiful law, will wear white. I say these things as a background to my sermon to rudish or east iron theories on the subject human apparel. But the goddess ashion has set up her throne in this world. and at the sound of the timbrels we are all expected to fall down and worship. The old and New Testament of her Bible are he fashion plates. Her altars smoke with e sacrifice of the bodies, minds and souls f 10,000 victims. In her tample eople stand in the organ left, and from hem there comes down a cold drizzle of nusic, freezing on the cars of her worshipers. This goddess of fashion has become a rival f the Lord of heaven and carth, and it is time that we unlimbered our batteries against this idolatry When I come to ount the victims of fashion, I find as many masculine as feminine. Men make an easy irade against woman, as though she were

chief worshiper at this idolatrous shrine, and no doubt some men in the more onspicuous part of the pew have already cast glances at the more retired part of the new, their look a prophecy of generous disribution. My sermon shall be as appropriate or one end of the new as for the other Men are as much the idolators of fashion as women, but they sacrifice on a different part of the, altar, With men the fashion goes to cigars and clubrooms and vachting parties and wine suppers. In the United stes the men chew up and smoke \$100. 900,000 worth of tobacco every year. That is their fashion. In London not long ago a man died who started in life with \$750,000. but he ate it all up in gluttonies, sending his ents to all parts of the earth for some rare delicacy for the palate, sometimes one plat of food costing him \$300 or \$400. He ate on his whole fortune and had only a guinea With that he bought a woodcock had it dressed in the very best style, ate it, gave two hours for digestion, then walked out on Westminster bridge and threw himself into the Thames and died, doing on a large

blockade to business. What would sashes and trains three and a half yards long do in hours to arrange their apparel. After a few years of that kind of absorption, which one a stock market? And yet men are the disciples of fashion just as much as women, of McAllister's magnifying glasses will be Some of them wear boots so tight they can powerful enough to make the man's characr visible? They all land in idiocy. hardly walk in the paths of righteousness. And there are men who buy expensive suits of clothes and never pay for them, and who go through the streets in great stripes of color like animated checkerhoards. I say these things because I want to show you that I am impartial in my discourse, and that both sexes, in the language of the surrocate's office, shall "share and share slike, hey simpered twenty years ago. s God may help me, I shall show you what are the destroying and deathful influences room to say to a sensible woman, The first baneful influence I notice is in fraud, illimitable and ghastly Do you know body, but it makes idiotic the intellect. that Arnold of the revolution proposed to sell his country in order to get money to support his wife's wardrobe? I declare here slore God and this people that the effort to keep up expensive establishments in this country is sending more business men to temporal perdition than all other causes combined. What was it that sent Gilman to the penitentiary and Philadelphia Morton to the watering of stock, and the life insurance are all easy sents, but not one seat for the presidents to perjured statements about petrassets, and has completely upset our American finances? What was it that overthrew the United States secretary at Washington, the crash of whose fail shook the continent? But why should I go to these famous defaultings to show what men will do in order to keep up great home style and excensive wardrobe when you and I know scores of men who are put to their wits' end

and are lashed from January to December in the attempt? Our politicians may theor-ize until the expiration of their terms of office as to the best way of improving out monetary condition in this country. It will e of uo use, and things will be no better until we can learn to put on our heads and backs and feet and hands no more than we There are cierks in stores and banks on limited salaries who, in the vain attempt 10 keep the wardrobe of their family as showy for every stitch they take? as other folks' wardrobes, are dying of muffs and diamonds and shawls and high hats, and they have nothing left except what they give eigars and wine suppers, and they die beisters to preach about them as though they dence, and with lavender kid gloves that were the victims of early piety, and after a make a tighter fit. And if you buy this thing high class funeral, with silver handles at the and wear it you will wish you had bought side of the coffin of extraordinary brightness, it will be found out that the undertaker is cheated out of his legitimate expenses. Do not send to me to preach the meral sermon of a man who dies like that, will blurt out the whole truth and tell that | ion die, and I never saw one of them die e was strangled to death by his wife's ribbons. Our countries are dressed to death.

f human clothes !
Will you forgive me if I say in tersest shape possible that some of the men have to ge and to perjure and to swindle to pay for their wives' dresses. I will say it whether you forgive me or not! Again, inordinate fashion is the foe of all ristian almsgiving. Men and women put have nothing for God and the cause of suf-

fering humanity. A Christian man cracking his Palgis Royal giove across the back by shutting up his hand to hide the cent he puts inte the poorbox. A Christian woman, at the story of the Hottentots, crying copious tears into a \$25 handkerchief and then giving a two cent piece to the collection, thrust-ing it under bills so people will not know but it was a \$10 goldpiece. One hundred dol- is My brother, My sister, My mother, lars for incense to fashion; two cents for God gives us ninety cents out of every dollar. The other ten cents by command in the Old Testament? Is not God liberal in giving us ninety cents out of a dollar when He takes but ten? We do not like that. We want to have ninety-nine cents for ourselves

and one for God. Now, I would a great deal rather steal ten cents from you than from God. I think one reason why a great many people do not get along in worldly accumulation faster is because they do not observe this divine rule, od says, "Well, if that man is not satisfied with ninety cents of a dollar, then I wil the man or woman who is honest with Me. tian church to-day is the fact that men expend so much money on their table, and wo men so much on their dress, they have got nothing left for the work of God and t world's betterment. In my first settlement on at Belleville, N. J., the cause of mission was being presented one Sabbath, and a plea the charity of the people was being made, when an old Christian man in the audience ost his balance and said right out in the midst of the sermon, "Mr. Talmage, how are we to give liberally to those grand and gloricauses when our families dress as they I did not answer that question,

was the only time in my life when I had Again, inordinate fashion is distraction to lie worship. You know very well there are a good many people who come to church just as they go to the races-to see who will some out first. What a flutter it makes it church when some woman with extraordiary display of fashion comes in ! love of a bonnet !" says one. "What a perfect fright!" says 500. For the most merciless crities in the world are fushion critics. fen and women with souls to be saved passing the hour in wondering where that ma

got his cravat or what store that woman In many of our churches the preliminar ercises are taken up with the discussion wardrobes. It is pitiable. Is it not wonderful that the Lord does not strike the meeting houses with lightning? What distraction of public worship | Dying men and and women, whose bodies are soon to be turned into dust, yet before three worlds strutting like peacocks, the awint question of the soul's destiny submerged by the question of navy blue velvet and long fan train skirt, long enoug to drag up the church aisle, the husaand's store, office, shop, factory, fortune and the admiration of half the people in the building! Men and women e late to church to show their clothes. People sitting down in a pew or taking up a

symphook, all absorbed at the same time in Rise, my soul, and stretch thy wings; Thy better portion trace.

Rise from transitory things
Toward heaven, thy native place I adopt the Episcopalian prayer and sa Good Lord, deliver us! Insatiate fashion also belittles the intel lect. Our minds are enlarged or they dwindle just in proportion to the importance of on a small scale. But men do not abstain the subject on which we constantly dwell. from military and elaboration of skirt Can you imagine anything more dwarfing to through any superiority of humility. Simpering lors the same compliments ork lawyer at United States Hotel, Saratoga, within our hearing, rushed across a as sweet as peaches!" The fools of fashion | Peaches, & basket. are myriad. Fushion not only destroys the Yet, my friends, I have given you only the milder phase of this evil. It shuts a great multitude out of heaven. The first peal of thunder that shook Sinal declared, "Thou shalt have no other God before Me," and you will have to choose between the goddess fashion and the Christian God. There are a great many seats in heaven, and they | State-1893, choice, # fb ... devotee of fashion. Heaven is for meek and quiet spirits. Heaven is for those who think nore of their souls than of their bodies. leaven is for those who have more joy in ristian charity than in dry goods religion. Why, if you, with your idolatry of fashion, should somehow get into heaven, you would be for putting a French roof on the "house of many mansions." Give up this idelatry of fashion or give up heaven. What would you do standing beside the Countess of Huntington, whose joy it was to build chapels for the poor, or with that Christ yn woman of Boston who fed 1500 children of the street at Faneuil Hall on New Year's day, giving out as a sort of doxology at the end of the meeting a pair of shoes to each one of them, or those Dorcases of modern society who have consecrated their needles | Turkeys, W lb .. to the Lord, and who will get eternal reward Ob, men and women, give up the idolatry of fashion! The rivairies and the competi- Fowls, # tions of such a life are a stupendous wretch-

adness. You will always find some one with brighter array and with more palatial resiof such a life will bring the crows leet to Ontons Yellow, * bbl., your temples before they are due, and when Red, * bbl., you come to die you will have a miscrable time. I have seen men and women of fashwell. The trappings off, there they lay on the tumbled pillow, and there were just two things that bothered them—a wasted life and a coming eternity. I could not pacify them, for their body, mind and soul had been exhausted in the worship of fashion, and they could not appreciate the gospel. When I knelt by their bedside, they were mumblin Their garments hung up in the wardrobe, never again to be seen by them. Without any exception, so far as my memwent into eternity unprepared.

The most ghastly deathbods on earth are numerable fine businesses shipwreaked on the wardrote. The temptation comes in this way: A man thinks more of his family than of all the world outside, and if they well as for what repentences we have exerthan of all the world outside, and if they spend the evening in describing to him the superior wardrobe of the family across the street that they cannot bear the sight of the man is thrown on his gallantry and on his pride of family, and without translating his feelings into plain language be goes into excess.

Some for what we have worn on our bodies as well as for what repeatences we have exercised with our souls.

On that day I see coming in Beau Brummel of the last century, without his cloak, like which all England got a cloak, and with out his cane, like which all England got a cane, without his snuffbox, like which all

tortion and issuing false stock and skillful penmanship in writing somebody else's name at the foot of a promissory note, and they all go down together—the husband to they all go down together—the husband to prove his early wicked gallantries, and Ab-salom without his hair, and Marchioness Arnold, the belle of Wall street, when the was the center of fashion, without her fr And in great haggardness they shall go

away into eternal expatriation, while among the queens of heavenly society will be found palatial bacchanalians, and Handab, who annually made a little coat for Samuel at the temple, and Grandmother Lois, the ances-trees of Timothy, who imitated her virtue, and Mary, who gave Jesus Christ to the world, and many of you, the wives and mothers and sisters and daughters of the present Christian church, who, through grea God. Christ announced who would make up the royal family of heaven when He said, "Whosever doeth the will of God, the same
