I'm so Tired."

The ordinary every-day life of most of our women is a How much harder the daily tasks become when some

derangement of the female organs makes every movement painful and keeps the nervous system all unstrung ! One day she is wretched and utterly miserable; in a day or two she is better and laughs at her fears, thinking there is nothing much the matter after all; but before night the deadly backache reappears, the limbs tremble, the lips twitch -it seems as though all the imps of Satan were clutching her vitals; she goes to pieces and is flat on her back.

No woman ought to arrive at this terrible state of misery, because these symptoms are a sure forerunner of womb troubles. She must remember that Lydia E. Pinkham's Vegetable Compound is almost an infallible cure for all female ills, such as irregularity of periods, which cause weak stomach, sick headache, etc., displacements and inflammation of the womb, or any of the multitudes of ill nesses which beset the female organism.

Mrs. Gooden wrote to Mrs. Pinkham when she was in great trouble. Her letter tells the result. "DEAR MRS. PINKHAM:-I am very grateful to you for your hindness and the interest you have taken in me, and truly believe that your medicines

and advice are worth more to a woman than all the doctors in the world. My troubles began with inflammation and hemorrhages from the kidneys, then inflammation, congestion and falling of the womb, and inflammation of the ovaries. I underwent local two months, the doctor gave me permission to go back to work. I went back, but in less than a week was compelled to give up and go to bed. On break-ing down the second time, I decided to let doctors and medicines alone and try your remedies. Before the first bottle was gone I felt the effects of it.
Three bottles of Lydia E. Pinkham's Vegetable
Compound and a package of Sanative Wash did
me more good than all the doctors' treatments and me more good than all the doctors breatments and medicine. I have gained twelve pounds during the last two menths and am better in every way. Thanking you for your kind advice and attention, I remain. Yours gratefully, "MRS. E. J. GOODEN, Ackley, Iowa."
