OF PUPILS AT

Huntsinger's Business College

There never were so many pupils in any business college in Hartford at this season of the year, and all are bright, ambitious, enterprising students. We placed 249 graduates in situations the past 18 months, and nearly 200 pupils pursuing the course for openings, which are sure to come soon.

If interested come to see us at work. It is both entertaining and instructive.

E. M. HUNTSINGER, 30 Asylum St., Hartford. West street, South Manchester, Conn. | near Main.

ft is he-O, my love! It is I-all thy love is I, O, love what bliss! ost thou answer to my kiss? Ah, sweetheart, what is this Lieth there So cold! -Bret Harte, in Harper's Weekly, 1861

All my own!

### BY HELEN BEEKWAN.

Reynolds. The north-bound train on the Phildelphia & Erie was in the midst of the wilderness of hills and forests

that is so picturesque and even grand in the summer season. It was Saturday afternoon, and the lfty emigrants and travelers-men, women and children-expected to get into Erie and make a connection with the Shore road early on the

It had been shedding snow feathers all day from a sky of leaden gray, that grew more sombre as night ap-

At midnight the train came to a stop. The dozing people started up, enbled the glass and looked out. The laint light from the windows revealed snow, and only snow, rising up to the black sky

"Are we at the station?" This que tion was asked of the confuctor by a low, sweet voice, and stopping he saw a beautiful girl. He had noticed her frequently during the day, and resting against her shoulder was an elderly lady, evidently an invalid, The conductor stroked his brown peard nervously, and bending over, as the answer. if he did not wish the passengers to

hear, he said: "There's something of a drift shead, miss, but we hope to get

As he went off with his wire-bound antern swinging from his arm, the rain began to back and kept backing all it had gone some distance. Then same another stop, then another forward movement. The puffing grew win. ouder, the speed greater, and the ingine, like a desperate charger under e spurs of a daring rider, plunged into the drift that filled the long cut. Again the train was brought to a

nustache and large, bright eyes, rose broken, but the news was flashed of from the seat behind Mrs. Paulding their whereabouts. and her daughter, Julia, and as he passed them Julia asked: "Would you please, sir, to let us

know if there is any danger?" "Certainly, miss," replied the stranger, and as he spoke lifted his hat and went to the front of the car and out on the platform. Here he met the conductor and the

angineer talking in anxious tones. "Try it again, Jim," urged the con-"But where's the use? We have

so fuel, and the steam is down to 20 pounds and still a-sinking." "Can't you back out of the cut?" asked Martin Reynolds, the young

"Back out of the cut, sir?" peated the engineer as he drew his blue sleeve across his swarthy brow. "Why, bless you, the cut runs back for six miles, and the snow in parts of it is high as the smokestack by this

"How far does the cut extend thead?" asked Martin Reynolds, who some settlement, but Martin Reynolds will not accept money for his services "About two miles, and after that the road gets worse and worse." "Are there any farmhouses near

"No, sir; I doubt if there's a human being outside of the train within ten the train laden with supplies. And it miles of us," replied the conductor. "It is now midnight," said Martin

through to Erie. Reynolds, "and I presume nothing can be done till morning." doubt if we'll be able to do anyng in the morning. We must wait they find us, and heaven only knows when that will be."

Martin Reynolds went back to where Julia Paulding was sitting, gentleness and modesty. supporting her mother, and not wishing to tell them the worst, he said: "We can't get on till morning, so we might as well make the best of a bad bargain by being as comfortable as model mother-in-law, and he has won other according to the mante of the that recently adopted by certain
