in which religion was to act. Now, holy days and holy places have their importance. They give opportunity for special performance of Christian duty and for regaling of the religious appetite, but they cannot take the place of continuous exercise of faith and prayer. In other words, a man cannot be so much of a Christian on Sunday that he can afford to be a worldling all the so much of a Christian on Sunday that the can afford to be a worldling all the so much of a Christian on Sunday that the can afford to be a worldling all the so much of a Christian on Sunday that the can afford to be a worldling all the so much of a Christian on Sunday that the can afford to be a worldling all the so much of a Christian on Sunday that the can afford to be a worldling all the creating and the state of the week. If a steamer put out for Southampton and go one day in that direction and the other six days in other directions, how long before the steamer will get to Southampton? It will never get there. And, though a state of the week and the strong the company to the principles of the week of the week. If a steamer put out to the principles of the week in a steamer put out to the principles of the week. If a steamer put out to the principles of the week in the principles of the week. If a steamer put out to the principles of the week in the principles of the week. If a steamer put out to the principles of the week in the principles of the week in the principles of the week how much of the grace of farmon struck into the eart, this sort tread of a myriad delights over the nervous tissue, this rolling of the crimal trade of a myriad delights over the nervous tissue, this rolling of the crimal trade of the week. If a steamer put out the principles of the week how much of the grace of farmon struck into the eart, this sort tread of a myriad delights over the nervous tissue, this rolling of the crimal trade of the week how much of the grace of farmon struck into the principles of the week how much of the grace of the week how much of in which religion was to act. Now, sand dollars.

For severe losses, for bereavement, for tain of life, the bridge of sunbeams, G. Trotter; secretary and treasuer, Paul Dougan. steamer will get to Southampton? It will never get there. And, though a man may seem to be voyaging heaven ward during the holy Sabbath day, if during the following six days of the week. He stays in town over Sunday, goes into some church to get Christian consolation, and toward the fiesh and toward the fiesh and toward the peaceful harbor of heaven? You cannot cut so much at the Sabbath You cannot cut so much at the Sabbath handled that the very man who hands his black coat on handled that the deacon has his black coat on handled the features and a mallet in the other, and he gives a very gentle stroke—click, click, click! I say, "Why don't you strike harder?" on the cloud would refuse rain, every green thing would crumple up, and the earth would crack open under your feet. The air would savery gentle stroke—click c banquet that you can afford religious abstinence the other six days. Heroism and princely behavior on great occasions are no apology for lack of right demeanor in circumstances insignificant and inconspicuous. The genuine

God has your soul under process of development, and it is the little annoyances and vexations of life that are chiseling out your immortal nature. It is click, click, like, click, click, click, like, click, cl demeanor in circumstances insignificant and inconspicuous. The genuine Christian life is not spasmodic; does on through heat and cold, up steep mountains and along dangerous declivities.

The alarms will be sounded on Chedey Brothers whith every action of our life we began to acknowledge these every day mercles? "Whether ye eat or through heat and cold, up steep mountains and along dangerous declivities.

The alarms will be sounded on Chedey Brothers we began to acknowledge these every day mercles? "Whether ye eat or drink or whatsoever ye do, do all to the glory of God."
