SMILE WHENEVER YOU CAN.

The End of Claire's Story.

BY ANNIE HAMILTON DONNELL.

sort of a belated honeymoon, you making was easy enough.

been calling me if-if things had been own loquacious tongue.

ing as ever, honeymooning with Jack was Mary Ann.

I shall take Jack there. I'm not tle bit, Poor Mar' Ann!"

But whether lov or sorrow

Fill up your mortal span.

To smile whene'er you can

When things don't go to suit you
And the world seems upside down,
Don't waste your time in fretting,
But drive away that frown;

To bear all trials bravely

You always have to pay. Which should be often preached -Don't cross the bridge before you

Why should you dread the morrow. And thus despoil today? For when you borrow trouble

You might be pared much sighing
If you would keep in mind
The thought that good and evil
Are always here combined.
There must be something wanting,
And, though you roll in wealth,
You may miss from your casket
That precious level—health. And though you're strong and sturdy You may have an empty purse— And earth has many trials

"Twill make your pathway brighter ******** shaking the door.

Later, when she went away, she Instead of the sacredness of Mar' with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchisi are both Eastern with a little whistle of surprise and mon and parchis are both Eastern with a little w said, remindingly: "It's a bargain, then?—about finishing the story, I mean."

Ann's trouble, as she did, it was really said, slowly:

We had to run last to keep track of little avail in the end. For a day of little avail in the end. For a day or two I tried to keep her at bay, but it was almost necessary to be rude to the meat for sundry meals, eagerly relishing its flavor and as "lots" in the latter.—Harper's it that it had more beauty than sense. It is not wise like the ant or the bee.

And of course I accorded the meat for sundry meals, eagerly relishing its flavor and it that it had more beauty than sense. It is not wise like the ant or the bee.

And of course I accepted the task.
It would give me something to do, and, besides, I hadn't got over my old habit of obeying Claire.

But it wasn't until the 11 o'clock was half-way to San Francisco that I remembered that Claire hadn't told me the beginning of the story. I must make my own beginning, then, as well as ending.
