CONNELLY-MAXWELL.

A very pretty wedding took place in Willimantic Wednesday morning, the contracting parties being Thomas F. Connelly of this place and Miss Mary A., daughter of the late Officer Tuomas Maxwell and wife of Willimantic. The ceremony was performed by Rev. Oliver T. Magnell at 7 a. m. at St. Joseph's church. After the marriage a reception was held followed by a wed ding breakfast at the home of the bride, 84 Oak street. Owing to the death of the bride's mother some few months ago, the invitations were limited, only immediate family relatives and a few invited friends were present at the breakfast. Many costly and useful presents were bestowed on the young couple. Mr. and Mrs. Connelly are now on a wedding tour to Philadelphia and vicinity. Why The Boston Branch Prices Can Afford to be Lower Than Those of Other

Buying goods direct from the manufacturers or from the first source of supplies, experienced buyers at the head of each department to do the huying and with an outlet that justifies great buying. In view of the above it isn't hard to understand why the Boston Branch prices are lower than others. We have behind us the greatest food purchasing power in New England.

In talking of our own greatness there is no intent of disparaging the business of other stores. We do it as an invitation to you to share in the benefit of our great purchas-

He thinks he lives, but he's a dead one. No person is really alive whose liver is dead. During the winter most people spend nearly all their time in warm, stuffy houses or offices or workshops. Many don't get as much exercise as they ought, and everybody knows that people gain weight in winter. As a rule it is not sound weight, but means a lot of flabby fat and useless, rotting matter staying in the body when it ought to have been driven out. But the liver was overburdened, deadened-stopped work. There you are, with a dead liver, and spring is the time for resurrection. Wake up the dead! Get all the filth out of your system, and get
