

JOHNSON'S PURE FOOD STORE

It is not good policy to offer substitutes for pure foods. The consumers whose trade is most valuable, want the best and purest foods. It is not necessary for those customers to go out of town for these goods, as we have the purest and best goods obtainable on the market, at lowest possible prices. It is our greatest aim to supply the trade with pure foods, and the response from the public has proven to us that this is the only safe way to success.

SOCIETY SEGER. VENNETT POISON CASE.

Prosperous Condition of Popular Swedish Benefit Organization—Men and Women are Beneficiaries in This Society. Good Work Being Done Among Swedish People.

The annual meeting of the Swedish Society Seger took place in Masonic hall last Saturday evening, and choice of officers for the ensuing year was made as follows:

President, August Casper; vice president, John Leander, re-elected; secretary, Henning Madsberg; financial secretary, Albert Anderson, financial secretary, John Swanson; vice financial secretary, Henni Hultman, re-elected; treasurer, Nils Anderson, re-elected; librarians, William Larson, re-elected; librarians, J. August Johanson, re-elected; visiting committee, Edwin Johnson, Oscar Anderson, Chas. Johnson, Frida Larson, Amanda Nilson, Emma S. Anderson, re-elected; E. Johnson, re-elected; assistant marshal, John Modin; inside guard, Emma Anderson; outside guard, Carl Magnusson; trustees, Alfred Johnson, Carl Anderson, Aaron Johnson, all re-elected; auditors, Ned Nelson, Carl Peterson, Thor Lindberg, re-elected; watchmen, Edward Anderson, August T. Johnson, re-elected; Alma Westlund.

The reports of the different officers were read and accepted, and showed the society to be in a healthy and prosperous condition, both as regards financial and membership.

At the close of 1901 Seger had in bank the sum of \$2,563.88. The total property and cash assets combined, at that date, were \$2,828.88. During the year \$209.27 had been paid out for sick benefits, and \$170.50 had been paid for funeral expenses in the same period.

It will thus be seen that necessities had been provided in generous measure to members who had been sick during the year, and that the payment of funeral expenses had served to lighten the burden of distressed members into whose families death had intruded.

Seger now has 178 members in good standing, a number which amply attests the strength and popularity of the organization. Men and women are admitted to membership. The monthly dues for men are 30 cents, and for women 25 cents. Benefits of \$5.00 a week are paid men, and \$4.00 a week are paid women.

Siger has a library of 500 volumes, and thus is not only doing a good work in the matter of paying sick and funeral benefits, but is also providing its members with good reading, selected by a competent committee, who see to it that the right kind of literature is placed in the hands of members. This certainly is a commendable feature of their work.

In the past, meetings have been held, but once a month, but hereafter they will occur on the second and fourth Saturday evenings of each month.

Any Swedish men or women wishing to become members will be gladly admitted, and application for such membership may be made to any of the officers whose names appear in the list printed above. Meetings are held in Masonic hall.

STARTING BUSINESS LIFE.

Sherwood Martin, son of H. C. Martin, our well known dry goods merchant, has secured a position in the office of the E. E. Hilliard Company at Hartford, and began his new duties there last Wednesday. He intends to learn the business thoroughly. Mr. Martin is a graduate of the South Manchester high school, and also of Hartland's Bestness college at Hartford, where he took a thorough business course, and is therefore well equipped for mercantile or manufacturing life. Given this start the right kind of a young man should be able to elbow his way through the world in good form. He certainly has not been lacking in training, and his course of study there is all much to be learned, and always will be.

FRASER—SMITH.

Cards are out announcing the coming marriage of William Smith and Miss Estima Fraser. The ceremony will take place at No. 3 Hackmatack street on Wednesday afternoon, February 5th, at 8 o'clock. The bride couple are at the place where the wedding will take place. It is in the double tenement of Thomas J. Gardner. The other half of the tenement is now occupied by Archie and Mrs. Colton, who were married a few weeks ago. Miss Fraser is the daughter of Alfred and Mrs. Fraser of Hackmatack street.

ANOTHER CENSUS.

Selectmen Henry W. Barrows is taking the census of all young men between the ages of 18 and 21. This is done in order that the authorities may have a knowledge of how many persons are subject to military duty, and also of those who become liable for poll and consumption taxes.

NOT POSTPONED.

The concert to be given in Cheney hall, Thursday evening, February 27th, under the auspices of Sunset Bohemian Lodge, will not be postponed unless future developments make it necessary. Timely notice of which will be given. Tickets are on sale at W. W. Mill's store.

PENTECOSTAL CHURCH NOTES.

THE DR. PARKER PLACE SOLD.

Comes Back Into Possession of Cheney Family From Whom Dr. Parker Purchased It About Twenty Years Ago—Will be Offered For First After April First.

People hereabouts will be very much interested to learn from this article that the property of the late Dr. Julian N. Parker, at the corner of Main and Charter Oak streets, has been sold to Mrs. Sarah G. Cheney this week. Mrs. Cheney's residence adjoins the Dr. Parker place on the Main street side, and directly to the north. The purchase consists of the residence and barn, and a piece of land about 100,000 feet. It is one of the most desirable corner properties on Main street, for residential purposes, or for the use of a physician. The property was sold to the late Dr. Parker about 20 years ago, by the late William H. Cheney, in whose possession it had been for many years.

At present the premises are occupied by Mrs. Parker, who will hold her residence there until April 1st, after which date the property will be offered for rent. It is possible that the barn may be made over into a small cottage, as soon as the spring arrives.

J. J. Sullivan, who for several years was the faithful assistant of the late Dr. Parker, and who learned from the doctor how to operate the electric light machine which he now owns the most complete set of apparatus, will probably establish an office elsewhere, unless some arrangements may be made later whereby he can continue at the old and well established corner. Mr. Sullivan is doing a good business with the electrical apparatus, and intends to continue it. He will remain where he is for the present, or until Mrs. Parker leaves. He does not intend to leave town.

Mrs. Parker intends to spend a few weeks visiting with friends in Middletown, leaving here for that purpose next Monday, and Mr. Sullivan will take care of the place in her absence, and continue his electrical practice.

REMOVING SHADE TREES.

Tree Warden Richard W. Pitkin Grants Permission to Washington Loyal Orange Lodge, No. 117, to Cut Down Five Maple Trees in Front of Their Proposed New Club House, East Center Street.

Shade trees on East Center street caused a lively hearing in the Hall Records Wednesday morning. When Richard W. Pitkin was elected tree warden last fall the idea of having an office of this kind was looked upon favorably as it was thought the duties would be very light, but Wednesday afternoon the lodge decided to erect a new building to conform to the proposed building line, which is about thirty feet from the sidewalk. Washington Loyal Orange Lodge owns a building on East Center street and is planning to build a hall and business block. This week stakes were driven which indicated that the new block would be built close to the sidewalk and would necessitate the cutting down of six large maple trees. The town has no established building lines and nothing would be done by residents on the street to induce the lodge to set back the proposed building to conform to the present building line, which is about thirty feet from the sidewalk. Washington Loyal Orange Lodge has applied to the town for a license to cut down six trees, and the same day a demonstration was set in to the warden. Mr. Pitkin then announced a hearing to be held at the hall on Wednesday afternoon at 7 o'clock. Most of the members of the lodge were present. Mr. Pitkin then announced a hearing to be held at the hall on Wednesday afternoon at 7 o'clock. Most of the members of the lodge were present.

SODERMAN SEXTET.

A prominent event in musical circles will be the coming of the celebrated Soderman Sextet to this town next Wednesday evening, when they will appear in Cheney hall and give one of their grand concerts. These gentlemen are said to rank among the best Swedish singers in the United States. They are making a tour of this country preparatory to going to Europe, where they will sing in all the leading cities. The sextet consists of six members, and includes a vocal soloist, a pianist, and a violinist. The press reports of the musical ability of these singers are the most flattering of any that we have here. They have been called to sing here. There is little doubt that a concert of rare merit will be given. These gentlemen sing in English, Swedish and German, and give a program of music of the most varied character. Their songs, as are now on sale at the stores of F. W. Mills and Oliver Magellan. General admission will be 35 cents. Secure your reserved seats early. The demand is likely to be large.

ST. BRIDGET'S PARISH ENTERTAINMENT.

The annual children's entertainment for the benefit fund of St. Bridget's church will be given in Apell opera house on St. Patrick's night, since Father Murphy's advent to Manchester. St. Patrick's day has always been observed in a fitting and patriotic manner, and this year will be no exception to the rule. The program which the children are preparing will embrace music and comedy sketches especially chosen for the occasion, and the little ones will be encouraged in their efforts to please, and at the same time help to reduce the church debt.

EARLY CLOSING.

The plan of closing stores at 7 o'clock each evening of the week, except Tuesday and Saturday evenings, is working steadily at the Palace Market, and Mr. Grant assures us that he is doing as much business under this method as he did heretofore. He says that persons rarely call there now after closing hours, and he does not believe that they are inconvenienced to any considerable extent by this practice.

YOUNG MEN'S CLUB NOTES.

The St. Mary's Young Men's Club held the regular monthly meeting in Cheney hall on Tuesday evening, February 4th. The club is in a very flourishing condition. Nine were elected to membership last Tuesday, making a total of 22. Important business was transacted.

Rev. J. A. Biddle will deliver a lecture at 8 p. m., next Sunday, Feb. 9th at the Young Men's Club room. He will speak of his experiences as a missionary in the silver mining districts of Colorado. It is hoped that all members will be present, as no doubt this will be a lecture well worthy of a large attendance.

SALE WILL CLOSE TOMORROW NIGHT.

The reduction sale which has been in progress for the past two weeks at the Boston Shoe Store will close tomorrow night. They have been giving reductions of from 10 to 25 per cent on all footwear, men's furnishings and underwear. After tomorrow evening, prices will go back to the regular figures.

REMOVED SEATS AT 50 CENTS EACH CAN BE SECURED NOW FOR THE CONCERT BY THE GERMAN SEXTET IN CHENEY HALL NEXT WEDNESDAY EVENING. THEY ARE ON SALE AT THE STORES OF OLIVER MAGNELL AND F. W. MILLS.
