HINTS FOR HOUSEWIVES Ice in the Sick Room, The knowledge of how to keep los in the sick room may be of service in 1634 saving life. A deep tin pan or pail 1554 should be taken, and a piece of flannel so fastened over the top that it will sag in the middle, but not enough 1834 to touch the bottom of the pail. A good-sized piece of ice can be placed in the flanuel and completely wrapped in its folds so that no air can reach it. Small pieces of ice can be broken off,

Caring for the Teeth, Many faces that are otherwise beauthul are spoiled by decayed and darkcolored teeth. Brush them thoroughly after every meal, using lukewarm water in which a little powdered borax bas been dissolved. The borax hardans the gums, cleanses the mouth and arrests decay of the teeth; in fact, its 10% merits as a dentifrice have long been known. Get a piece of sheet rubber such as dentists use, slip one edge be-25 @ 35 | tween the teeth and draw it back and forth, It will remove any foreign

13% | 14bstance much better than a toothpick, thread, or other device. Tooth-powders innumerable are manufacture I, and doubtless some of them are very good, but many are injurious, and it is always better to know the ingredients of those we use. It is also better on the score of economy, for an excellent tooth-powder may be prepared at home at very small expense. Mix ten teaspoonfuls of precipitated chalk, three teaspoonfuls of powdered borax, three teaspoonfuls of powdered orris root, and one-half teaspoonful of powdered myrrh. The odor is delightful, and it whitens the tee h beautifully .- The New Voice.

A brand new idea in sofa pillow cayers is the old fashioned worsted worked canvas cover. The design raries. The swellest is considered to be one's family coat of arms or crest, if fortunate enough to possess one. This may be sketched by an artist in the proper colors and done over with worsteds in the simple stitches with which our grandmothers used to work their samplers combined with tious to obtain the desired shadings or 421/ 8 481/ accentuate the lines of the design.

Those who have no right to use a cont of arms or crest, and very few there are who cannot scare up something to which he may manage to lay claim in a forty-second consin sort of way, may use his monogram. Or if the pillow is for the college boy, his sollege colors, pennant or yel! may be portrayed in dashing design and appropriate colors in the same manner. Of course, the college yell has rather been lost sight of nowadays for the
