Tune-"Marching Through Georgis." Come, ye veteran soldiers, now, and raise a joyful song, Sing it with a spirit that will move the mighty throng; oing it 'till the world shall hear the echoes loud and long,

We'll shout the praise of Him who'll make us free; Now we'll sing our battle hymn o'er mountain, land and sea, While we are marching to glory Gird the gospel armor on and duty's call obey;

While we are marching to Glory!

See the mighty rebel hosts all marshaled for the fray! Going forth to meet them we will watch and fight and pray, While we are marching to glory!

Forward then to battle 'neath the banner of the cross; Counting worldly honors at their best as only dross; Jesus is our Captain, and we ne'er can suffer loss, While we are marching to glory!

Morethan half a dozen arrests were made and three men, two of them colored, are in custody on suspicion of having committed the crime.

Professor White left the university at ten o'clock for the Powellton avenue station of the Pennsylvania Railroad to board a train for Germantown, a suburb. Shortly before eleven o'clock he was found in an unfrequented part of Thirty-second street, this shall be entirely eliminated.

Spring plowing is more or less late in almost every State in which its condition is a matter of any special significance. The only notable exceptions are Pennsylvania, Kentucky, Illinois, Kansas, Missouri and Arkansas. The work aiready done in the country at large is estimated at 68.4 per cent. of the total contemplated, the proportion usually done by May 1 being about 75 per cent. of the whole.
