the other in the shoulder.

A perfect fusillade was kept up between him and the guard, which was constantly being angmented until about 3000 were on hand and fully 500 shots had been fired before dark.

Then Mrs. Etlinger was seen to approach a window and light a fuse attached to a dynamite bomb which she intended to hurlinto the crowd. Some one fired at the fash, and she threw up her hands and fell backward.

Eventually it was determined to burn the villain out. The torch was applied to the house. The crowd, in breathless excitement, watched the croeping fames and waited the denouement. They did not have long to wait. The woman with her two children was soon forced to fiee to escape death in the flames, but Etlinger lingered behind.

It was thought he intended to due in the house, but just when the building was about to collapse he appeared at the cellar door. The officers called to him to surrender. He did not answer, but with a determination begotten by despair put a pistol to his head and blew out his brains. The body of the constable was then recovered from the burning building.
