Huntsinger's Business College

which gives absolutely the most thorough business and shorthand training in Connecticut. We placed 625 graduates in situations in the 45 months and one week ending August 24th. We have plenty of the best teachers, have Actual Business Practice in the school, and with the pupils of the best colleges in

We fulfil all our promises and will try to do even a little better by our pupils this year than in the past. We have real discipline, as well as real business training. Lax methods find no room in this school. No better school anywhere at any price, nor as good business training elsewhere in Connecticut. Seven teachers of long and successful experience to train our pupils. Mr. Huntsinger traches daily. We secure our pupils on the merits of our training and by that we stand or fall. We will not misrepresent to ge patronage. Scores of young men and young women will take the first step towards business success next Monday by entering Huntsinger's. Earnest, ambitious young people who wish to be self supporting and a credit to themselves and their family will a Calras's.

A horrible, slimy monster that makes man's life a misery.

After eating: a bloated belly, belching of gas from the stomach, a foul, ill-smelling scurf on the tongue, dizziness, headache, a sour rising and spitting up of half-digested food,-it's Bowel Bloat.

When the bowels stop working they become filled with putrid, rotting matter, forming poisonous gases that go through the whole body. If you don't have a regular, natural movement of the bowels at least once a day your fate is bowel bloat, with all the nasty, disgusting symptoms that go with it. There's only one way to set it right. Clean yourself out gently but thoroughly and tone
