TOWN NEWS AND NOTES

H. G.Sperry of Bolton is moving into the Francis Bidwell place, corner of Bidwell and Keeney streets, today.

The St. Mary's Young Men's Club had a very enjoyable time at their social and | 8 dance in Cheney hall last Wednesday party, but those who were there were well entertained. The South Manchester Military Brass Band and orchestra furnished music and Prof. C. Foley prompted. John and Mrs. Sargent led the march. Mr. Sargent was floor director and John Swanson assistant.

ADVENTISTS NOTICE.

The service by the Adventists in th Town hall Sunday afternoons will n be interfered with by the meetings now being held there daily by the Pentecos tal people. At 3 p. n., Sunday, Rev. A C. Whitney is to preach a sermon pr. liminary to a series of pictorially illutrated discourses on Bible prophecy.

SHOT TWO.

F.E. Watkins and Dr. W.R. Tinker at expected home from their hunting e pedition today. They are bringing two male deer that they shot in the forest near Eustis, Maine this week Wednesday, and consequently are feeling very jubilant over their success and will receive the warm congratulations of their manfriends. They are expert hunters and If there is any large game in sight, the are sure to get their share of it.

BUILDING LOTS.

E. T. Carrier wishes to call the attention of the public to the fact that he has just cleared a strip of land on Charter Our street, where he offers for salesome very desirable building lots. Now that the trees etc. are removed, persons can audicuces these many years and reached bition for military glory, but his most see what the land is and he invites the very some of copularity here, he marked trait was a profound religious everyone who is contemplating building beet di banded, as 4r. Costes has at spirit. During his administration as a a home, to come and look these lots over non ded his perpess (freting from the monarch of Sweden he introduced vast as they certainly are good ones and he field will make the price an object to any working man to come and locate there, the a roetist, the outbestra was more (" nation. the dwelling.

WEYLER TO BE COURT-MARTIALED

Former Minister Taylor Says the Island Will Be Free Before the Spring-Latest Note From Madrid is D. lant and the Spanish Press is Very Bitter Agains' America-Crisis Approaching

NEW YORK CITY (Special) .- The despatches from Madrid have not been reasmring. The Spanish Government has been aggressive in a guarded way in its replies te Washington on the Cuban question, and the Spanish press has been virulently attacking Americans.

Reports from London are to the effect that Spain has contracted for powerful cruisers for its navy, and the latest telegram from Madrid says that the Spanish Cabinet will reply to the United States Minister's acknowledgment of the receipt the Spanish note on the subject of Cuba declaring in guarded terms that with ference to granting autonomy to Cubs ain will do what she deems fit. It is understood that the Spanish Govern-ment, in the case of the American schooner

mpetitor, captured in Cuban waters i ril 1896, will maintain that the Spanish officers acted correctly in making the cap-ture, and that the protocol of 1877 solely terred to American citizens residing in As a result of the war scare there was

general selling of stocks on the exchanges, t no evidence of a panicky condition It is estimated that the depreciation tocks through this bear movemen mounts to \$26,000,000. The statement by Hannis Taylor, former

Minister to Spain, that Cuba will be free before the blossoms spring into flowers n" has created the greatest interest. The belief is strengthened by the stateolve this country in such a way as t give a pretext for the loss of the island. The principal question now, is as to how es before she considers her pretext to lose Cuba is established to the satisfaction f herself and Europe.

peace is the crown's determination that one peso of revenue shall be lost to The change in the Captain-Generalship of the island, the officials say, is a blow t Spain has struck at himself uninten Ex-Minister Hannis Taylor has characrized the change as "Spain's great mistake

Murder Trial of Martin Thorn Begun in Long Island City.

CASE EXCITES GREAT INTEREST

Brief Story of the Crime-The Accused an Mrs. Nack Alleged to Have Decoyed the Victim to a Lonely Cuttage and There Murdered Him-Justice Wilmot M. Smith's Attitude Towards Talesmen

New York Cirr (Special) .- The trial of Martin Thorn for the murder of William Gueldensuppe on June 25, at Woodside, L. , was begun at half-past nine o'clock Monday morning in Long Island City. Supreme Court Justice Wilmot M. Smith presided, and William J. Youngs, District Attorney of Queens County, conducted the prosecution, William F. Howe, of New York City, was the leading counsel for the defense. A large part of the space on the floor of the court-room and a considerable part of that in the gallery were occupied the reporters and artists of the newsapers of this and other cities. Two hunred talesmen filled most of the space redning in the small court-room, and only the Marine Arsenal after visiting ere able to gratify their eyes and ears. Thorn was brought in at ten o'clock. His | but Colonel Moraes, the President's nephe one confinement had apparently not told was slightly wounded in disarming t on him. He looked in good health, and to soldier. General Betancourt, Minister of quite, however, every now and then he stabbed. The wound was so serious that would wet his lips nervously with his he died soon afterward. The attack has half smile on his face, and he seemed to be | the city. rather proud of his prominence. The story of the crime charged against him is in brief: leged, his paramour, Augusta Nack, lured to a vacant cottage at Woodside, Long Island, William Gueldensuppe, her discarded aramour. There Thorn, in hiding, shot ueldensuppe, cut up his body in the bathtub and threw a part of it into the East liver and took another part to Oguen derly ever witnessed in any Parliament.
