The two poor fellows were some distance in the pack, and had got on the tance in the pack, and had got on the largest cake they could find. They long the monastery of All Saints, population of the monastery of All Saints The knock at the door was answered by Comeau himself. The captain was personally acquainted with him and introduced us before we entered. I must say I was disappointed. One always is when he has pictured a person in his mind's ere and finds that in reslity he is quite a different kind of person.

I had looked for Comeau to be a large man and a boisterous one from his position of superiority over others. On the contrary, I found him below the medium, a quiet, low-voiced man, reserved almost to shyness. I saw at once he was a great observer, one who once he was a great observer, one who would make deductions from specks.

once he was a great observer, one who would make deductions from specks invisible to ordinary people; or, in other words, he could put two and two together and dovetail them better than most men.

We were ushered into a large, clean, airy room, in the middle of which sat airy room, in the middle of which sat airy room, in the middle of which sat airy room, and their great wish was to be a fan shoe with very good results.

In the same way, and so repeating the process till they reached the solid field. is the battle, crying, "O Galilean, Thou hast conquered!"

In the armory of the Earl of Penbroke there are old corselets which show that the arrow of the English used to go through the breastplate, through the backplate. What a symbol of that gospel which is sharper than a two-edged sword, piercing to the dividing anuader of soul and body and of the joints and marriw! Would to God we had more faith in that gospel.

The humblest man in the word, if he had enough faith in it, could brug a hundred souls to Christ-perhaps 500. Just in proportion as this age seems to helieve less and less in it I believe more and more in it. What are men about that they will not accept their own deliverance? There is nothing the poposed by men that can do anything like this gospel.

The religion of Ralph Waldo Emerson was the philosopphy of icicles; the religion of Theodore Parker was a sirocco of the desert, covering up the soil with dry sand; the religion of Renam was the romance of believing almost nothing; the romance of believing almost nothing; the romance of believing almost nothing; the rolling of the religion of Renam was the romance of believing almost nothing; the rolling of the religion of the Huxleys and the Spencers is merely a pedestal on which human phison, looking up to the stars, offering no help to the nations that crouch and groon at the base. Tell me where there is one tund to have the stars, offering no help to the nations that crouch and groon at the base. Tell me where there is one tund to have the base of the proper than the stars, offering no help to the nations that crouch and groon at the base. Tell me where there is one tund to have the base of the proper than the part of thirs, of the soul, looking up to the stars, offering no help to the nations that crouch and groon at the base in the religion of the religion of the roll that gospel for another who is throughly satisfied and helped and ontended the proper than the stars, offering no help to the nations that crouch any to the proper to the gospel has n

are packed away in your insides and must in order and doing business. It's a long way, with many turns and pitfalls to catch the refuse and clog the channel if not most carefully

cleaned out every day. When this long canal is blockaded, look out for trouble—furred tongue, bad breath, belching of gases, yellow spots, pimples and boils, headaches, spitting up of tood after eating—an all-around disgusting nuisance.

Violent calomel purges or griping salts are dangerous to use for cleaning out the bowels. They force out the obstruction by saustrg violent spasms of the bowels, but they leave the intestines weak and even less able to keep up regular movements than before, and make a

larger dose necessary next time. Then you have the pill habit, which kills more people than the morphine and whiskey habits combined. The only safe, gentle but certain bowel cleansers are sweet, fragrant CASCARETS, because they don't force out the foecal matter with violence, but act as a tonic on the whole 30 feet of bowel wall, strengthen the muscles and restore healthy, natural action. Buy and try them! (Look out for imitations and substitutes or you can't get results. Cascarets are never sold in bulk. Look for the trade-mark, the long-tailed "C" on the box.) You will find that in an entirely natural way your bowels will be

Campbell Council, No. 573. K. of C. met for the first time in Odd Fellows hall last Monday evening and had quite an interesting session. Twelve applications for membership were received and one transfer. This certainly is very encouraging and demonstrates the fact very clearly that the Knights are destined to cut quite a figure in the fracting. They voted to meet on the second and fourth Mondays of each month in Odd Fellows hall he after the first degree on as many of the spplicants as present themselves for that ceremony and shall have passed the necessary physicial examination. They expect to have all the new parapharnalia and be prepared to receive their next meeting they propaged to the necessary physicial examination.
