Gang of Murderous Thieves. BEAUMONT, Tex., March 13 .- Mattie Bennett has confessed to Sheriff Lindley that she was at the head of a gang of negro women and white men who for months had been luring men into her house, drugging them, beating them and robbing them. If they died, the victims were dragged to the river and thrown in. If they were only stunned they were taken out of the hor to a remote part of some street and left for pedestrians or policemen to find. # **Crawford:** Half Ranges

At this season of the year many housewives spend a considerable portion of time in their kitchens, and therefore should have their surroundings as congential as possible. Nothing tends more o make matters in the kitchen pleasant for the housekeeper than a good range. This we can assure you will find the Crawford Range to be. It can be seen here and we will be happy to show its sons. It has many points to recommend . Let us explain them to you.
