Shoe For

The "GOODY TWO" Shoes are now manufactured by George O. Sawyer of Hartford and are made to sell at \$2.50 a pair. In order to introduce them to the ladies of South Manchester and vicinity I will sell them for \$2,22 a pair from now until December 1st. Mr. Sawyer formerly sold this shoe in his Hartford store for \$2.22 a pair, but is now manufacturing it himself and has improv ed the quality so as to make it a \$2.50 shoe.

Therefore, after December 1st the price of these shoes here will be \$2,50 a pair. Call and see them and try a pair at the reduced price. I am sole agent for this well known shoe in this town.

Motherhood

How shall a mother who is weak and sick with some female trouble bear healthy children? How anxious women ought to be to give their children the blessing of a good constitution! Many women long for a child to bless their home, but because of some debility or displacement of the female organs,

they are barren. Preparation for healthy maternity is accomplished by Lydia E. Pinkham's Vegetable Compound more successfully than by any other medicine, because it gives tone and strength to the parts, curing all displacements and in-
