She narrowly escaped disaster. The officers and soldiers were for eleven days requiem for the stain in battle. Methinks for the stain in battle. Methinks and soldiers were for eleven days requiem for the stain in battle. Methinks and soldiers were for eleven days requiem for the stain in battle. Methinks all, toank God for their faventive gealus.

sent the wheel.

Twenty-two times is the wheel mentioned in the Bible, sometimes, as in Ezekiel, illustrating providential movement; sometimes, as in the Psaims, crushing the bad; sometimes, as in Judges, representing God's charleted progress. The wheel that started in Evolus rolls on the started rolls and Japan, and it has long been used by the Turcomans in the manufacture of cords and woven goods. It has never been cultivated, and grows best in land under water for part of the year. The fibre has great strength and the started in the started in the Bible, sometimes, as in the Psaims, crushing and a hundred dead, full head of steam and two men in the locomotive steam and steam of the manufacture of cords and woven goods. It has never been cultivated, and grows been used by the Turcomans in the manufacture of cords and woven goods. It has never been cultivated, and grows been used by the Turcomans in the manufacture of cords and woven goods. resenting God's charicted progress. The wheel that started in Exodus rolls on through Proverbs, through Isalab, through Jeremiah, through Daniel through Nahum, through the conturies, all the time gathering momentum and splendor, until, seeing what it has done for the world's progress. what it has done for the world's progress startling, sublime, magnificent spectacle—and happiness, we chap our hands in thanksand happiness, we chap our hands in thanks-giving and employ the apostrophe of the While the world has been rolling on the
