DON'T BE DECEIVED IN YOUR CREAMERY BUTTER.

THERE IS NOTHING MORE IMPORTANT TO BUY FOR THE TABLE THAN STRICTLY PURE CREAMERY BUTTER

That is the Kind we sell, and that is why we sell one fifth of the whole output of the Vernon creamery to our Manchester patrons.

Another important fact is that for this butter you pay no more than for the imitation of pure creamery butter.

and that ever left town. The arrangements for the event were admirably carried out in every particular. Tie train left Manchester on time, reached With Notes and Observations Thereon. Providence at 10 o'clock, schedule time, left Providence on time for the

10 o'clock, just as advertised. This is unusual for an excursion, and was The weather was delightful beyond description, clear and comfortable, beyoud all expectations for the time of ties and the Manchesters will be revived, year. Not one thing occurred to mar the enjoyment of the occasion. Everybody had a delightful time. There victory for Manchesters will be revived, and the chances are that there will be an animated contest, resulting in the usual victory for Manchester. This is the body had a delightful time. There were no out-iders allowed on the train. It was simply a family gathering on a large scale. Everybody was pleasant, good natured and congenial, and all were bent on having a jolly good time, and a jolly good time they had indeed.

The attendance was not as large as was expected, scarcely reaching 400 and in this none made a mistake but those who did not go. It was an unusually low-priced excursion, considering the safety of the games between the Manchesters and Williamantics, where impartial umpiring has prevailed, and it will continue so to be. Manchester has a team that is now making winning his tory, and that is to continue so doing, given equal chances with their opponents. They seek no other condition for themselves, and will accord no other to their adversaries. That Williamantic has a strong team must not be doubted.

low-priced excursion, considering the many advantages, and furthermore, there will be no other to that point be amply proven tomorrow, and in the

One of the nicest features of the excursion was the fact that it was composed practically of Manchester people. It is true that there were a few from Vernon, but not enough so that you Vernon, but not enough so that you rarare as follows:

A TRADING STAMP VICTIM.

Now Mary Brown, a humble wife.

Until the trading stamps came out

That all her friends were filled with fea

And then so changed was she

Was meek as she could be.

For every whate she went

She tried to get a trading stamp

With every cime she spent.

She filled book after book and then

Exchanged them at the store,

Till every room within her house

Shows premiums galore.

Eight tables for her whist

Were numbered on the list

Cut glassware and a bed,

A silver nrn, a writing desk,

A mirror, chiffonier and chair

Upholstered in bright red.

Were what she got with stamps.

But as the stamp craze grew

He saw his earnings fade away

Just like the morning dew.

GREENFIELD GAME.

The Manchesters went up to Greenfield, Mass., last Wedneslay, and won from the strong team of that city in a Garrison fluish by a score of 3 to 2. The prople of Greenfield said that it was one of the best games they seer aw on their grounds. The Manchester went much favor with the local enchosiasts, and were cheered to the echo for their good work.

Brunks was in the box tor Manchester. Brunks was in the box tor Manchester. Brunks was in the box tor Manchester, and although somewhat wild, pitched good ball. It was the warmest aged to the seer of man going of the first of the work of the score of the seer of man going of the Manchester of them who have bad to fight not have propertied in the first of the whole that they consens; we find that the series of games been further which could have been easily to handled by Bailey. Moriarity made his eagerness rashed after a fly to center which could have been easily to handled by Bailey. Moriarity made in the take of the seen of the these seen further that they consens; we find that they consens; we find that the base of games been further that they consens; we find that they consens; we find that they consens, that and the series of games been further that they consens; we find that they consens; the find that they consens; the find that they consens; they are failed hit and the series of games been further that they consens; the find that they consens; the find that they consens; the find that they consens; they are the find that they consens; they are the find that they consens; they are failed that and the series of games been further that they consens; they are the find that they consens, they are failed that they consenses; they are the find that ter, and although somewhat wild, pitched good ball. It was the warmest proposition he had ever been up against, but he gave a fairly good account of his ability as a coming twirler. With some ability as a coming twirler. With some ability as a coming twirler. With some more steadying down under Lewis's tuition, he will be able to step up to the slab fearlessly and pitch with the best there. The fact of man loss of man loss of man loss of the loss of

of dangers. Would she never reach the station for a moment's breath of dangers. Would she never reach the station for a moment's breath of dangers. Would she never reach the station for a moment's breath of dangers. Would she never reach the station for a moment's breath of dangers.

In opening the game Bailey smashed allowed Graham to score, leaving the earnestly expected victory!
