But who can afford to pay any attention to what a man says, especially when it comes to bargains? There are bargain sales of this, that and the other thing for every lay in the week, and every hour in every day. There's no use denying it. Half the bargain seeking women in the world half the time don't know what hey buy and why they buy it. To prove the truth of this, a whole carful of men were immensely amused at the loud voiced confession of a girl as they crossed the Brooklyn bridge one day last week.

"Did you know that Blank & Blank are having a great sale of books at their stere?" she asked her companion. "No," was the reply. "I'm so glad you told me. I'll stop there on my way
