Groven CLEVELAND.

The tenth day's history of Brooklyn's great trolley strike, like its predecessor, was written with a trail of blood. There were more builtets and bricks, and one man, Thomas Carney, a roofer, of No. 481 Union street, was fatally wounded. The greatest trouble was fatally wounded. The greatest trouble was fatally wounded to be in Hicks street, near Harrison. Believing that there would be trouble, the city and military anthorities sent the entire Thirteenth Begiment, commanded by Colonal Austin and Majors Lussomb and Cochonel Austin and Majors Luscomb and Cochfrom the Butler street carhonses about 3 o'clock in the afternoon, and on its way lown it met a bombardment. From windows and housetops were thrown bricks and stones. Quickly the word was passed along to shoot at the windows when-ever opened. The rifles of the sharpshootlarney fell backward, fatally wounded, His bellow workman said afterward that Carney peered from the roof merely out of curiosity. The soldlers say he was a brick-thrower. More cars were run than on any day previous. The linemen ouit work on all the

ads involved in the strike.

Judge Gaynor's Decision. The feature of the Brooklyn troiley car strike that caused greatest comment on the The United States Senate Commends eleventh day of the tie-up was the decision sanded down by Judge Gaynor, of the Court, that a mandamus

A YEAR FOR THE INDUSTRIOUS

send as your address immediately. We teach magand women how to earn from \$5.00 per day to \$3,000 per year without having had previous experience, and furnish the employment at which they can make that amount. Nothing difficult to learn or that requires much time. The work is easy, healthy, and honorable, and can be done daring daytime or evenings, right in your own locality, wherever you live. The result of a few hours work often equals a week's wages. We have taught the areas as a hole of the result of the second hours' work often equals a week's wares. We have taught the same of qoth sease and not ages, and many have had freentations that with surely bring them righes. Some of the catagraph men in this country one their supered in life by the samet gives them while in our employ your age. You, reader, may do as well: try it. You manust fail. No capital necessary. We fit you not with something that is new, entiad, and sure. A some brimful of advice is free to all. Help your-sit by writing for it to-day—not to-moreow, beings are costly. E. C. ALLEN & CO.,
