BACK FROM SWEDEN. Find Conditions For Working People There

Charlie Anderson of South Main street, Alfred Anderson and family of Church street, and P. A. Brink and family of Garden street returned from Sweden last Sunday, after an absence of three months. All had an enjoyable time excepting for the death that occurred in the family of Mr. Brink, as previously noted in these columns. They report that great progress has been made in Sweden, and that conditions for the welfare of the common people are very much improved in the Land of the Midnight Sun. Albert Berggren is returning from Sweden this week, and will in all probability reach here next Sunday. He has been absent for two months, and had THE NEWS sent him during his stay.
