CAUGHT IN BEVEL GEAR. Richard Sutton, a boy about 16 years age, who resides over north, was ight in a pa'r of bevel gears while at work in the velvet room at Cheney Brothers mills yesterday afternoon and had his right arm badly lacerated above e elbow. Only for the heavy clothing he had on his arm would probably have been broken and further mangled. Dr.

illam dressed his wounds.

While chopping wood on Birch Monuin last Monday, Philip Taylor, son of Albert Taylor of South Main street, had the misfortune to make a misstroke and cut a deep gash in his right foot. Dr. Bradley dressed the wound and is of the opinion that no permanent lameness will result.

IS ALL RIGHT AGAIN.

John George Pentland, the popular clerk at Cheney's drug store, was taken to the Hartford hospital last week Friay. It was then supposed that he was suffering with diphtheria, but this was discovered to be not the trouble. It was tonsilitis. "Chappie" could not be held long in a hospital with any such trivia affair as that, and he was accordingly released on Tuesday last. He returned to his work again yesterday and will smilingly wait on Christmas trade with

his accustomed good nature and cheer-

BEAN BAKE LAST NIGHT.
