New York City (Special).—In the van of

Naw York City (Special).—In the van of the most magnificent marine pageant that ever swept the waters of an American harbor, Admiral George Dewey steamed Friday in his renowned Olympia while milder about twenty minutes he and his flagship about twenty minutes he and his arrival at Grant's Tomb. Upon Admiral Dewey's arrival at Grant's Tomb there was a blare of trumpets, and in a moment a hundred bands were playing "Hail to the Chief," but so tremendous was the cheering that only once in a while could the air be defined.

Washington, D. C. (Special).—The case of Captaia Oberlin M. Carter, Corps of Endone were playing "Hail to the Chief," but so tremendous was the cheering that only once in a while could the air be defined.

Now and then his lips twitched convulsively and occasionally be wiped his eyes.

Behind Dewey in carriages came his fighting captains of May I, 1898, and then his staff. After them came Rear-Admiral Sampson and his staff, the captains of the North Atlantic Squadron. Then Rear-Adjugate was ordered December 6, 1897, convened Japanary 13, 1898, and the trial ended May

January 12, 1893, and the trial ended May miral Howison and his shaff, followed by a January I general collection of guests, among whom 12, 1898.

Without Result. For a marine show there could not have been finer weather. The day dawned bright, and a brisk breeze blew all day long. Clouds scurried over the sky, and one of these brought a slight shower, just after the parade started, and as Admia Dewey's flagship sweet up past the Battery a brilliant rainbow spanned the North River from shore to shore. Thousands saw the refugent spectacle in the sky, declared it was "Dewey luck," and rejoiced to many the fine of the sky, declared it was "Dewey luck," and rejoiced to many the fine of the public schools, so attreed to Rear-Admiral Schley was continuous, warm and hearty.

Just before the procession turned into Fifth avenue and along the green-terraced memorial. On a stand fully 250 feet long interes of living color read: "Welcome Dewey," and close alongside was a national banner wonderfully wrought. It was "Dewey luck," and rejoiced to Maulia. Schools, so attreed and grown and the ovation tendered to Rear-Admiral Schley was continuous, warm and hearty.

Mantia (By Cable).—Forteen Americans the attree of the procession turned into Fifth avenue and along the green-terraced memorial. On a stand fully 250 feet long the fifth avenue and along the green-terraced memorial. On a stand fully 250 feet long the fifth avenue and along the green-terraced memorial. On a stand fully 250 feet long the fifth avenue and along the green-terraced memorial. On a stand fully 250 feet long the fifth avenue and along the green-terraced memorial. On a stand fully 250 feet long the fifth avenue and along the green-terraced memorial. On a stand fully 250 feet long the fifth avenue and along the green-terraced in the attree of living color read; "Welcome Dewey," and close alongside was a national banner wonderfully wrought. It was all made up to pull the fifth avenue and along the green-terraced in the fifth avenue and along the green-terraced in the attree of living color read; "Welcome Dewey," and close alongside was a national banner wonderfully wrought. It was all made up to pull the fifth avenue a clared it was "Dewey luck," and rejoiced that the Admiral was sailing to the great After this came the yachts, then the letters of the welcome inscription were Soriano and Major Ortad, the Filipino review literally beneath a rainbow of promise.

Two o'clock was the time set for the start, but by eleven the great fleet of excursion boats had dropped away from the entire fleet being grouped in a most posturesque position. Both shores were lected around the grim warships that rode at anchor off Tompkinsville. Aboard the saluting batteries were on nearly every Olympia it had been a busy morning.

The entire fleet being grouped in a most blended in sweet harmony and welcomed the nation's guests with a beautiful rendiction of "See The Conquering Hero Comes!"

The reviewing stand was a thing of The commissioners made the usual anchor off their mission, but General Olis blended in sweet harmony and welcomed the nation's guests with a beautiful rendiction of "See The Conquering Hero Comes!"

Peter Berlo, the American veteran rider, is experimenting with motor cycles. One of the most important things in cycling is to have a really good saddle. It is estimated that there are 3,000,000 wheelmen in the United States to-day. Moonlight centuries and nocturnal rides are becoming a popular phase of cycling. Something new that is promised for next year is an automatic coaster-brake for application to chainless wheels.
