TOWN NEWS.

UNUSUALLY FRANK. Please publish the enclosed letter over my writing. Most of the friends of E. M. Hunsinger.

Next Monday at nine o'clock our school begins its eighth year. We are feeling the result of the good times, and our enrollment at this writing, Monday, is 15 per cent larger than at same time any previous year.

Probably you have read my advertisements, also "Catalogues." Convincing Evidence and "Strong Points." All my friends are truant from cover. They should convince anyone that Hunsinger's is a good school. "Strong Points" contains many telling facts you school-keepers should read, consider, know.

I have hired four new teachers, selecting them from a list of about 200. They are all first class, and are workers. There are seven teachers all told. The four of the Business Department are Normal trained, successfully taught public school before qualifying for and teaching in business colleges. Their experience is 7, 11, 18, and 22 years respectively. Three of them are superior teachers of penmanship.

The three expert teachers of the Shortland Department train 80 per cent of the Shortland writers taught in Hartford. They are the recognized teachers of Shortland and Typewriting hereabouts. About everybody knows this fact, hence do not large shortland school.

Many people do not decide to go to school until a few days before opening, and some, not until they get to our office. We always have a large number of such on the day of opening, who go right to work although we much prefer to see them before entrance. This is one object of this letter.

This letter is not begging for pupils, but asks that my Catalogues, etc., be carefully read when the merits of business and shorthand schools are being discussed. If after making diligent inquiries and careful investigation, you find that the claims and merits of my school do not appeal to your good judgment, I shall feel satisfied with the verdict.

I have faith in myself and my school, and feel that I am known to you, and hence write this letter over my signature. Yours for honest business training, E. M. HUNTINGER.

F. E. Driscoll has secured the contract to build the foundation of a large double tenement house on Harrison street Hartford. His father, F. S. Driscoll has just finished a large job in the city.

They will long and pleasantly remember South Manchester.

OPENING AT THE ARMORY. The season will open at the Armory with "A Trip to Chinatown," one of Hoyt's cleverest comedies, Saturday evening, Sept. 7. No great strength is claimed for the play, the main idea being to introduce a number of character sketches and (up to date) episodes. The skit has enjoyed a phenomenal record of 500 nights in New York.

"A Trip to Chinatown" is a clever musical comedy and satirizes popular themes and characters of the day, introducing pretty music, attractive girls, clever comedians affording an entertainment in which there is hardly a break in the laughter.

The company includes the members of the original New York cast, and Mr. Hoyt sends the program, furniture and properties from the New York theatre. The musical numbers are numerous and pretty, notably, "Ridin' on the Golden Bike," "Pat me off at Buffalo," "What could a girl do more," "The Pretty Widow," "Old Love Letters," "Sunshine of Paradise Alley," "What night has he on Broadway?" "On the Bowery" etc.

George Watkins was very fortunate in having secured the original New York company for his opening night in this very popular attraction and it goes without saying, a crowded house is assured.

THE FESTIVAL IS COMING. The ladies of St. James' church are busily engaged in preparing fancy articles for the festival which will be held in the Academy Sept. 17 to 27. Rev. D. A. Haggerty has issued season tickets for One Dollar each, and he intends to make a personal canvass of the parish to sell them.

A series of entertainments will be given each night by local and also out of town talent, which together with music and dancing will make matters merry for the young people.

THEY CAN RAISE ONION SEED. The local baseball team who played the Wethersfield on the Negro grounds here last Saturday by a score of 22 to 2 and won first prize in the two mile race, Monday and trounced them to the tune of 22 to 11. They were dead easy from start to finish for our boys.

The Wethersfield youths may know how to raise onion seed all right and perfectly at home in an onion field, but when it comes to playing ball, or dusting around the diamond, they are simply out of it.

"BAND OF LOVE." Captain Peck will be here tomorrow and take part in the Salvation Army exercises tomorrow evening. At 9:30 a. m. on Sunday he will organize a "Band of Love," which is a junior orchestra, composed of young Salvationists who are enrolled under the banner and pledge themselves to the Salvation work. Captain Peck comes from headquarters, is general junior secretary for this division, is a Dublin man, a fluent speaker, a man of ready wit and a zealous worker in the cause. He is well known here and is supplied to the local corps for a week on one occasion. He will take part in all the exercises next Sunday.

PLENTY OF PRIZES. H. C. Fay covered himself with glory in the bicycle races at Middletown last Monday and came home with a diamond pin, a gold lined shaving cup and a pipe. He won first prize in the two mile race, second in the half mile and third in the five mile, but in this latter race he had a collision and broke his wheel, but mending the wheel of his competitor, finished the race and came in third. He is but 16 years of age and is making a good record as a wheelman.

MADE A DOUBLE PLAY. Officers Hall and Treat went from here to East Hartford last Sunday and made a raid on the "Bungalows," which is located on Park avenue near the railroad shops.

They seized two jugs and six bottles of volcano water and 890 bottles of lager beer, all of which they bore away in due and ancient form.

Not satisfied with this, they paid an official visit to Wm. J. King's boarding house, near the railroad crossing, and secured several bottles of beverages that are known to inebriate and all of which, Mr. King protested, were private stock. Well! They were right in it.

"A TRIP TO CHINATOWN." Chas. H. Hoyt's merriest comedy creation entitled "A Trip to Chinatown" will be the opening feature at the Armory tomorrow evening, with the original New York cast, scenery, properties etc.

The remarkable run of this play of over 100 nights in New York has made its name a familiar one to thousands of theatergoers.

Mr. Hoyt has a fashion of getting together a group of choice actors and putting them in situations that would cause a corpse to crow with delight. Aided by a bevy of beautiful women and clever, wacky music, the play is credited with being a tremendous success.

Everybody is going to be at the opening in the Army and the earlier you secure your seats the happier you will be. They are now on sale at Watkins Bros. and Bow's.
