black European suits. The policemen

up to the breaking out of the war, in accordance with his good mother's

With sound of martial music

Go forth to greet the dead.

Around the graves they gather,

While memory calls the roll.

From batle-stained Antietam,

And reverential tread.

The armies of the living

A hush on every soul

That listens in the silence,

From Missionary Ridge,

And as the roll is counted

Not one is of the missing,

In solid marching order

As in that long ago,

On every grave a garland

Till of the sad God's acre

A garden fair is made;

And ever with the living

By glade or sunay knoll.

The noble dead are marching

As Memory calls the roll.

To whom their comrades pay

Still dear to those who love them

Will hear their answer, "Present!"

-Helen Chauncey, in Independent.

OW Sam Harring-

When Memory calls the rell.

STORY FOR DECORATION DAY.

They cannot be forgotten

The tributes of affection

Each loval, faithful soul

On Decoration Day.

The ranks are full to-day,

They stand, a close array,

Their faces lit with courage

When for the love of country

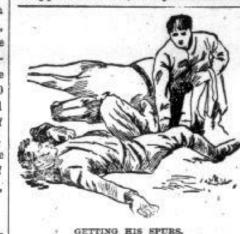

Of sweet May blooms is laid,

They fell before the foe,

From Gettysburg and Shiloh.

They come who died as heroes.

They tome from far or near.

That is right, the darkened: the Prison Reform Association of State Department on the cotton production but also extend the hand of invitation to me to a rengious meeting.

In always excites our sympathy to see a industrial schools: the Sailor's Snug Harbor; weight. The ginning and baling costs about which was filled to overflowing. It always excites our sympathy to see a industrial schools: the Sailor's Snug Hardor; seventy-five cents in gold per 100 pounds, stage there were 350 schools with his hand in sling. We ask him: the foundling asylums; the feet steentific skill feets the pulse what is the matter? Hope it is not a work of war payment the ambulance, the startling to fifty cents a day in gold. man with his hand in sling. We ask him:
"What is the matter? Hope it is not a felon," or, "Have your fingers been crushed?" But mine out of ten of all Christians are going their life long with their hand in a sling. They have been hurt by indifference or wrong ideas of what is been of the hand in a sling. They have been hurt by indifference or wrong ideas of what is been or rescue any one. They pray, and their prayer has wings, but there is no hand under the wings. From the very structure of the hand we might make up our mind as to some of the things it was made for—to hold fast, to this, to push, to puil, to help, to rescue. And endowed with two hands, we might take through that that for others as well as for ourselves we were to hold fast, to lift, to push, to puil, to help, to rescue. Wondrous hand! You know something of the "Bridge-water in his will left \$40,000 for essays on "The Power, Wisdom and Goodness of God, as Manifested in the Creation," and the purple hand, of fraud, and the hand of their, and the hand of their streethed forth from the hand of their streethed forth from the hand of their, the hand of their streethed forth from the hand of their streethed fort

of his own father or mother. Christ moistens the dust moistens the dust from His own tongue and stirs the come up and take it, you mothers, who can be ak. But the bird's wing is only a feeble suggestion of cherubin's wing. The greatness of that, the rapidity of that, the radiance of that, the Bible again and again sets forth.

In the highest crack for beneath claw and beak. But the bird's wing is only a feeble suggestion of cherubin's wing. The greatness of that, the rapidity of that, the radiance of that, the Bible again and again sets forth.

In the highest crack for beneath claw and beak into an eye saive, and with His own tongue and stirs the dust into an eye saive, and with His own tongue and stirs the dust into an eye saive, and with His own tongue and stirs the dust into an eye saive, and with His own toked and luliabled the family brood until build the family brood until the took of the took wing for other nests and never appreciated what you had done and suffered in upon the newly created optic nerve and, for them. Your hand was well favored when you were young, and it was a besutiful hand, so well rounded, so graceful that sets forth.

My attention is not more attracted by those wings than by what they reveal when lafted. In two places in Ezekiei we are told there were hands under the wings—human bands, best library and successful that the state of the sets the grief of Mary and Mary and Mary and work calloused it and twisted it, and self say it is the shortest verse in the Bible, but sacrificing toil for others paled it, and many say it is the shortest verse in the Bible, but sacrificing toil for others paled it, and many say it is the shortest verse in the Bible, but sacrificing toil for others paled it, and many say it is the shortest verse in the Bible, but sacrificing toil for others paled it, and many say it is the shortest verse in the Bible, but say it is the shortest verse in the Bible, but say it is the shortest verse in the Bible, but say it is the shortest verse in the Bible, but say it is the shortest verse in the Bible, but say it is the shortest verse in the Bible, but say it is the shortest verse in the Bible, but say it is the shortest verse in the Bible, but say it is the shortest verse in the Bible, but say it is the shortest verse in the Bible, but say it is the shortest verse in the Bible, but say it is the shortest verse in the Bible, but say it is the shortest verse in the Bible, but say it is the shortest verse in the Bible, but say it is the shortest verse in the Bible, but say it is the shortest verse in the Bible, but say it is the shortest verse in the Bible, but say it is the shortest verse in the Bible, but say it is the shortest verse in the Bible, but say it is the shortest verse in the Bible and the but say it is the shortest verse in the Bible and the but say it is the shortest verse in the Bible and the but say it is the shortest verse in the Bible and the but say it is the shortest verse in the Bible and the but say it is the shortest verse in the Bible and the but say it is the shortest verse in the Bible and the but say it is the shortest verse in the Bible and the but say it is the shortest were hands under the wings—human hands, hands like ours. "The likeness of the hands of a man was under the wings." We have all notices the wing of the cherubim, but no one seems yet to have noticed the human hand under the wing. There are whole sermone, whole anthems, whole doxologies, whole millenniums in that combination of hand the sum of the sum of hunds. Say it is the shortest verse in the Bible, but to me it seems, because of its far reaching the sympathies, about the largest—"Jesus which went on only with a push at the marriage alter now is too large and falls off, and the ring which went on only with a push at the marriage alter now is too large and falls off, and the ring which went on only with a push at the marriage alter now is too large and falls off, and the ring which went on only with a push at the marriage alter now is too large and falls off, and the ring which went on only with a push at the marriage alter now is too large and falls off, and the ring which went on only with a push at the marriage alter now is too large and falls off, and the sight of dropsy or epitepsy or paralysis or hunger or dementia, but He stretches out this sympathetic hand toward it. So very, mand: Weary hand! Weary hand! Weary hand! Weary hand! Weary hand! The sympathetic hand toward it, and the ring which went on only with a push at the marriage alter now is too large and falls off, and again and again you have lost it. Poor hand! Weary hand!

millenneums in that combination of hand and the wing. If this world is ever brought to God, it will be by appreciation of the fact that supernatural and human agencies are to go together—that which soars and that which practically works, that which ascends the heavens and that which reaches forth to carrie, the joining of the terredicial, the hand and the wing.

We see this union in the construction of the Bible. The wing of inspiration is in that combination of hand and the wing.

Omnipotent and majestic and that who the story of that hand. What fallen ones it lifted up! What together woulds it doubt lighthouses it kindled! What tighthouses it kindled! What storm tossed ships it brought into the particular to the wing. There is a kind of religion in our broad that which reaches forth to carrie, the joining of the terredicial and the wing.

We see this union in the construction of the fact that the correlation of the fact with wings capable of encircling a universe, and the wing and the story of that hand. What fallen ones it lifted up! What together woulds it doubt lighthouses it kindled! What storm tossed ships it brought into the wings of the truth of the stories heretogether. The wing of the truth of the stories heretogether with wings capable of encircling a universe, with tighthouses it kindled! What tighthouses it kindled! What storm tossed ships it brought into the wings. There is a kind of religion in our wings to the story of their dead, but also put the fullness. The hands of series if wiped away! What tighthouses it kindled! What tighthouses it kindled! What storm tossed ships it brought in the wings. There is a kind of religion in our wings to the story of the story. The same of the total union to the wings of their order of the story. The same of the truth of the story of the truth of the story. The same of the truth of the story of the truth of the story of the truth of the story. The same of the longues of their dead, but also put the wings of the truth of the story of the truth of the story. Th we see this union in the construction of the Bible. The wing of inspiration is in every chapter. What realms of the ransomed earth did Isniah fly over. Over what battlefields for right-sousness, what coronations, what dominions of gladuess, what rainbows around the throne did St. John hover. But in every book of the Bible you just as certainly see the human hand that wrote it. Moses, the lawyer showing his hand in the
