THE STRIKERS BALL.

UNUSUALLY LARGE GATHERING ASSEM-BLED IN THE ARMORY OPERA HOUSE LAST TUESDAY EVENING TO AT-AND BALL GIVEN BY THE STRIKING VEL-VET WEAVERS.

in the grand march and at the dancing all evening.

A large orchestra composed of musicians from the several orchestras in town contributed their services and furnished good music, considering the fact that they did not have any opportunity for rehearsals. Professor C. Foley called the first proposition of the dances. The grand march was led by William F. McHale and Miss Florence Cushman. Not one quarter of those in the hall could get into the march.

Persons standing up occupied space from the door, all across the hall, and reachly and the strikers report a considerable in the strikers report a considerable in the strikers report a considerable in the strikers are here now.

The strikers report a considerable in the strikers to choose the other.

We are the strikers to choose the other to tyo bearn a business from the top, and those who have committed the top, and those who have committed the bunder by constituting themselves committed the bunder by constituting themselves of fagre enterprises have often fallow to the bottom more abruptly than was pleasant.

"Some women ascribe their failure to want of capital, but I do not regard the difficulty as a serious one. Too much capital, but I do not regard the difficulty as a serious one. Too much capital, but I do not regard to want of capital, but I do not regard to want of capital, but I do not regard to want of capital, but I do not regard to make their failure to want of capital, but I do not regard to make their failure to want of capital, but I do not regard the difficulty as a serious one. Too much capital, which prevents a woman from getting any real knowledge of business and leads her to be extravaging the fact that the strikers are here now.

The strikers report a considerable in the strikers to choose the dampers of th

march.

Persons standing up occupied space from the door, all across the hall, and reaching up about one third of the distance to the stage. In the wings crowded conditions prevailed also.

But his parents never ceased to hope that he might become a preacher. Their hopes were fulfilled, and in 1853, at the age of twenty-one, he entered the College of the people of the pe

mage's character. In his literary work he scorned to borrow, though his own unique phrases and ideas were the prey of many petty plagiarists. Although his fame will rest chiefly upon his sermonic writings, his treatment of lighter topics was brilliant and clever. But his finest work was not among the shallows. His pen could go deeply into the secrets of the heart and soul, and such was his rare gift that with a single sentence he could move a multitude. Some of his volumes written in the early part of his career show rare vivacity and wit and give a clew to his wonderful success as an entertaining lecturer in maturer years. Among the periodicals to which he contributed at various times were the New York Weekly, Hearth and Home, The Independent and The Christian at Work. have been published, twenty volumes appearing in a single series in 1900 His other works besides those already mentioned include "Crumbs Swept Up." "Around the Tea Table," "Sparks From My Anvil, "A Thousand Gems," "From Manger to Throne," "Sports That Kill," "The Wedding Ring," "Night Sides of City Life," "The Poetry of Life," "Old

Best Bicycle Bargain for \$10 Fertilizers for Lawn and Garden Purposes

We offer easy terms and for eash give a liberal discount.

By this little bit of diplomacy Harry managed to avert a charivari. It goes without saying that had the boys learned the facts in the case in time, they would have organized a tin pan brigade, and made matters merry for the bride at the Town Records building on Tuesarded with Dan. Davidson on Pleasan

Considered to be the Best Educational Ap-All the newest shapes in soft and stiff hats for men's Spring wear can be found at our store. In anticipation of a large Spring business in this department we have now a larger stock than ever before, and if new and up-to-date styles will suit, we can please you.
