of these public residences is apt to say:
"What is the use? I have no place to keep
them if I should take them." Mementos, bric-a-brac, curiosities, quaint chair ly commanded to be given to hospitality, as in many places in the east these ancient customs are practiced to-day. But we have now hotels presided over by good landiords and boarding bouses presided over by excellent host or hostess in all neighborhoods, villages and cities and it is our congratulation that those of our land surpass all other lands. They rightly become the permanent residences of many people, such permanent residences of many people, such us awhile. What a sacred place it becomes pent residences of many people, such us awhile. What a sacred place it becomes as those who are without families, such as when one can say: "In that room such a such as those who business keeps them migratory, such as those who business keeps them migratory, such as those who ought not, for various reasons of health or peculiarty of circumstances, to take upon themselves the cares honor; by that stool my child knelt for her last to great my housekeeping.

But one of the great evils of this day is son as he came back from sea voyage; that

The public residence of hotel and boarding house they like the sand boarding house is for most people while they are in trunsitu; but as a terminus they are in many cases denoralization, utter and complete. That is the point at which families innumerable have begun to disintegrate. There never the point in the point at which families innumerable have begun to disintegrate. There never the point in the point at which families innumerable to the widow of Zarephath in the perpetual to the somewhat reduce her glory, as expressed in minutes and seconds. One thing was shown plainly, and that was that the Columbia was very easy in stands still, gration has was just such a sea as that which provalled. It was just such a sea as that which provalled. It was just such a sea as that which provalled. It was just such a sea as that which provalled. It was just such a sea as that which provalled. It was just such a sea as that which provalled. It was just such a sea as that which provalled. It was just such a sea as that which provalled. It was just such a sea as that which provalled. It was just such a sea as that which provalled. It was just such a sea as that which provalled. It was just such a sea as that which provalled. It was just such a sea as that which provalled. It was just such a sea as that which provalled. It was just such a sea as that which provalled. It was just such a sea as that which provalled. It was just such a sea as that which provalled. It was just such a sea as that which provalled in minutes and seconds.

The cyclic and the columbia was very easy in such a sea as that which provalled. It was just such a sea as that which provalled in minutes and seconds.

The cyclic and the columbia was very easy in was just such a sea as that which provalled in minutes and seconds.

The cyclic and the columbia was very easy in was just such a sea as that which provalled in minutes and sec the point at which families innumerable have begun to disintegrate. There never has been a time when so many families, beathy and abundantly able to support and direct homes of their own, have struck test and taken permanent abode in these public establishments.

In these public caravansaries, the demoning family relation because she entertained Elisha, and to the widow of Zarephalia it he perpetual of the mirror because she entertained Elisha, and to the widow of Zarephalia it he perpetual of the mirror because she entertained Elisha, and to the widow of Zarephalia it he perpetual of the mirror because she entertained Elisha, and to the widow of Zarephalia it he perpetual of the mirror because she entertained Elisha, and to the widow of Zarephalia it he perpetual of the mirror because she entertained Elisha, and to the widow of Zarephalia it he perpetual of the mirror because she entertained Elisha, and to the widow of Zarephalia it he perpetual of the mirror because she entertained Elisha, and to the widow of Zarephalia it he perpetual of the mirror because she entertained Elisha, and to the widow of Zarephalia it he perpetual of the mirror because she entertained Elisha, and to the widow of Zarephalia it he perpetual of the mirror because she entertained Elisha, and to the widow of Zarephalia it he perpetual of the mirror because she entertained Elisha, and to the widow of Zarephalia it he perpetual of the mirror because she entertained Elisha, and to the widow of Zarephalia it he perpetual of the mirror because she dealed was salled over a triangular course of ten miles to each leg, making it theiry miles in all. In spite of the poor their gears are much over one hundred. This is a fact worth remembering in long. Trank it was salled by both yachts inside over a triangular course of ten miles to each leg, making it their gears are much over one hundred. This is a fact worth remembering in long.
