HIBERNIANS SUCCESSFUL.

Our shop is full of Finished work. Don't buy from a picture, but come and see the work standing in our shop. We pay car fares both ways for Manchester customers. We never sold work so cheap as we can now. Remember you do not have to pay for any work until it is set up. But give us the order now, as we will make the price less than in the busy season. We will sell you a MONUMENT for less money than any other firm in the bysiness.

Yours very respectfully,

T. R. ADAMS.

JITH a better understanding of the transient nature of the many physical ills which vanish before proper VV efforts-gentle efforts-pleasant efforts-rightly directed. There is comfort in the knowledge that so many forms of illness are not due to any actual disease, but simply to a constipated condition of the system, which the pleasant family laxative, Syrup of Figs. promptly removes. That is why it is the only remove with millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact that it is the only remody which promises internal cleanliness without debilitating the organs on which it acts. It is, therefore, all-important, in order to get its beneficial effects, to note when you purchase that you have the genuine article, which is manufactured by the California Fig Syrup Co. only. THE HIGHEST OBJECT Of the art of advertising is to correctly inform the public of the merits of any article, and truthful statements Of the art of advertising is to correctly inform the public of the merits of an always prove most effective in time. The valuable reputation acquired by the California Fig Syrup Co. by reason of the excellence of the pleasant laxative remedy. Syrup of Figs, which it manufactures, confirms the statement, which the company freely makes, that the best of remedies only should be used when needed by the human system. The more one takes of salts and pills the more constipated the system becomes, while on the other hand one enjoys both the method and the results when Syrup of Figs is taken; it is pleasant and refreshing to the taste, and acts gently yet promptly on the kidneys, liver and bowels, cleanses the system effectually, dispels colds, headsches and fevers and overcomes habitual constipation permanently; also biliousness and the many ills resulting therefrom. The great trouble with all other purgatives and aperients is not that they fail to act when a single dose is taken, but that they act too violently and invariably tend to produce a habit of body requiring constantly augmented invariably tend to produce a habit of body requiring constantly augmented doses. Children enjoy the pleasant taste and gentle action of Syrup of Figs, the ladies find it delightful and beneficial whenever a laxative remedy is needed, and business men pronounce it invaluable, as it may be taken without interfering with business and does not gripe nor nausente. THE EXCELLENCE OF SYRUP OF FIGS Is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes
