TOWN NEWS.

THOMAS FINNEGAN WINS. At the Tolland County Agricultural Fair held in Rockyville this week, Thomas Finnegan won the following prizes: On sweet corn, and White Spelling potatoes, first prize; on New Queen potatoes, onion, dairy butter and parsnips, second prize; and Mrs. Finnegan won a prize on a cake she exhibited.

GONE ON A VACATION. Nils Anderson, the shoe repairer that held forth in Sullivan's block on Main street, got behind in his bills and rather than face the music, skipped the town, leaving his creditors to whittle for their money.

BENEATH THE DOG STAR. Dog days in September may be out of the usual order, but we have them here this week for fair.

Wednesday afternoon the boat was so oppressive that Principal Verplanck dismissed the school children at 2 o'clock.

EIGHTH WEDDING ANNIVERSARY. John J. McCarthy, the genial and popular driver of Gotta's baker cart, for this end of town, has been married eight years, and he and his good wife are going to celebrate the anniversary next Sunday.

They have invited a number of their friends to assemble at their home on Woodland street and help them to make merry. A wedding dinner will be served in a tent on the lawn and a jolly time is expected.

ORGANIZING FOR TEMPERANCE WORK. Some 40 persons interested in temperance work assembled in the town hall last Monday evening, to hold a preliminary meeting in reference to what steps should be taken to carry the town for no-license at the coming election.

Several committees were appointed to carry on the work and the following gentlemen are arranging for a series of public meetings: E. L. G. Hohenbhal, Frank Cheney Jr., R. O. Cheney and N. T. Puffer.

ANNUAL REUNION. C. Tiffany, our well known jeweler, went to his home in Barkhamsted last Saturday and attended the annual picnic of the people of that town held on the 13th of Sept., in commemoration of the one hundredth anniversary of the founding of the town, which occurred some 15 years ago.

The Tiffany family occupied two tables and as many as one hundred of the Tiffany relatives united in the festivities.

STARTED TO SURVEY. Surveyor Wm. H. Olmsted of East Hartford, began surveying Main street yesterday morning, starting from the tracks of the New England railroad and extending to the south.

Plans and specifications will be prepared and presented to the state commissioners for their approval, and when accepted by these officials, the selection will be made for building the macadam road, as voted at the recent special town meeting.

Mrs. Wallace, the well known milliner at Cheney's store, has just returned from New York, where she has been selecting a stock of fall millinery and the goods will be here soon. Cheney's Sons expect to make their customary fine display of fall millinery this season.

WOMEN WHO WISH TO VOTE. Women who wish to cast a vote at the coming town election for the choice of school visitors, or who desire to take part in the proceedings of any of their school district meetings, will do well to call upon the town clerk and have their names registered. Under the new law this must be done at least five days before election day. Those who gave their names last year or the year previous, can vote without any further ceremony.

A GOOD THING. Children living over north and attending the ninth district school can now secure school commutation tickets at the rate of \$3 a hundred or three cents a trip.

These tickets are issued in strips of ten and are good until used. This is a good thing and no doubt will be appreciated very much. The tickets are issued to school children only, and cannot be used by any one else.

TO Rent—Small house on Main Street. Enquire of Mason Agard. 118

GONE TO DENVER. James W. Cheney, president of the board of directors of the Connecticut state prison and Thomas D. Wells of Waterbury, secretary of the board, started for Denver, Colorado last Wednesday evening, where they will attend the meeting of the national prison association of the United States, which will open in the shadow of the Rockies, Saturday, Sept. 14 and last four days.

They go as delegates and after the convention closes, will take a few days looking over that portion of the "Wild and woolly West." They expect to be away a couple of weeks.

About fifty couples attended the dance and supper given by the St. Mary's T. A. Society in Bessel's hall last night and in spite of the terrific weather, had a very pleasant time. The boys covered expenses and had a small amount to spare.

SWEDISH BAZAAR. The Swedish people will hold a bazaar in The Armory November 20, 21, 22 and 23.

A number of novelties will be introduced this year that have never been seen here before.

One of the attractions will be a Laplander's cottage with furs, sledges and other appurtenances.

Ladies and gentlemen will be dressed in ancient Swedish costume, the booths will be prettily decorated, music and singing will be provided, and arrangements will be made for a fine picnic. My whole attention is given to these lines. I am now running a team for myself and respectfully solicit a portion of your patronage.

F. A. STAYE, South Manchester, Conn.

A LARGE REGISTRATION. Principal Verplanck has taken a census of the ninth district school and finds that there are 984 pupils registered there now.

This is the largest registration the school has ever had at opening.

As a matter of course during the school year, this number will be largely augmented.

There are 325 children in the kindergarten and 17 pupils in the high school.

O'DONELL—MOVEIGH. Thomas O'Donnell and Miss Nellie McVeigh were united in marriage yesterday morning at nine o'clock, by Rev. R. C. Grogan, in the presence of a large number of friends.

A wedding reception was given at the residence of the bride on Union street and was attended by a large number of friends, as both the young people were very popular, and they received many presents. They have gone to spend a honeymoon out of town and are expected to remain away for a week. On their return they will board out for a time, before taking up housekeeping.

THE WOMAN RECONSTRATED. Officers Hall and Treat of this place went down to Glastonbury last Saturday night and made a large seizure of liquor at the rendezvous of Toney Monette.

They carried off as much as their Concord buggy could hold. Mrs. Monette requested yesterday against the invasion of her apartments by officers of the law, but the officials were deaf to her suggestions and persuasive tones of her voice, the fierce flash of her eyes had no terrors for them and in spite of her most violent threats, they bore the booty triumphant away.

STRUCK CAMP. Paul Ferris and George Bilson returned last Sunday night from a week's camping out at Coventry pond.

They had a nice new tent 15 x 10 feet that W. S. Ferris made. They also had their canvas canoe which afforded them much pleasure. They had several visitors during the week and last Sunday their camp fire was kept going quite briskly, to supply food for their guests, as W. S. and Mrs. Ferris, Mrs. Bilson and a number of others spent the day with them and all returned at night.

PRESENTED WITH A SILVER PITCHER. George M. Way, the hardware dealer at 244 Main street Hartford, and all of his employees, took a trolley ride out to pay a friendly visit to W. S. Ferris and family one evening last week. The visitors were hospitably entertained, a beautiful collation was served and a royal good time ensued.

Before taking the car for the city, they presented Mr. Ferris with a handsome silver pitcher, as a token of their esteem and friendship, and he expressed his thanks, surprise and appreciation in a very grateful manner.

They then left wishing Mr. Ferris and his bride all manner of good luck, happiness, prosperity and long life.

SAVE HIMSELF UP. William Gates, who successfully evaded the officers for the past month gave himself up last week, was brought to East Hartford before Justice Goodwin charged with intoxication, assault and disorderly conduct.

The last two counts were not pressed and he pleaded guilty to the charge of drunkenness, and was fined \$2.00, which the court remitted to \$1.51, all of which was paid.
