Great Britain and Her Colonies Take More Than One Half-Eighty-Eight Per Cent. Sold in Europe. CONTRABAND OF WAR DEFINED.

Right of Neutrals to Forward Goods is Hitchcock, Chief of the Section of Foreign Formally Admitted-British Reply is | Markets in the Department of Agriculture Called Satisfactory at Washington- in a report on the distribution of the ag-Question of Indemnity Will Be Settled cicultural products of the United States, I

The answer of Lord Salisbury, which is considered satisfactory by Secretary Hays really means that foodstuffs are not contraband of war. Foodstuffs can be regarded as contraband of war only when intended for the enemy. This intention must be shown by actual proof at the time the vessel containing the suspected contraband is overhauled. The mere belief that the foodstuffs may ultimately reach the enemy cannot justify the seizure.

Great Britain has the right of visitation and search on the high seas. It is an intended for the enemy cannot search on the high seas. It is an intended for the enemy cannot search on the high seas. It is an intended for the enemy cannot search on the high seas. It is an intended for the enemy cannot search on the high seas. It is an intended for the enemy cannot search on the high seas. It is an intended for the enemy cannot search on the high seas. It is an intended for the enemy cannot search on the high seas. It is an intended for the enemy cannot search on the high seas. It is an intended for the enemy cannot search on the high seas. It is an intended for the enemy cannot search on the high seas. It is an intended for the enemy cannot search on the high seas. It is an intended for the enemy cannot search on the high seas. It is an intended for the enemy cannot search on the high seas. It is an intended for the enemy cannot search on the season of the total agricultural exports.

In this respect than his yeoman the mark in this total enemy, which is the realis. This position was assaulted to the total agricultural exports. In this both have far less military training that the tenant, that both have far less military training that the tenant, that both have far less military training that the tenant is not, generally, much nearest than his yeoman training that the tenant, that both have far less military training that the members of the volunteer force, and it is a fact that a large percentage of the rails. Hands and Limbs Covered with Blisters and Great Red Blotches. Scratched Until Almost Wild. Burned Like Fire. Sleep Impossible. CUTICURA Remedies Bring Speedy Relief

and a Permanent Cure at a Cost of Only 32. I was a sufferer for eight years from that most distressing of

enlightening them the best I can.

first would appear, then they would peel off, leaving a red, smooth surface which would burn like fire and itch; well, there is no name for it. On the inside of the upper part of both my limbs great red blotches, not funlike hives, would appear, and as soon as I became warm the burning and itching would begin. Night after night I would lie awake all night and scratch and almost go wild. I heard of CUTI-

CURA REMEDIES, got them and gave them a thorough trial, and after a few applications I noticed the redness and inflammation disappear. Before I had used one box there was not a sign of Eczema left. I can truthfully assert that \$2.00 worth of CUTICURA REMEDIES cured me. There has been no sign of its return anywhere upon my body since I wrote you I was cured, nearly four years ago. Hardly a month passes but what I receive a letter or some one calls and wishes to know how I got cured, if I had Eczema bad, and if the cure has been permanent, etc., etc. I always take pleasure in

JOHN D. PORTE, Pittsburg, March 1, 1899 Of JOHN D. PORTE & Co., Real Estate and Insurance, 428 Fourth Avenue, Pittsburg, Pa. The agonizing itching and burning of the skin, as in eczema, the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalled head; the

facial disfigurement, as in pimples and ringworm, the awful suffering of infants and the auxiety of worn-out parents, as in milk crust, tetter, and salt rheum - all demand a remedy of almost superhuman virtues to successfully cope with them. That

Remodice are such stands proven beyond all doubt. No statement is made regard. ing them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the bsolute safety and great economy, have made them the standard skin cures and humor remedies of the civilized world. The treatment is simple, direct, agreeable, and economical, and is adapted to the youngest infant as well as adults of every age. Bathe the affected parts with hot water and Currouna Soar to cleanse the surface of crusts and scales, and soften the thickened outicle. Dry, without hard rubbing, and apply Currouna Ointment freely, to allay itching, irritation, and inflammation, and soothe and heal, and lastly take CUTICURA RESOLVENT to cool and cleanse the blood. This sweet and wholesome treatment affords instant relief, permits rest and sleep in the severest forms of eczema and other itching, burning, and scaly burners of the skin, scalp, and blood, and points to a speedy, permanent, and economical cure when all other remedies and even the best physicians fail. CUTICURA THE SET, price \$1.25; or, CUTECURA SOAP, 250., CUTECURA OINTMENT, 50c., COTICURA OLVENT, 50c., sold throughout the world. "How to Cure Eczems," free of the
