Consequently his name does not appear on the list of candidates for constables as printed below.

Lawyer Burke and Chairman Hathaway had some rather animated discussions on points of parliamentary law, which seemed to please the large and hurahed to their hearts' content. To-day

We want to thank the people of Hartford and near by cities for the encouragement they have given us by their more than liberal attendance at our opening on Saturday-our store was thronged all day from the time the doors were thrown open in the morning until late night by an eager and interested crowd, all anxious to learn the particulars of our new methods of selling wearing apparel for man, woman or child on a cash or credit plan at cash prices. Our only regret is that we are obliged to extend our apologies to those who visited us but on account of the crowd were unable to make the purchases they desired. The sales on our opening day were far great-

er than we had any cause to anticipate and a large number of accounts were opened. Please remember that every department stocked with the best of garments-always well made-well fitting-stylish and in all the pop-

ular materials.

We are in a position to carefully attend to the wants of all who may come to our store whether they desire to purchase or simply to make our acquaintance-but we assure them that they will find that we are in a better position to fil their wants in wearing apparel-from head to foot than any other store in Hartford.

REMEMBER-ALL GOODS ARE SOL FOR CASH OR CREDIT-NO DEPOSIT IS REQUIRED AT THE TIME OF PUR CHASE-WE ASK ONLY A SMALL PAY MENT OF \$1.00 WEEKLY AND THAT YOU WEAR THE GOODS WHILE PAY ING FOR THEM.

We feel that with this method of buying wearing apparel at your command as well a our complete stock in every line that we will win for ourselves the popularity and the good will of the people that we have done in the other cities where we are located.
