plain he believed in most. He believed in pulling wishbones, for he knew if he got the long end, and then put it over the door, his wish would be almost sure to come true. 'Along about Thanksgiving time there were a great many wishbones, and the narrow shelf at the top of the door casing was filled with grisly hopes that were mostly to come true Christ-

For in the goodness of Santa Claus he believed most of all. There was just one Santa Claus, and there was no faith and no feeling quite like that on | KEEPING THE NAMES OF CHILDREN. the afternoon before Christmas, when Then the full stocking that crunched into the tree, put the transmitter, in pieces that were regularly shaped by draws the track into the back left. he drove the tack into the back left when he bugged it to his breast, and carefully concealed there to the ear of bronze but and bound hand converse of the grantshulese and hand corner of the mantelpiece and a bound back into his little home-made the youngest child, and the child was made of bronze kid and bound back into his little home-made the youngest child, and the child was made of bronze kid and bound back into his little home-made bung on it his longest and reddest bed, shivering with a delicious sense heard its mother's Christmas message. with brown ribbon. It is a particularparts of the room to look at it and There was something hard and kind voted their mamma's voice was the case. Another made of yellow silk so make sure that Santa Claus could of long at the top. That was candy- best Christmas present they had. not fail to see it first thing.

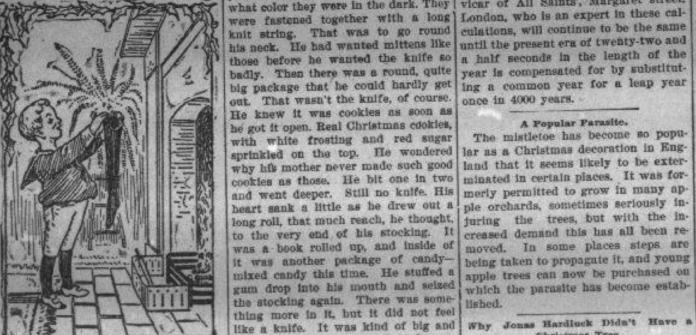

He had wanted a knife. He had wanted one since he could first remember, but now that he had been going to school it seemed to him that there was nothing in the world be wanted like that. The other boys had them. To be sure they were all older than him, but he had caught up with them in his lessons, and it seemed as knives and lessons ought to go together. His parents were afraid he would cut his fingers, but he had used the other boys' knives and had not cut himself; at least only a little once, and that was

He made up his mind at last that in Santa Claus lay his only hope. Santa Claus, who knew everything, would know that he was old enough to have a knife-perhaps one with two blades, a big one and a little one. He mened this to his parents, but they looked grave and said that Santa Claus was very particular about little boys'

He had been getting all the long ends of the wish bones, and his wish was always for the knife. Above the sitting room door there was a perfect thicket of long ends. The knife was certain. He could hardly wait for the

But one day, when Christmas was no more than a few weeks off, his father returned from the village with a picture paper. It had a great deal in it about Christmas, and inside there was a set of pierures that covered over two whole pages. The little boy saw them and spread the perper down on the floor to look at them. Then he forgot everything else in the world, for they were pictures of the life and home of Santa Claus! He had seen other such pictures, but never before any like these. There was the workshop, with the old fellow at his bench, and the finwere dolls and playthings without a big stick of peppermint; he could Christmas Day on Sunday.

The little boy got down and looked candy as Santa Claus. He laid it tham Journal. It falls on Sunday, by the thousands, and the boys joined

# CLOTHIER AND OUTFITTER.

Encouraged by our Holiday Trade of last year, which greatly exceeded our expectations, we have made more extensive preparations to meet your wants this year. We have increased our stock in every department and have added a number of new lines, some of which we enumerate below are all useful articles, which are always appreciated, and which we have in greater quantity and larger variety now than at any other time.

Slippers.

The most sensible and serviceable slippers ever shown can be found this season. Men's Slippers are mostly made from fine soft leathers suitable for such goods, either black or fancy colors.

The slippers for women are made from Kid and Patent Leather and a number of styles of warm felt slippers for young or old.

## Sweaters.

The most useful and sightly ar ticles we are showing in Christmas goods are Sweaters. The quality and beauty of the new sweaters will surprise you. Nothing approaching them in quality ever offered to the people of Manchester.

Gloves. You could not make him bappier than by giving him a pair of gloves, Present him with a pair of our kind and notice how pleased he will be. A great part of our glove stock

was bought with Christmas in mind. Neckwear.

Quantities of neckwear of every description to select from. Indeed we almost think we can bewilder you with the quantity and, endless variety of patterns we can show Selected with the greatest care

and styles suitable for the young or the old.

Silk Mufflers. A great number of new designs in our muffler stock. We have be-
