factured by George O. Sawyer of Hartford and are made to sell at \$2.50 a pair. In order to introduce them to the ladies of South Manchester and vicinity I will sell them for \$2,22 a pair from now until December 1st. Mr. Sawyer formerly sold this shoe in his Hartford store for \$2.22 a pair, but is now manufacturing it himself and has improved the quality so as to make it a 82 50 shoe.

Therefore, after December 1st the price of these shoes here will be \$2.50 a pair. Call and see them and try a pair at the reduced price. I am sole agent for this well known shoe in this town.

tone of his speeches. His eager and and Lamps watchful eye long ago told him that his amentations about imperialism and militarism left his audiences wholly unmoved. He has turned from those twin futilities to the trusts again, but more particularly to his old populistic habit of assaults upon wealth. He is ying to stir up discontent. He has got down to the level of Debs. The ruling passion of demagogy possesses him, and now every speech he makes is intended to convince his hearers that the possession of wealth by others is a crime against them. His reckless charge that We give below a partial list the republicans are extorting money the people to vote against him is a perfectly characteristic utterance. "DEAR MES. PINKERAM :- I have been sick for a long time. I was taken sick with flooding. All my trouble seemed to be in the womb. I sens all the time at the lower part of the womb. The doctor says the womb is covered with ulcers. I suffer with a pain on the left side of my back over the kidney. I am fifty years old and passing through the change of life. Please advise me what to do to get relief. Would like to hear from you as soon as possible."— MRS. CHARLOTTE JOHNSON, Monelova, Ohio.

"I have been taking your remedies, and think they have helped me a great deal. I had been in bed for ten weeks when I began taking your Vegetable Compound, but after using it for a short time I was able to be up around the house. The aching in the lower part of womb has left me. The most that troubles me now is the flowing. That is not so bad, but still there is a little every day. I am not discouraged yet, and shall continue with your medicine, insted Winfield Scott. He was elected grating to Canada, Russia, Portugal, told him he was too feeble, but he in-"I send you this letter to publish for the benefit of others. I was sick for about nine years so that I could not do my work. For three months I could

not sit up long enough to have my bed made. I had five different doctors, and all said there was no help for me. My trouble was change of life. I suffered with ulceration of the womb, pain in sides, kidney and stomach trouble, backache, headache, and dizziness. I am well and st.ong, and feel like a new person. My recovery is a perfect surprise to everybody that knew me. I owe all to Lydia E. Pinkham's Vegetable Compound. I would not do without your medicine for anything. There is no need of women suffering so much if they would take your semedies, for they are a sure sure."-MES. CHARLOTTE Jourson, Monclova, Ohio. When one stops to think about the good Mrs. Johnson derived from Mrs.

Pinkham's advice and medicine, it seems almost beyond belief; yet it is all true as stated in her three letters published above at her own request. As a matter of positive fact Mrs. Pinkham has on file thousands of letters from women who have been safely carried through that danger period "Change of Life." Mrs. Johnson's cure is not an unusual one for Mrs. Pinks ham's medicine to accomplish.
