beautiful villa for her older brothers to live in while they are studying at the university in the quaint old city of Bonn, on the Rhine. The house stands on the bank of the river and has large grounds around it. There are conservatories in the gardens and a fine tenais court, which can be flooded in winter and turned into a skating pond. The crown prince is fond of riding and driving, and the stables are well filled with horses. The prince's suit of rooms are on the ground floor, while his younger brother, Prince Eitel Frederick. has his apartments up stairs. Everything has been done to make the house

a pleasant home for these two princes through their college days. Birds That Walk. Does it not seem strange that, although we cannot fly like the birds, no matter how much we try, some birds can walk like human beings?

paw. took long sniffs at it and rolled worst. Perhaps he redizes it himself, for he very seldom uses his feet at all.

The Goblins' Market Place. The Hill of the Cellar Door. I know a hill not far away The goldins had a market place, All decked with dewdrops gayly. And there they wove them cobweb tents And held a market daily. For little folks 'tis better so. But what for wares they had to sell,

ey did not sell, as most folks do. But anything, it mattered not. Twas all the way they sold it; They'd sell but mustard seed for tea,

Liked Catnin.

And you could not have told it. Long melon rinds they'd sell for ships. Or for a horse a spider; The honey from the gillyflowers They sold by quarts for cide A piece of grass they'd call a sword Rose thorns they sold for daggers.

For horses with the staggers. These goblins only took sunshine As you may see them doing till: It's long, long past September And this they put in tiny pots.

Where children always love to play: The hill is straight and smooth and low; The coasting there is very nice,

And would not hurt a child at all. It's very near your home, and so our mother'll always let you go, And she can hear you if you cry. They sold a brew of tropoles' tails

Without the cold of snow and ice; You slide in summer, fall or spring, But need not bother aleds to bring It is the safest hill I've found; Sometimes you tumble to the ground.
But 'tis not far you have to fall For then she knows you're right near by, And, oh, you have a joily ride!
You always want to play some more
Upon the hill of Cellar Door.
