MEETING HELD LAST MONDAY EVENING

sented at the Armory opera house last A Start Made in Getting Subscriptions for

were being changed. These features were extras, and helped to add to the entertainment accordingly. Miss Lanck sang and acted the numbers in a pleasing manner, and the young man danced with much skill and variety of seps. The play as a whole was given in an agreeable and smooth style, and pleased the audience very much. The fact that nearly all the performers were residents here added to the zest of the occasion. "Unele J. sh Whitcomb," the leading role, devolved upon Mr. Hyde, and he handled it in an admirable manner. He was ably assisted by Miss Lanck as "Tot," a waif, and also as a soubrette.

E Martin Ogden as a society map.

W. E. Hibbard represented the North End.

The meeting was called to order at 8.20 by C. E. House, chairman of the committee appointed last year by the Manchester Business Men's Association to act in the matter of endeavoring to get a bank started here. Mr. House was chosen chairman of the meeting, and F. Ernest Watkins, clerk

Mr. House called on O. M. Nilson, one of the vice presidents of the First National bank at Mentoursville, Pa., who is here for the purpose of getting a bank started in this place, and who has been doing some preliminary work in this direction, as previously noted in these columns.

E Martin Ogden as a society man, Raymond Thrall as a dude, Mrs. W. S. Hutchison as a society belle, and Miss Katherine Craig as a society belle, and also as the drunkard's wife, had considerable to do and executed their work in a pleasing manner.

Miss Ione Burdick represented a society belle and also a woman with a society belle and also a society belle and withdrew quietly, but still had in mind the possibility of getting a bank and a society belle and also a woman with a society belle and found that the belief to organize a bank as a society belle and found that the belief to organize a bank society belle and also a woman with a best field for a bank that he has any basket, which she left in charge of knowledge of. He is thoroughly con-

Miss E hel Brainard had a gown that for antique cut and makeup was a creation well worthy of "Swsnsey" in the olden time. She did not app-ar until the last act, but filled the bill perfectly this place will prove financially successful. All that is needed is the cooperation of the business people here and success is assured. He would like to have a block of stock in a bank to be started here. He came here unpledged, and he believed that his association of the business people here are to time at the same place until their statutory duties in relation to the list of 1903 and the abstr cts thereof are

As late as 1834 a 400 pound bear was

inables that the stributed up-town in the evening. Then excreptody would be selling that particular stock and the willy bear would have accomplished his purpose with the least risk of his own money. That game did not last. When the market began to turn for the December rise the "Hutt."

These things are remarkable when for the December rise the "titpsters" work left and their customers with them. Some of the barrs were and some of the bears were and some of the past at the oldst hut and they have always done so in the said saids and telegraph operators are prepared. In speaking of these rules a railroad conductor said to me the obtact rails of the city, containing one of the finest collections of which some money. That is now the business district.

These things are remarkable when compared with them. Some of the bears were and some of the bears were and some of the bears were and some of the more than 50 years ago there now stands a city of more than 50 years ago there now stands as little over the road in twice the alloted time. It is at an expanse of nearly half a donductor are prepared. In speaking of these rules a railroad conductor said to me the other day:

If I was to obey the rules that are abundances to be found within 1½ miles of warre not made with any expectation that they will be obeyed, but with the intention of placing the biame on employees a railroad conductor said to me the other day:

If I was to obey the rules that are abundance to be found not hold my job and so were to be found within 1½ miles of were not any with the conditions of to-day.

Now the hunt was wrong, of course, caddsh, in fact. Farmers from the compared with the conditions of to-day.

When the market began to the fore of the met observable, when the other with any expectation that they will be obeyed, but with the intention of placing the biame on employees with the outskirts of the city, containing one of the more than 500,000 a special intention of placing the biame on employees a railroad for the work of the city, contain In commenting upon the Iroquois the- company find some rule I have dis-

The immense advantages of our February

we've ever had in the past. The entire range of home outfitting is covered. Everything from a picture to a parlor suite. Every-

thing from a sash curtain to an Oriental rug. The Wise, Smith Furniture business has grown to vast proportions, although the city was full of furniture stores before there was need for this one. We have revolutionized furniture selling methods in Hartford by conducting the largest homeoutfitting business in Connecticut on a department store modest profit basis and now at this Feb. sale prices average a fourth less than regular. If you desire we will reserve for you any purchase you make and deliver same when wanted, only a small deposit required, and in conjunction with this sale, deeply cut prices on all carpets, rugs, lace curtains and draperies.

expected to be present and take part in the discussions: L. Holmes D. D. of MANCHESTER CAUCUS REGISTRATION. Portland; J. Jessup of Bristol, S. G. Ohman of New Britain, Augustus NelTHREE CENTS.

## **AVERAGE WOMAN** Knows little of shoe making. She

does know, however, that soles and linings are very frequently the things that fail first. That's why "Wear-Proof" Linings and "Rock Oak" soles are used in

## "LaFrance"

Experience has established the superiority of these two products over anything ever designed for the bottoms and insides of shoes.

Everything else that goes into the "LaFrance" \$3.00 Shoe is not simply good, but THE BEST POSSIBLE QUALITY.
