Glenwood Ranges.

I have sold Glenwood Ranges in this town for nearly 14 years past and sold many of them, but have yet to find the first one that did not do everything claimed for it.

I have no hesitancy whatever in guaranteeing them to be first class in every particular and can refer to hundreds of users of these ranges in this town for verification of these statements.

If you need a range, you will make no mistake whatever in buying a Glenwood. I will be pleased to explain its points to you at any time.

Quality And Price

Are two of the most important points to consider in buying anything. I make them a specialty in my paper. Quality is the best in color, design, finish. Price as low as good goods can be sold. See my stock and prices - they'll say my argument.

TOWN NEWS AND NOTES.

Two special trolley cars will be chartered for next Monday evening to carry a body of free masons from here to Hartford and return. They go to witness the exhumation of the master mason's degree by St. John's lodge and will be given a banquet after labor.

The South Manchester Military Band have received their new uniforms and will wear them for the first time in the parade tomorrow. As a recognition to Co. G, for permitting them to use the band for rehearsing, they will escort the Company from their headquarters to Cheney hall tomorrow, and back again to the Army, after the parade.

Senator Joseph R. Hawley has remembered THE NEWS by sending in the following seeds for our garden, where ever that is, cucumber, tomato, beans, peas and onions. These come from the agricultural department at Washington and are put up for free distribution.

Compressed air as a motive power is receiving a great deal of attention at this time and many scientists are of opinion that it will supplant both steam and electricity in time. A line of street cars is to be operated on Lexington avenue New York, by this force, in the near future.

Miss Anna B. Bockee's horse became frightened at noon yesterday, while hitched at the shed near the South Methodist church and broke the harness, upset the wagon, broke both shafts and cut himself up generally. He was secured by some persons who happened to be in the vicinity.

The Veterans Association of Company G, have decided to not decorate the graves of their dead tomorrow, but will unite with Company G. and have Sunday, June 21, 1896 as their Memorial Day. They have also made arrangements to hold their meetings in the Army house.

The sale of bicycles keeps merrily on, and new ones are appearing on the streets almost daily. It is a great wheel season here. There is a large amount of money invested in bicycles in this town much more than one would imagine, who had not looked into the matter carefully.

The Boston Shoe Store in the Park building has a nice memorial display in the north window, consisting of a memorial arch, decorated with the stars and stripes and the window throughout has red, white and blue hanging. A nice bank of ferns backs the arch, the whole producing a pretty effect.

Commander Booth-Tucker and his wife, who control the affairs of the 8th Cavalry in the United States at this time, are announced for a visit to Hartford, Sunday, June 28. They will hold a service in the morning of that day at the State prison and two in Hartford, one in the afternoon and one in the evening, further particulars of which will be given later.

J. W. Goodrich's wagon shows will exhibit on Horse White's place at Manchester on the new road to the Green Monday, June 1, 1896, at 2 and 3 p. m., and on George F. Day's lot, Wells street, near the Army, on Tuesday, June 2, at 2 and 3 p. m. They will give a brass band parade at noon each day and also band concerts at the grounds before each performance. Admission 10 and 20 cents. Performance rain or shine.

H. E. Rogers is having extensive repairs made in his east mill, for which purpose he shut down last Saturday morning and had his engine taken to Hartford to have the cylinder bored and other work repaired. He is also having two new bests put in and other necessary repairs made in the machinery. He expects to get under way again about the middle of next week.

Patrick Hassey of Williamstown and Miss Katie Hubbard of Maple street are to be married by Rev. D. A. Haggerty next Wednesday, June 3, 1896. A wedding reception will be given at the bride's residence, to relatives and intimate friends, and the young people will go on a wedding tour, after which they will reside in Williamstown and take up housekeeping.

The macadam road is laid as far north as the tracks of the New England railroad and the finishing touches are being put on now. There has been a half inch of screenings put on top and that was as much as could be had at present. The road will not be ready for public use before next week. The second half mile will be started as soon as the first half is finished.

Harry Fay rode from the Park building to the Connecticut river at East Hartford bridge last Sunday morning, in 23 minutes and 48 seconds. The pacemakers were George Scheldige, George Blom, Charles Thompson and Walter Snow. A price of ten dollars was offered for any one who could go the distance in 25 minutes, and one dollar for the first minute less - and two dollars extra for each additional thirty seconds under the above. This will bring the purse almost up to \$15.

CARDS OF THANKS.

I hereby desire to express my thanks to the kind friends and neighbors who willingly assisted me during the sickness and death of my wife, and also to the choir, for their services.

TOWN COURT.

Frank Landry was brought into the town court yesterday morning, charged with assault, in having kicked his daughter, a young lady, out of the house. He was found guilty, fined \$11.88, he took an appeal, and went with an officer to see C. W. Cowles, in order to have the latter go on his bonds. He resides in Union village. He changed his mind later and paid the bill.

KNOCKED IN THE HEAD.

The plans that Harry E. Olcott had for taking a rail road and bicycle track at the junction of Center and Adams streets, on the line of the tramway have received a knock down blow and Mr. Olcott is decided to drop the matter altogether.

It was understood that the tramway company would stand the cost of enclosing the grounds with a suitable board fence and it was with this understanding that Olcott secured the lease; but now the company refuse to build the fence, and Mr. Olcott is determined that he want, and so the matter ends, and the hope of the local sporting fraternity for having a nice ball and bicycle grounds on the line of the tramway are thus knocked in the head.

TOWN NEWS AND NOTES.

TRAMWAY HEARING. About 30 persons from the north end of town assembled in the town hall last Monday morning to attend the hearing on the application of the Tramway Company for the privilege of putting in sidings each on Depot square, Buckland and at Laurel Park.

A petition setting forth that 1. "The square is a public thorough fare where a large number of people frequent both by team and on foot, and ought not to be covered by a network of tracks to the detriment and danger of the public."

2. "By putting in the proposed tracks the use of the watering tank would be very dangerous, especially to ladies who wished to water their horses there."

3. "In years gone by we have fought against the steam road-switching across Main street, owing to the danger by so doing, and now by adding extra tracks at this point, it is adding extra danger."

4. "The passing of cars on the square endangers the lives of our citizens and such dangers should not be permitted."

This petition received about 90 signatures, including most of the merchants on Depot square.

The case was argued for the tramway company by President Chapman, Sr. veyor Olmsted, C. W. Cowles, Chas. O. Treat and Attorney Hathaway and against the company by John P. Williams, Henry L. Vibberts and J. T. Aikin.

A strong effort was made by the opposition to not have the tracks for the tramway on the sidewalk at Main street as this is the tramway company's road.

The opposition wanted the tramway placed either east of the crosswalk at that point, or to the westward, by Union street, but the east side was objected to by Surveyor Olmsted on the ground that there was not room enough there for the siding and the highway too, and to the Union street location on the ground that it would not suit the public convenience to have it there.

The tramway people claimed that the square was the proper place, as there was plenty of room, the public convenience would be better accommodated and the danger to life, limb and property not material.

The selectmen have looked over the situation carefully, gathered all the facts in the case and will give their decision at an early date.

LATER.—The selectmen will issue an order to the tramway company today, permitting them to lay their tracks on Depot square with the proviso that the east end of the switch stand be 12 feet west of the crosswalk at Main street, instead of 90 feet east of same, as originally proposed.

That will bring the frog 45 feet west from the crosswalk and take both frogs within out of the traveled path.

This will leave it so that cars cannot pass each other within 75 feet of the crosswalk and thus the danger at that point will be very materially reduced.

"TONY" AGAIN.

The Manchester Dramatic Club have been engaged to reproduce "Tony," the pleasing comedy drama that they presented so cleverly last December, and the event will take place in Cheney hall, Thursday evening, June 18, 1896.

The young people who comprise the Manchester Dramatic Club have given a considerable amount of their time, talents and labor, in qualifying themselves for this and their previous efforts have clearly demonstrated the fact that they are capable entertainers, as all can testify who witnessed this performance last winter.

Following is the cast of characters: Tony Warren, Fred A. Stays; Woody Walsley, Albert Funk; James Barclay, Wm Crawford; Philip Warborton, Wm A. Naylor; Judge Van Cruger, Henry A. Nettleton; Warden Burrows, Dr. F. A. Street; Richard Malin, Richard Malin; Lena, Miss Grace A. Parker; Mrs. Van Cruger, Bertha Stays; Miss Seelye, Gertrude Johnson; Sally, Eva Alkin.

The South Manchester Military Band will entertain the moments before the curtain rises and also between the acts with some of their best selections.

Admission has been set at popular prices, 25 and 35 cents. Tickets will be on sale at the usual places and by members of the company.

ANNUAL MEETING.

The annual meeting of the Incorporated Ninth School District took place last Wednesday evening, and was attended by 12 persons, 3 of whom were ladies.

The following officers were elected: For member of the district committee, term of three years, John S. Cheney, clerk, F. W. Mills, treasurer, Lucius Pinney, collector, Geo. H. Southwick, secretary.

The Hub.

Did you ever think that the building of the Town Hall and the trolley lines are making the hill at the center of the Hub of the town, and that the Sunnyside lots were just near enough to the Hub to be desirable for homes and to be sure to increase in value?

The following persons have purchased building lots on Center street from James Trotter: F. B. Horton, two George E. Smith one, Samuel Parnell one August Bose one, and Mr. Charter one.

Alexander Trotter of School street has purchased the Edwin Perry place on Center street near Main, consisting of the homestead and six acres of land. He will open a street at the south end of the property running east and west, break the whole up into building lots and sell them. He does not intend to do any overhauling or repairs on the homestead at the present time. Wm. Arnold is now living there.

Mr. James B. Cotter sold a building lot to Joseph Forsyth of New Britain last Monday. It is located north of Spruce street, is 15 x 150 feet, fronting on Main street and extending to the west. It is the third lot north of her residence. Mr. Forsyth is a brother of John Forth and this place and says he will put up a residence on the lot and take up his abode in this town.

The town court held a session last Sunday morning and the following cases were disposed of: Chas. Anderson was found in an intoxicated condition on Spruce street last Saturday afternoon and placed in the lockup. He told the court that he had never been arrested before, and gave much evidence in contradiction that he was told to go his way and sin no more, but judgment was suspended nevertheless.

Cornelius Curran was found in drunk and disorderly condition on Main street last Saturday evening and Officer Crockett found it necessary to take him in out of the cold air to order that peace and quietness might prevail. He was tried and fined \$1.00 and costs, the whole amounting to \$1.75.

Dwight Chaffee petitioned his land to celebrate to such an extent last Saturday that he became heavy laden and weary and laid him down to rest beneath the wide spreading boughs of a neighboring tree. The very wakeful and watchful limbs of the law happened to observe his somewhat condition and laying claim to hands upon him, bore him to a place of safe keeping for the night, and on the Sabbath morning brought him into the august presence of the court, where he was fined \$1.00 and costs, making a total of \$1.75.

On Wednesday morning a man giving his name as John Ryan and claiming Hartford for his home, was brought in to court on a charge of intoxication. John promised to leave town forthwith and to return no more forever, and the court bade him depart in peace.

A campaign novelty. Cheney Brothers have prepared a campaign novelty in the way of a silk banner. It is 12 x 18 inches, has a blue ground, with 45 white stars and a white disc in the center, in which is an excellent portrait of William McKinley of Ohio, the late President of the United States. The portrait is in a circular frame, beneath the motto "Patriotism, Protection and Prosperity."

This banner is attached to a small staff on which it is rolled and placed within a paper holder, 18 inches long and 4 of an inch in diameter, so that it can be carried in the pocket conveniently, and be brought into sight and service when occasion requires.

The holders are made by the United States Cartridge Company of Lowell, Mass. and are of the same material as the paper shells for cartridges. They are painted black and are tipped with gilded ferrules at each end and the whole disc is very light in weight. A patent has been applied for on the contrivance. It is a new thing, is made for a Boston man, who has the entire control of the output.

No doubt they will be used in large numbers in the McKinley campaign. It is a beautiful thing, and the candidate of the convention, of course the star throughout the United States during the campaign will be large.

Cheney Brothers are also making large numbers of flags of all sizes, with the star on them, for the coming campaign.

CHILDREN'S DAY.

Children's Day will be observed in the South Methodist church with the usual manifestations of joy and gladness, Sunday, June 14, 1896, and the street will be thronged with active preparations are in progress and the young people will appear at their best, as it is the day of all days throughout the year that is especially set apart for their instruction and entertainment.

The work will be conducted this year under the direction of E. L. G. Hohenthal, the new superintendent.

In the morning at 10 o'clock the regular Children's Day exercises will take place. The church will be elaborately decorated for the occasion, a large cross will be erected on the altar, bearing the inscription "Our Young Crusaders" and the persons taking part will wear banners suitably inscribed, wear crosses on their fronts and take up their positions in front of the cross. There will be a commander in chief, who will stand at the head of these warriors and wear a broad sash with the insignia of his office inscribed thereon.

The following service will be carried out: 1. Organ Voluntary. 2. Opening Hymn. 3. Singing, "The Golden Age." 4. Prayer. 5. Responsive Scripture Reading. 6. Singing, "In Life's Fair Boy Morning." 7. The Crusades and Our Program. 8. First Division of Crusaders—The Home Guards. 9. First Sub-division—The Child Water Army.

10. An exercise by the primary classes: 1. What we Little Folks Mean to Do—Address by the Captain. 2. Singing by the class, "Song of the Good Water Army." 11. Three Young Temperance Orators. 12. An Object Lesson in Temperance. 13. "Harry May—The Boy Who Fell." 14. "Ernest Gray—The Boy Who Stood." 15. Response by the school. 16. Dialogue by Scholars and Response by School. 17. Singing, "The Good, the Beautiful, the True." 18. Second Division of Crusaders—State Protectors. 19. First Sub-division—The Good Citizenship Brigade. 20. Address by the Captain. 21. Response by the school. 22. Second Sub-division—The Loyal American League. 23. Address by the Leader. 24. Response by the school. 25. Singing—We are Christian Soldiers. 26. Collection for Sunday School Children's Fund. 27. Closing Hymn—Stand Up For Jesus.

BASE BALL.

Decorations Day furnished good weather for base ball and about 10 o'clock the Rising Star club marched down the street playing martial airs and drumming up the lovers of the American game to attend the ball between the Homesteads of Springfield and the local players, which took place on the Neco grounds and attracted a fair sized gathering of spectators.

It was reported that a good team would be here and an interesting game was expected, but it proved that, with a few notable exceptions, they could not play ball and for seven straight innings evaporated Apples, 10c to 15c lb. Dates, 8 to 10c lb. Evaporated Peaches, 15c to 20c lb. Evaporated Apples, 10c to 15c lb. Oranges, 25 to 30c doz. Bananas, 20 to 25c doz. Raisins, 5 to 10c lb. Prunes, 7 to 15c lb. Lemons, 20 to 25c doz. Coconuts, 10 to 15c lb. HONEY IN COMB, 15 to 20c lb. Unfermented Grape Juice, 40c a bottle. French Prunes, 7 to 10c a bottle. Olives, 50c a lb. bottle.

The local team put up good ball and won warm plaudits from the audience. The visitors were put out in one, two three or four nearly every time while the home team kept running around the bases and scoring points. In the first inning the local players widdled the ball 14 times.

Bowers played right field for the first five innings and then withdrew from the game, as he had a headache, and James Moyahon took his place in the field and made a very excellent substitute. The summary of the game follows:

SOME PEOPLE have in ages gone by thought a gasoline stove an unsafe thing to buy. Such notions are these days all abandoned, for there is a safe stove, and it is called the "INSURANCE".

SOME DEALERS think more of what they can make, so be careful in buying and make no mistake, but ask for the stove that has stood every test—the "INSURANCE" to-day and forever the best. For sale by

TOWN NEWS AND NOTES.

Mrs. Ann Creighton died at the residence of her nephew, John Porterfield, at Highland Park, last night. Her funeral will take place from the residence at 2 p. m. tomorrow, Saturday. Rev. J. S. Wadsworth will officiate. She was 69 years of age.

Oliver Miner and Miss Agnes Murphy were united in marriage last Wednesday evening. The ceremony took place at the St. James' parsonage and was performed by Rev. D. A. Haggerty. James F. Hickey and Miss Rosie Miner were witnesses. A wedding reception followed at the residence of the bride's parents, Thomas and Mrs. Murphy, Hartford road, where the young couple will reside.

The Democratic State convention will assemble in the Auditorium on Asylum street, Hartford, Wednesday, June 10, for the purpose of selecting delegates to the National Convention to be held in Chicago, July 7, 1896, where candidates will be nominated for the presidency and vice presidency of the United States. Melbert B. Cary of Ridgefield will be temporary chairman of the convention in Hartford.

Col. F. W. Cheney has very kindly presented to the South Methodist church two handsome, large book cases of substantial build, durable material and attractive style. One is used for holding the archives of the church and the other has been placed in the parsonage, and has just been filled with books, in Mr. Wadsworth's study.

Patrick Hussey and Miss Katie Hubbard were united in marriage by Rev. D. A. Haggerty last Wednesday morning. The ceremony took place in the parsonage. The witnesses were James Toomey and Lillie Hubbard. A wedding reception followed at the bride's residence on Maple street. They received a number of useful presents. At 4 p. m. they drove to Hartford and took the train for New York. They will reside in Williamstown.

Miss Anna Olsson, daughter of Otto and Mrs. Olsson of Pleasant street, who is a student in the School of Art and Design, Superior Union, New York, took first prize at the examination there last Saturday. Our readers will remember that she won first prize last year also. She expects to graduate next year. The prizes offered were medals. Her many friends here will be pleased to learn of her success. She is a close student of art and has an unusual natural adaptability for that class of work.

The trustees of St. Bridget's parish have given the contracts for building the new Catholic church at Manchester street and Vernon to Robert Palmer and Patrick Fragan, the latter doing the mason work and the former the wood work. Both buildings will be started at once and pushed to completion as soon as possible. It is the intention of Rev. R. J. Grogan to have the new church over north as far advanced by Christmas next, that he can say mass in the basement on that day. The finishing of the upper portion of the church will not be pushed so rapidly.

The South Methodist parsonage has been equipped with electric lights and they were turned on last Friday evening for the first time. There are 17 sixteen candle power lights in the building and they light it up brilliantly. It is a nice and good piece of work and is mainly a work of love on the part of a committee who had in charge, the principal part, as a matter of course, devolving on Electrician Louis N. Heebner. The parlors of the parsonage have been newly papered and painted in light tints, and look very pretty, which will be continued as hereafter.

Wm. E. Keith has organized a Sunday school in the West school district and meetings will be held each Sunday hereafter. It is undenominational and is free to all Christian people who choose to attend. A preaching service for the Sunday school was held there last night, for the first time, by Rev. J. S. Wadsworth.

Hibbard & Stannard have taken the agency for the "Insurance" gasoline stove, which is said to be the newest and best thing of the kind on the market. It is operated by a new principle that is said to render it about as safe as such a stove can be. Persons thinking of purchasing an oil stove can get full particulars by enquiring of this firm.

C. Tiffany's jewelry window looked handsome in the decorations of Memorial Day, as did also Cheney's store and Ferris Brothers' store. Ferris Bros. had on the large flag across the street also. The flag was at half mast on the Army and Postmaster Hood unfurled the American flag from the flagstaff on the postoffice.

White Rock Ice Cream. People will be glad to know that this ice cream has arrived at Cheney's Drug store. It is a perfect cream, frozen every hard, conveniently put up in quart, pint and individual boxes to take home.

A paper mill owned by Case Brothers and located in South Chaplain, was destroyed by fire at 3:30 a. m. last Monday. It is supposed that the fire started from a hot box in the wheel pit. The building was of wood and burned quickly. Some forty tons of fine material were also destroyed. It is estimated that the loss is about \$15,000 and is insured. It was a two-machine mill and had three large engines and other equipments, that were fully up-to-date. They made leather boards in the mill. They own another, large paper mill in Chaplain.

We are indebted to the Spanish legation at Washington for the receipt of a pamphlet entitled "Spanish Rule in Cuba. Laws Governing the Island." It contains a sketch of the laws governing Cuba and the text of the more important acts in force. It is written and compiled from official records and is intended to present the case from the Spanish standpoint.

JOHN WANAMAKER. Hon. John Wanamaker, of Philadelphia, the prince of merchants, is to attend the Eighth International Sunday School Convention in Boston, June 31-26 and his address before that body will deeply interest the thousands of Sunday school workers who know of him both as a merchant and also as superintendent of one of the largest Sunday schools in the world.

FIRST ANNIVERSARY. The Ladies Auxiliary of the A. O. H. will celebrate their first anniversary next week, but the date is not yet determined. It will consist of music by Keating's orchestra, singing, recitations, dancing, ice cream, cake, lemonade, etc. The evening will be a social affair. The Ancient Order of Hibernians will be invited and each member of the Auxiliary will have the privilege of inviting two friends. It is not known as yet whether the celebration will take place in Cheney hall or the Army.

BUILDING NOTES. Ferris Brothers are putting in the piping and plumbing for running water in the residence of J. T. Robertson, No. 3 Edward street, they are also doing the plumbing, piping and tinning of the addition to Mrs. McDonald's residence on Church street, and putting a tin roof on the eighteen Spencer house on South Main street. Frank Cheney, they are doing the plumbing in Wm. Barry's new residence. They have all the business they can swing at at the present time.

T. P. Aitkin has secured the plumbing contracts for the new double house that General Harkness is building, also for the Donnelly house that A. Moran is renovating and for the large double tenement that the Misses Allen are building on Chestnut street.

SCHOOL MATTERS. A meeting of the school committee of the ninth district was held yesterday afternoon at which all the vacancies in the teaching corps were filled for the ensuing year, excepting two in the high school. Miss Wilkinson of the Green was secured as the successor of Miss Jennings, Miss Carrie Kaufmann takes the place of Miss Hubbard, as music teacher, Miss Agnes Henderson will give her services as pianist, succeeding Miss Davis, and Miss O'Grady, who had charge of the cooking department for several years past, giving three days a week to that work, will now devote her entire time to the school and will conduct a sewing school in connection with her cooking work, which will be continued as hereafter.

The sewing school is a new feature here and also one of the most important to what is already one of the broadest, most comprehensive and best equipped country schools in the United States. All the other teachers have been retained.

The Union Teachers Association are holding their last meeting for the school year in the eighth district school building this Friday afternoon. Solon P. Davis, secretary, is looking to speak on "Drawing" and G. A. Stuart, superintendent of schools at North Britain on "Qualifications of Teachers." The annual meeting of the eighth school district is to take place this Friday evening at 7:30 o'clock. It has been mournfully remarked by residents of the district that there is nothing to fight about this year, as there is no scramble for office and not a threatening cloud appears on the horizon as the questions at issue seem to develop no division of opinion among the voters of the district.

CARD OF THANKS. At a regular meeting of Drake Post held Tuesday evening, June 3d, it was unanimously voted to thank the Rev. J. H. James, the marshal and his aids, C. G. N. G.; Veteran Association of Co. G. John L. Ois Camp, Sons of Veterans, Miss Carrie Kaufmann and the singers, citizens committee and all that helped to make the memorial service a success.
