MILLIONS OF MOTHERS USE CUTICURA SOAP ASSISTED BY CUTI CURA OINTMENT THE GREAT SKIN CURL

For preserving, purifying, and beautifying the skin of infants and children, for rashes, itchings, and chafings, for cleansing the scalp of crusts, scales, and dandruff, and the stopping of falling hair, for softening, whitening, and soothing red, rough, and sore hands, and for all the purposes of the toilet, bath, and nursery. Millions of Women use Cuticura Soap in the excoriations, for too free or offensive perspiration, in the form of washes for ulcerative weaknesses, and for many sanative, antiseptic purposes which readily suggest themselves t women, especially mothers. No amount of persuasion can induce those who have once used these great skin purifiers and beautifiers to use any others. Cuticura Soap combines delicate emollient properties derived from Cuticura, the great skin cure, with the purest of cleansing ingredients and the most refreshing of flower odors. It unites in ONE SOAP at ONE PRICE, the BEST skin and complexion soap and

the BEST toilet, bath, and baby soap in the world. COMPLETE EXTERNAL AND INTERNAL TREATMENT FOR EVERY HEROE, Consisting of Currowna Soar, to cleanee the skin of crusts and scales and soften the thickened cuticle, Currowna Cusrtion, and scales and soften the thickened cuticle, Currowna Cusrtion, and southe and heal, and Currowna Resolvence, to cool and cleanse the blood. A Surgar Sur is often sufficient to cure the most forturing, disfiguring, inching, burning, and scaly skin, scalp, and blood humors, with loss of hair, when all chie falls. Sold throughout the world. Dogs.

There are too many dogs in South Manchester. They are a nuisance. They annoy persons driving horses and riding bicycles, and keep people awake nights with their infernal barking. They should not be allowed in the room where people are, especially children. They go out into the streets where they gnaw on rotten meat and bones, drink stagnant water, lick up mongrel curs, have their mouths laden with disease germs, are allowed to lick prevent disease. The several hundred dollars invested every year in these Flee
