Congress.

It is universally conceded that combinations which engrous or control the market of any particular kind of merchandise or commodity necessary to the general community by suppressing natural and ordinary competition, whereby prices are understant of the general consumer, are observing, not only to the common its consequences to themselves. which we make reverent acknowledgment WILLIAM N'KINLEY.

Foreign Affairs.

Following the trust question the President takes up foreign relations, first reviewing the status of several disputes which the government has on hand and finding them moving toward a successful settlement.

The aggressions of the Filiphos continually increased until finally, just before the time set by the Senste of the United States for a vote upon the treaty, an attack, cyldently prepared in advance, was made all along the American line, which resulted in a terribly destructive and sanguinary repulse of the insurgents.

Hubinger's Best stard, makes it just like finding money. Why, for only 5c you ally increased until finally, just before the dimension of "Red Cross" starch, one large 10c package of "Red Cross" A Massacre Plot.

ing on examinations in Nicaragua and Da
President McKinley then quotes from obtain the beautiful Christmas presents free obtained by the beautiful Christm ing on examinations in Nicaragua and Burien with a view to establishing a canal
between the Atlantic and Pacific oceans,
and he asks Congress to help in the work,
Our trade with China has continued to
grow and our commercial rights under exlsting treaties have been and will be mainport of the commission sent to the Philipport of the commission sent to the Philiptained. He again urges an appropriation for a commission to study the commercial and industrial conditions to the Chinese Impire so that American trade may be en-arged in the Empire.

Any American would have sanctioned the but two years ago he added to his surrender of Manila to the insurgents. Next the Paris Exposition is touched on, and concerning Germany the President finds that our relations continue to be most cordial.

Surrender of Manha to the insurgents.

Our obligations to other nations and to indicate a power of rapid reasoning our find demanded that force should be met by force.

Declares For Gold Standard and Remost cordial.

Mr. McKlaiey contends that our system of the inspection of food products for export is of the best, and he hopes that the German Government will come to realize this, and suggests that Congress authorize an invitation to Germany in connection with the pending reciprocity negotiations or the constitution of a joint commission of selentific experts and practical men of affairs to conduct a searching investigation of food products in both countries.

The President then says: The course thus clearly indicated has been unflinching that this clearly indicated has been unflinching that the purpose of the side of a fair to commission of the best, and he hopes that the down. Civil government cannot be thoroughly established until order is restored.
